In the present, Other Neferet may have left her House of Night, but she has far from given up her goal of immortality and world domination. As she operates in secret to gain access to Old Magick, the new High Priestess, Anastasia Lankford, works toward peace and acceptance for the vampyres of the Other World.

But just as Other Kevin's broken heart will take time to heal, peace in that world will also take time and work—and not all of the Other World vampyres want peace. After all, why should they return to being shunned by humans, especially when they've had a taste of how it feels to be in power? Meanwhile, Zoey is desperate to help rid the Other World of Neferet once and for all, and not knowing what's going on over there is eating away at her. But, as the Nerd Herd warns, it's far too dangerous to call on Old Magick time and again.

As a distraction, she throws herself into her work and attempts to bring the humans and vampyres of Tulsa closer together with the first human-vampyre swim meet in history! It's too bad that something always seems to go wrong whenever the stakes are high. What happens when worlds clash and powers that should be left alone are awakened? Can Other Kevin and his world heal from the wounds Neferet continues to inflict? Can Old Magick ever truly be harnessed and used for good? Or will Darkness extinguish Light and leave our heroes broken, hopeless, and as forgotten as Kalona of the Silver Wings? Don't miss this second to last volume in the House of Night Other World saga!

Recipe for Danger Knopf Books for Young Readers

The #1 New York Times bestselling author returns to the characters in Firefly Lane in her next blockbuster novel, Fly Away. Once, a long time ago, I walked down a night-darkened road called Firefly Lane, all alone, on the worst night of my life, and I found a kindred spirit. That was our beginning. More than thirty years ago. Tully and Kate. You and me against the world. Best friends forever. But stories end, don't they? You lose the people you love and you have to find a way to go on. . . . Tully Hart has always been larger than life, a woman fueled by big dreams and driven by memories of a painful past. She thinks she can overcome anything until her best friend, Kate Ryan, dies. Tully tries to fulfill her deathbed promise to Kate---to be there for Kate's children---but Tully knows nothing about family or motherhood or taking care of people. Sixteen-year-old Marah Ryan is devastated by her mother's death. Her father, Johnny, strives to hold the family together, but even with his best efforts, Marah becomes unreachable in her grief. Nothing and no one seems to matter to her . . . until she falls in love with a young man who makes her smile again and leads her into his dangerous, shadowy world. Dorothy Hart---the woman who once called herself Cloud---is at the center of Tully's tragic past. She repeatedly abandoned her daughter, Tully, as a child, but now she comes back, drawn to her daughter's side at a time when Tully is most alone. At long last, Dorothy must face her darkest fear: Only by revealing the ugly secrets of her past can she hope to become the mother her daughter needs. A single, tragic choice and a middle-of-the-night phone call will bring these women together and set them on a poignant, powerful journey of redemption. Each has lost her way, and they will need each one another---and maybe a miracle---to transform their lives. An emotionally complex, heart-wrenching novel about love, motherhood, loss, and new beginnings, Fly Away reminds us that where there is life, there is hope, and where there is love, there is forgiveness. Told with her trademark powerful storytelling and illuminating prose, Kristin Hannah reveals why she is one of the most beloved writers of our day.

Fly Away Mill Creek Press

The fourth and final installment of the Only series. Must be read in order. There comes a time when Emma must face the secret she kept from Grayson. But she never thought it would be while she stood on stage at Emerald's. The seconds she has to convey that her life is in danger are lost in the devastation that she sees rip through him. But there's more on the line than just Emma's safety. There's the danger that brought Titan's Delta team in to the strip club in the first place. A threat that's too close to home, too close to the family, the daughter and woman Grayson plans to claim.

A love story like Grayson and Emma needs a forever love, and somehow they'll find their way to her fairytale.

Delta: Retribution Mill Creek Press

The third installment of the Only series. Must be read in order. Grayson and Emma. First love. True love. And... they have a daughter. Abandonment is his curse. He left his woman, survived his team, and missed the moments most precious to a father. Until now. I didn't know you were killing yourself with work. I didn't know you're raising our daughter. So help me God, had I known, there is no military force on earth that would've kept me from you. Love needs to heal all, or they won't survive the collision of their separate lives. Emma must reach deep into her heart that is barely hanging on and find forgiveness. Grayson, wrecked with PTSD-filled nightmares, must prove that he's here to stay and able to rebuild his family against all odds. I need to say I love you. But what I mean is I love you--in a way that defies definition and exists only in a world that you and I are in.

The Girls in the Stilt House Feiwel & Friends

Outside of Titan Group, there are few people that Roman Hart would die for. He's a soldier, a protector, and he's haunted that one of the people he should've been able to protect didn't let him. That was years ago, and now a hardened heart and a cocky attitude are his impenetrable shields, until one woman—one challenge—drives him to distraction. On the outside, Beth Tourne has it all. Luxury car, gorgeous condo, and a job partying with the rich and famous. It's a plush CIA cover, but she wants more.

Anything for an adrenaline rush that can override her guilty numbness and let her forget the tragedy she never saw coming. Their scars make them perfect operatives. Their mirrored pasts give them deep, wounded reasons to stay alone. But the more they ignore the tension, the more vulnerable they become. Survival means trust. In one another, behind closed doors, and on the job. The only way they're making it out alive is if they find peace while waging a war.
