Attack on Titan Guidebook: INSIDE & OUTSIDE Calamittie Jane Publishing

Outside of Titan Group, there are few people that Roman Hart would die for. He 's a soldier, a protector, and he 's haunted that one of the people he should 've been able to protect didn 't let him. That was years ago, and now a hardened heart and a cocky attitude are his impenetrable shields, until one woman—one challenge—drives him to distraction. On the outside, Beth Tourne has it all. Luxury car, gorgeous condo, and a job partying with the rich and famous. It 's a plush CIA cover, but she wants more. Anything for an adrenaline rush that can override her guilty numbness and let her forget the tragedy she never saw coming. Their scars make them perfect operatives. Their mirrored pasts give them deep, wounded reasons to stay alone. But the more they ignore the tension, the more vulnerable they become. Survival means trust. In one another, behind closed doors, and on the job. The only way they 're making it out alive is if they find peace while waging a war. This is a box set containing Delta: Retribution and the Only series. Delta: Retribution is the first title in the new Delta series, a spin off from the Titan series. Fallen Navy SEAL and Titan Group's Delta recruit Trace Reeves wants nothing more than a one-night stand to forget that his twin brother was killed-in-action. But when his one-time fling becomes his high value target, the lines blur between her rescue mission and saving himself. The Only series: Grayson Ford and Emma Kinglsey—close since they were kids, opposites in every way. He's the stuff high school crushes are made of, Mister Popular, and captain of every team. She's artsy, cute, and not in his league, though fully aware of Summerland's "I Dream of Dating Grayson Ford" support group. I can't say no. The girl's had my heart since

before I knew it went missing. He hides a life of hell. His father hates him, his mother's gone. Emma is his only savior, yet she doesn't know her power over him. She's the only girl he wants, the only one he could ever tell—though he won't. I'm stronger, bigger, more of a man than he'll ever be, but because I ruined his life, I've taken his crap, his attacks, the vulgar nature of his existence. Until she discovers Gray's embarrassment, his humiliation. Emma fights for him and for a chance. Theirs is a Cinderella story that she believes impossible. But as the layers peel back, it's just a guy who needs a girl in order to keep breathing. My mind is already doodling Mrs. Grayson Ford in imaginary notebooks. He has no clue where my head is at... But, given that I didn't see what just happened coming, maybe I have no clue where his head is at either.

This boxed set of The Titan Series, military romance and suspense, contains books 1-5: Winter's Heat, Garrison's Creed, Westin's Chase, Gambled, & Chased. WINTER'S HEAT After putting her life on the line to protect classified intelligence, military psychologist Mia Kensington is on a cross-country road trip from hell with an intrusive save-the-day hero. She'd rather take her chances without the ruggedly handsome, cold-blooded operative who boasts an alpha complex and too many guns. Colby Winters, an elite member of The Titan Group, has a single objective on his black ops mission: recover a document important to national security. It was supposed to be an easy in-and-out operation. But now, by any means necessary becomes a survival mantra when he faces off with a stunning woman he can't leave behind. When Titan's safe houses are compromised, Colby stashes Mia at his home, exposing his secret--he's the adoptive father of an orphaned baby girl. Too soon, danger arrives and Mia lands in the hands of a sadistic cartel king with a taste for torture. As hours bleed into fear-drenched days, Colby races across the globe and through a firestorm of bullets to save the woman he can't live without. GARRISON'S CREED Nicola is an injured CIA agent on the run from a failed undercover operation. Her escape plan shatters when she slams into the man who buried her a decade ago. Cash Garrison. Her first and only love. Now, sexier than her best memory and cradling a snipe's rifle, he has questions she can't answer. Why was she alive? And armed? Cash is an elite member of a black ops organization, The Titan Group. He thought Nicola died his senior year of college and swore off love to focus on a decade of military missions. But when she shows up behind enemy lines, bleeding out and wielding a weapon, his heart and mind are unsure how to proceed. Titan and the CIA join forces to uncover a mole hidden in a network of international terrorists and homegrown mobsters, teaming Cash and Nicola again. When disaster strikes, Nicola's hidden past makes her the hunted target and Cash's best kill shot may not be enough to save them. WESTIN'S CHASE Jared Westin knows his reputation and likes it. He gets the job done. No emotion. No baggage. That's why his elite ops company, The Titan Group, is better than the best. They complete projects classified as mission impossible. And then, in walks a woman as tough as she is sexy. His counterpart in every way, should he choose to admit it. Ousted undercover ATF agent Lilly Chase only answers to "Sugar." Jared is the only man who can see past her leather-and-lipstick demeanor, and that revelation is terrifying. She was fired for helping Titan on a questionable arrest she should've ignored, then partnered with Jared's rival on an assignment in Afghanistan. Saving Sugar isn't a normal rescue operation. It pits Titan against its rival, Jared against his nemesis. Chasing Sugar's heart isn't a simple task, either. She fights him, fights them, always ready to run. Jared must risk his life to save her--the woman whose bravado and surprising sweetness has given him the one thing he never had. Love. GAMBLED Brock Gamble's epic fall from the Titan Group labeled him a traitor, then his wife walks out the door. Can the couple survive if the only chance of redemption is a fall further into a world of guns and kidnappings? CHASED Jenny Chase and Asher McIntyre: can two hearts on opposite career paths survive while Asher's enemy seeks to destroy them both? Delta: Ricochet Mill Creek Press

The Delta Collection Special Edition boxed set includes three complete, bestselling romantic suspense stories (DELTA: RETRIBUTION, REVENGE, AND REDEMPTION) plus excerpts from DELTA: RESCUE and DELTA: RICOCHET. DELTA: RETRIBUTION A MAN IS NOTHING WITHOUT HIS TEAM Trace Reeves was one bad day from a dishonorable discharge. The best the Navy SEALs had to offer, he became a vengeful, angry mess when his twin brother was killed-in-action. Now he's focused on a deadly obsession and unable to cope with the pain and guilt... except one time, in the arms of a one night stand that he'd never see again. She was smart, the sexiest thing he'd ever touched, but she disappeared into the night. Titan Group was recruiting for their Delta team. They wanted ghosts. No ties. Nothing personal. The best of the best who could live off the grid and surface when commanded. Trace was the perfect recruit. Damaged. Heroic. Nothing to lose. UNTIL A MISSION--OR A WOMAN--CHANGES EVERYTHING But when Trace's one-time fling becomes his high-value target during a black ops job, the lines blur between her rescue mission and saving himself. DELTA: REVENGE A Tortured Hero with a Heart of Gold Growing up on the streets of Rio de Janeiro, Javier Almeida has only his older sister to protect him. When she's sold to a human-trafficker, he vows to hunt down those responsible. Years later, Titan Group's Delta team finds him, tattooed and brawling, a vigilante protector with information they want. They take him in and train him, working him harder than a man should be driven, until he's a soldier harboring an obsession. Ready for revenge, Javier ghosts his way across the globe, tracking the men who took his sister and working elite private security jobs. Meets Sweet and Sassy Jilted at the altar, Sophia Cole turns the reception into a one-woman party. She's intent on devouring all the cake and champagne, so she can bask in the calories she's been avoiding. In the midst of the revelry, he walks in, the one man she can never ignore. Javier is her older brother's black ops teammate--an automatic Do Not Go There. But if there's one thing better than fondant and a buzz to ease the wounds of a cheating fiancé, it might be a one-night stand with a South American military man. It's a Game Changer Javier didn't expect to see Sophia again. He never thought he would even want to see her again. He shouldn't have touched her, but his mind won't stay away from her. Now, Sophia Cole is thousands of miles away from the safety of her parents' lavish estate and working alongside him in hell. She's a staffer at an Embassy, and he's there to keep them alive. There are bombs and bullets and blood-hungry enemies. And then she's taken. Gone. Just like his sister. But so much worse. DELTA: REDEMPTION "My name's Victoria--No last name. Don't ask." That was all that the woman would share when Delta team's expert trigger man, an Australian named Ryder, pulled her from the pits of a human trafficking nightmare and took the gun from her hand. He didn't mean to steal her revenge but survival was the priority. Now that Victoria was home? She had a past he was trying to understand while still keeping a secret from her. But he's not the only one. When she goes missing, Delta team discovered that Victoria No Name was a one-woman vigilante force, taking on whoever crossed her path, from gunrunners to a drug-pushing motorcycle club. She was exactly who Ryder thought she might be, and now he was coming in to help--whether she wanted backup or not. PLUS EXCERPTS FOR DELTA: RESCUE and RICOCHET!

The book documents Glenn's many research specialties over those 75 years. Among them are early jet engines and rockets; flight safety and fuel efficiency tested in premier icing and wind tunnels; liquid hydrogen fuel which, despite skeptics like aerospace engineer Wernher von Braun, helped the U.S. win the race to the moon; and electric propulsion, considered key to future space flight. Space enthusiasts, aviation personnel, aerospace engineers, and inventors may be interested in this comprehensive and milestone volume. The third installment of the Only series. Must be read in order. Grayson and Emma. First love. True love. And... they have a daughter. Abandonment is his curse. He left his woman, survived his team, and missed the moments most precious to a father. Until now. I didn't know you were killing yourself with work. I didn't know you're raising our daughter. So help me God, had I known, there is no military force on earth that would've kept me from you. Love needs to heal all, or they won't survive the collision of their separate lives. Emma must reach deep into her heart that is barely hanging on and find forgiveness. Grayson, wrecked with PTSD-filled nightmares, must prove that he's here to stay and able to rebuild his family against all odds. I need to say I love you. But what I mean is I love you--in a way that defies definition and exists only in a world that you and I are in.

When the past is impossible to ignore, love may be the only way to survive. Caterina Cruz has no home. No loyalties. No objection to exacting torturous revenge. Her life's mission is to destroy the terrorist who murdered her family. Then she steps into an elaborate game of charades alongside a Titan Group operative posing as an arms dealer--and her newlywed husband. The sexy distraction may be more than she can handle. Attacked with a psychedellic drug weeks before, Rocco Savage is plagued with hallucinations that threaten his new rank as Titan's second-in-command. No one knows and he wants to keep it that way. Throwing him further off his game, he now has a wife with her own secrets he can't crack and an agenda he can't control. Their mission--an elaborate deception of heated glances and passionate kisses--spins out of control. With Rocco's mind already compromised, can he keep his secret and his distance? And with Caterina's tragic past controlling her every move, can she keep the con up long enough to secure her revenge? Or will both go down in flames? Number theory is one of the few areas of mathematics where problems of substantial interest can be fully described to someone with minimal mathematical background. Solving such problems sometimes requires difficult and deep methods. But this is not a universal phenomenon; many engaging problems can be successfully attacked with little more than one's mathematical bare hands. In this case one says that the problem can be solved in an elementary way. Such elementary methods and the problems to which they apply are the subject of this book. Not Always Buried Deep is designed to be read and enjoyed by those who wish to explore elementary methods in modern number theory. The heart of the book is a thorough introduction to elementary prime number theory, including Dirichlet's theorem on primes in arithmetic progressions, the Brun sieve, and the Erdos-Selberg proof of the prime number theorem. Rather than trying to present a comprehensive treatise, Pollack focuses on topics that are particularly attractive and accessible. Other topics covered include Gauss's theory of cyclotomy and its applications to rational reciprocity laws, Hilbert's solution to Waring's problem, and modern work on perfect numbers. The nature of the material means that little is required in terms of prerequisites: The reader is expected to have prior familiarity with number theory at the level of an undergraduate course and a first course in modern algebra (covering groups, rings, and fields). The exposition is complemented by over 200 exercises and 400 references.

This two-volume handbook presents a collection of novel methodologies with applications and illustrative examples in the areas of data-driven computational social sciences. Throughout this handbook, the focus is kept specifically on business and consumer-oriented applications with interesting sections ranging from clustering and network analysis, meta-analytics, memetic algorithms, machine learning, recommender systems methodologies, parallel pattern mining and data mining to specific applications in market segmentation, travel, fashion or entertainment analytics. A must-read for anyone in data-analytics, marketing, behavior modelling and computational social science, interested in the latest applications of new computer science methodologies. The chapters are contributed by leading experts in the associated fields. The chapters cover technical aspects at different levels, some of which are introductory and could be used for teaching. Some chapters aim at building a common understanding of the methodologies and recent application areas including the introduction of new theoretical results in the complexity of core problems. Business and marketing professionals may use the book to familiarize themselves with some important foundations of data science. The work is a good starting point to establish an open dialogue of communication between professionals and researchers from different fields. Together, the two volumes present a number of different new directions in Business and Customer Analytics with an emphasis in personalization of services, the development of new mathematical models and new algorithms, heuristics and metaheuristics applied to the challenging problems in the field. Sections of the book have introductory material to more specific and advanced themes in some of the chapters, allowing the volumes to be used as an advanced textbook. Clustering, Proximity Graphs, Pattern Mining, Frequent Itemset Mining, Feature Engineering, Network and Community Detection, Network-based Recommending Systems and Visualization, are some of the topics in the first volume. Techniques on Memetic Algorithms and their applications to Business Analytics and Data Science are surveyed in the second volume; applications in Team Orienteering, Competitive Facility-location, and Visualization of Products and Consumers are also discussed. The second volume also includes an introduction to Meta-Analytics, and to the application areas of Fashion and Travel Analytics. Overall, the two-volume set helps to describe some fundamentals, acts as a bridge between different disciplines, and presents important results in a rapidly moving field combining powerful optimization techniques allied to new mathematical models critical for personalization of services. Academics and professionals working in the area of business analytics, data science, operations research and marketing will find this handbook valuable as a reference. Students studying these fields will find this handbook useful and helpful as a secondary textbook.

Fall in love with seven sexy and irresistible soldiers who find their courage and heart tested like never before in the battle for love! This multi-author collaborative series of contemporary romance novels is brought to you by bestselling authors Barbara Freethy, Roxanne St. Claire, Christie Ridgway, Lynn Raye Harris, Julia London, Cristin Harber and Samantha Chase. You won't want to miss a single one! NOAH Navy SEAL Noah Coleman knows how to do two things well: underwater demolition and hand-to-hand combat. So renewing his enlistment is a no-brainer until he receives a message about his cousin's aggressive terminal cancer. A quick trip home confirms the worst, which means his niece Bella will become his responsibility. Elementary school guidance counselor Teagan Shaw has known Bella since her son announced the two were best friends. The shy little girl is also on Teagan's radar because of Bella's early signs of gifted aptitude. But Teagan is more concerned about the military man thrust into the role of single parent. While Noah adjusts to civilian life and Eagle's Ridge, he and Teagan begin forging a friendship. But Teagan has a secret, a shadowy figure from her past who is intent on returning to torment her. Titan Group is expanding. New recruits mean Jared Westin has potential new hires to scrutinize. What he didn't expect was his very pregnant wife Sugar to finagle her way onto the surveillance team as the prospects were assessed. Her involvement in the simple observation goes dangerously wrong. She and best friend Lexi Black stumble into a problem with Russian mobsters. Sugar is forced to draw on her old ATF tricks, but weeks from her due date, she has no choice but to team up with Bishop O' Kane, a potential-new recruit and Parker Black, Lexi's hacker husband, who must go undercover. This is special ops novella is packed with high-stakes crime and intrigue, a baby story for Boss Man, and two steamy romances for two of Titan's favorite couples. Chris Dancy, the world's most connected person, inspires readers with practical advice to live a happier and healthier life using technology In 2002, Chris Dancy was overweight, unemployed, and addicted to technology. He chain-smoked cigarettes, popped pills, and was angry and depressed. But when he discovered that his mother kept a record of almost every detail of his childhood, an idea began to form. Could knowing the status of every aspect of his body and how his lifestyle affected his health help him learn to take care of himself? By harnessing the story of his life, could he learn to harness his own bad habits? With a little tech know-how combined with a healthy dose of reality, every app, sensor, and data point in Dancy's life was turned upside down and examined. Now he's sharing what he knows. That knowledge includes the fact that changing the color

of his credit card helps him to use it less often, and that nostalgia is a trigger for gratitude for him. A modern-day story of rebirth and redemption, Chris' wisdom and insight will show readers how to improve their lives by paying attention to the relationship between how we move, what we eat, who we spend time with, and how it all makes us feel. But Chris has done all the hard work: Don't Unplug shows us how we too can transform our lives.
