The #1 New York Times bestselling author returns to the characters in Firefly Lane in her next blockbuster novel, Fly Away. Once, a long time ago, I walked down a night-darkened road called Firefly Lane, all alone, on the worst night of my life, and I found a kindred spirit. That was our beginning. More than thirty years ago. TullyandKate. You and me against the world. Best friends forever. But stories end, don't they? You lose the people you love and you have to find a way to go on. . . . Tully Hart has always been larger than life, a woman fueled by big dreams and driven by memories of a painful past. She thinks she can overcome anything until her best friend, Kate Ryan, dies. Tully tries to fulfill her deathbed promise to Kate—to be there for Kate's children—but Tully knows nothing about family or motherhood or taking care of people. Sixteen-year-old Marah Ryan is devastated by her mother's death. Her father, Johnny, strives to hold the family together, but even with his best efforts, Marah becomes unreachable in her grief. Nothing and no one seems to matter to her . . . until she falls in love with a young man who makes her smile again and leads her into his dangerous, shadowy world. Dorothy Hart—the woman who once called herself Cloud—is at the center of Tully's tragic past. She repeatedly abandoned her daughter, Tully, as a child, but now she comes back, drawn to her daughter's side at a time when Tully is most alone. At long last, Dorothy must face her darkest fear: Only by revealing the ugly secrets of her past can she hope to become the mother her daughter needs. A single, tragic choice and a middle-of-the-night phone call will bring these women together and set them on a poignant, powerful journey of redemption.

Each has lost her way, and they will need each one another—and maybe a miracle—to transform their lives. An emotionally complex, heart-wrenching novel about love, motherhood, loss, and new beginnings, Fly Away reminds us that where there is life, there is hope, and where there is love, there is forgiveness. Told with her trademark powerful storytelling and illuminating prose, Kristin Hannah reveals why she is one of the most beloved writers of our day.

Increasingly, the decisions that affect our lives—where we go to school, whether we can get a job or a loan, how much we pay for health insurance—are being made not by humans, but by machines. In theory, this should lead to greater fairness: Everyone is judged according to the same rules. But as mathematician and data scientist Cathy O ’ Neil reveals, the mathematical models being used today are unregulated and uncontestable, even when they ’ re wrong. Most troubling, they reinforce discrimination—propping up the lucky, punishing the downtrodden, and undermining our democracy in the process.

GARRISON'S CREED is a romantic suspense, military romance novel by New York Times bestselling author Cristin Harber. A SPY RUNNING FOR HER LIFE Nicola is an injured CIA agent on the run from a failed undercover operation. Her escape plan shatters when she slams into the man who buried her a decade ago. Cash Garrison. Her first and only love. Now, sexier than her best memory and cradling a sniper's rifle, he has questions she can't answer. Why was she alive? And armed? AND THE MAN SHE COULD NEVER SEE AGAIN Cash is an elite member of a black ops organization, The Titan Group. He thought Nicola died his senior year of college and swore off love to focus on a decade of military missions. But when she shows up behind enemy lines, bleeding out and wielding a weapon, his heart and mind are unsure how to proceed. BATTLE BETRAYAL TO SAVE THEMSELVES Titan and the CIA join forces to uncover a mole hidden in a network of international terrorists and homegrown mobsters, teaming Cash and Nicola again. They fight old wounds and re-ignite sparks while closing in on a double agent. When disaster strikes, Nicola's hidden past makes her the hunted target and Cash's best kill shot may not be enough to save them. "5 out of 5! This is a box set containing Delta: Retribution and the Only series. Delta: Retribution is the first title in the new Delta series, a spin off from the Titan series.

Fallen Navy SEAL and Titan Group's Delta recruit Trace Reeves wants nothing more than a one-night stand to forget that his twin brother was killed-in-action. But when his one-time fling becomes his high value target, the lines blur between her rescue mission and saving himself. The Only series: Grayson Ford and Emma Kinglsey--close since they were kids, opposites in every way. He's the stuff high school crushes are made of, Mister Popular, and captain of every team. She's artsy, cute, and not in his league, though fully aware of Summerland's "I Dream of Dating Grayson Ford" support group. I can't say no. The girl's had my heart since before I knew it went missing. He hides a life of hell. His father hates him, his mother's gone. Emma is his only savior, yet she doesn't know her power over him. She's the only girl he wants, the only one he could ever tell--though he won't. I'm stronger, bigger, more of a man than he'll ever be, but because I ruined his life, I've taken his crap, his attacks, the vulgar nature of his existence. Until she discovers Gray's embarrassment, his humiliation. Emma fights for him and for a chance. Theirs is a Cinderella story that she believes impossible. But as the layers peel back, it's just a guy who needs a girl in order to keep breathing. My mind is already doodling Mrs. Grayson Ford in imaginary notebooks. He has no clue where my head is at... But, given that I didn't see what just happened coming, maybe I have no clue where his head is at either.

"I can't shake the feeling that somebody's watching me." One second Ella Leighton's life was normal—the next, not so much. A social media maven who made her living saving sea turtles, the decision to join a reality TV show was a good one for the cause. But for her... the adjustment wasn't easy. Her publicist used phrases like online personality. An overnight celebrity. Everyone explained that was why she couldn't shake the feeling. But none of their excuses could explain the letters. The pictures. And then her stalker crossed the line, triggering the demand for security. Bishop O'Kane didn't expect to come face-to-face with his ex-girlfriend when Titan sent him on bodyguard duty. The woman he once loved, the same one he walked away from years ago, was now his responsibility. Opposites in every way, they couldn't be more different, but maybe they had never needed each other more. With the FBI falling short in their investigation, the Titan team must rally around the woman with millions of followers, protecting her from her own as Bishop and Ella forge a path of second chances and forgiveness, unburying the past in order to survive.
