Suzanna Miller must give up her baby to give him the best life. Can she ever find the forgiveness that would heal her heart? Suzanna Miller made a silly mistake. She fell for a man on her rumspringa and believed his lies. Now she has no money and a baby to keep. One she wants to raise in the Amish faith. When she leaves the baby at a couple's home, she wonders if she will ever see him again? Faith's Creek is a wonderful Amish community. She knows her baby will be loved and given everything she cannot give him. Once she has seen him taken inside, she walks away. Accepting a ride in the buggy of Sarah Belier could be the best decision she has ever made. Journey with Suzanna as she rediscovers her faith and learns that forgiveness is there for all.

[Ampeg: The Story Behind the Sound](#) Lulu.com

(Book). Ampeg: The Story Behind the Sound tells the tale of this extraordinary company on its 50th anniversary, weaving together the American success story of the company founder, the role of key inventors and inventions, and the development of innovative music equipment products all against the backgrounds of American pop music and corporate competition in the music industry. Many Ampeg endorsees are profiled, including: Johnny Smith, James Jamerson, Donald "Duck" Dunn, Gary Karr, Victor Wooten, Bill Wyman, Jason Newsted, Michael Anthony and more. The result provides something of interest to musicians, collectors, and those who lived part of the history. Includes more than 200 photos and a color section.

Amps! Abrams

The creator of a revolutionary new racetrack-betting technique that calculates a horse's speed in previous races offers an understandable, anecdotal explanation of how to use these figures to win at the track, in a new edition of the classic handicapping guide. Reprint.

Blues Soloing for Guitar, Volume 1: Blues Basics Mel Bay Publications

For lovers of Alexander McCall Smith, Nicholas Drayson introduces the charming Mr Malik and the East African Ornithological Society in A Guide to the Birds of East Africa. Reserved, honourable Mr Malik. You wouldn't notice him in a Nairobi street - except, perhaps, to comment on his carefully sculpted comb-over - but beneath his unprepossessing exterior lie a warm heart and a secret passion. Not even his closest friends know it, but Mr Malik is head-over-heels in love with the leader of the local Tuesday-morning bird walk, Rose Mbikwa. Little can he imagine the hurdles that lie before him. Even as he plucks up the courage to ask for Rose's hand, thieves, potential kidnappers and corrupt officials, not to mention one particularly determined love rival, seem destined to thwart Mr Malik's chances. Will an Indian gentleman in the heart of Africa be defeated by the many obstacles that stand between him and his heart's desire? Or will honour and decency prevail? 'A funny, ingenious and touching love story' Joanne Harris, The Times 'A delightful comedy... It invites comparison to The No.1 Ladies' Detective Agency books, but it's original and, if anything, has more depth' Daily Mail 'Sweet, charming and utterly wonderful on the subject of birds' Metro Nicholas Drayson was born in England and has lived in Australia since 1982, where he studied zoology and a PhD in 19th century Australian natural history writing. He has worked as a journalist in the UK, Kenya and Australia, writing for publications such as the Daily Telegraph and Australian Geographic. He is the author of three other novels, Confessing a Murder, Love and the Platypus and A Guide to the Beasts of East Africa.

Slap Bass Bible Parragon Publishing India

" Remarkable personal journals . . . revealing the combat experience of the German-Russian War as seldom seen before . . . a harrowing yet poignant story " (Military Times). Hans Roth was a member of the anti-tank panzerjager battalion, 299th Infantry Division, attached to the Sixth Army, as the invasion of Russia began. As events transpired, he recorded the tension as the Germans deployed on the Soviet frontier in June 1941. Then, a firestorm broke loose as the Wehrmacht tore across the front, forging into the primitive vastness of the East. During the Kiev encirclement, Roth ' s unit was under constant attack

as the Soviets desperately tried to break through the German ring. At one point, after the enemy had finally been beaten, a friend serving with the SS led him to a site—possibly Babi Yar—where he witnessed civilians being massacred. After suffering through a brutal winter against apparently endless Russian reserves, his division went on the offensive again when the Germans drove toward Stalingrad. In these journals, attacks and counterattacks are described in you-are-there detail. Roth wrote privately, as if to keep himself sane, knowing his honest accounts of the horrors in the East could never pass Wehrmacht censors. When the Soviet counteroffensive of winter 1942 begins, his unit is stationed alongside the Italian 8th Army, and his observations of its collapse, as opposed to the reaction of the German troops sent to stiffen its front, are of special fascination. Roth ' s three journals were discovered many years after his disappearance, tucked away in the home of his brother. After his brother ' s death, his family discovered them and sent them to Rosel, Roth ' s wife. In time, Rosel handed down the journals to Erika, Roth ' s only daughter, who had emigrated to America. Roth was likely working on a fourth journal before he was reported missing in action in July 1944. Although his ultimate fate remains unknown, what he did leave behind, now finally revealed, is an incredible firsthand account of the horrific war the Germans waged in Russia.

Lawyers in Hell Hal Leonard Corporation

(Book). Electric guitar players can choose from a library full of guitar books, but comparatively little has been written about the other 50% of the electric guitar: the amplifier. This book takes a giant step toward redressing the balance, providing the first overall view of amp-dom, including: how amps work, profiles of the major manufacturers, 'transistor dinosaurs' and their place in amp history, reissues vs. vintage amps, and troubleshooting. Terms are defined in the margin as they are introduced, and plenty of photos and diagrams illuminate the text.

Prebles' Artforms Hal Leonard

Celebrating the sesquicentennial anniversary of the completion of the first transcontinental railroad in the United States, After Promontory: One Hundred and Fifty Years of Transcontinental Railroading profiles the history and heritage of this historic event. Starting with the original Union Pacific—Central Pacific lines that met at Promontory Summit, Utah, in 1869, the book expands the narrative by considering all of the transcontinental routes in the United States and examining their impact on building this great nation. Exquisitely illustrated with full color photographs, After Promontory divides the western United States into three regions—central, southern, and northern—and offers a deep look at the transcontinental routes of each one. Renowned railroad historians Maury Klein, Keith Bryant, and Don Hofsommer offer their perspectives on these regions along with contributors H. Roger Grant and Rob Krebs.

The Chinery Collection Lonely Planet

Ladybugs, snails, and butterflies! Oh my! This charming introduction to ten garden bugs, paired with friendly text and bold, basic patterns, provides a great high-contrast experience for young developing eyes. Newborns cannot fully recognize colors, so the sharp contrast between black and white patterns and illustrations allows babies to follow along and make connections to the real world, an important building block for communication skills. Using simple greetings like " Hello, bumblebee" and " Good to see you, dragonfly " alongside black-and-white art by Julissa Mora, Hello, Garden Bugs is the perfect board book for babies just beginning to look around and learn about their world. Featured in Omnivoracious. Also available: Hello, Baby Animals and Hello, Ocean Friends. Coming soon: Hello, My World.
