Two Old Women Hatchet

Teaching literature unit based on the popular children's story, Hatchet.

An Index to All the Reported Cases, Statutes and General Orders Teacher Created Materials

In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions.

In every section, we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check

students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: *The Adventures of Huckleberry Finn*, written by Mark Twain, is the classic story of a young boy who travels down the Mississippi on a raft with a runaway slave. The story begins with Huck Finn and Tom Sawyer, who have each earned themselves \$6,000. Feeling restless, Huck yearns for the freedom he once had before finding himself under the care of the Widow

Douglas. He is then taken away by his estranged father, who sets his sights on Huck's newfound fortune. Huck soon runs away, setting off down the Mississippi River, where he befriends a runaway slave named Jim. During their journey, they encounter many characters and hardships that threaten their freedom. The Adventures of Huckleberry Finn is a classic tale of freedom, society, and social prejudices. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.

"Should appeal to all rugged individualists who dream of escape to the forest."—The New York Times Book Review Sam Gribley is terribly unhappy living in New York City with his family, so he runs away to

the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. "An extraordinary book . . . It will be read year after year." —The Horn Book

Avoiding the Hatchet Man Anchor Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own

adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America's best-loved novels by PBS's The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

For fans of *Old Yeller* and *Shiloh*, *Where the Red Fern Grows* is a beloved classic that captures the powerful bond between man and man's best friend. This special edition includes new material, including a note to readers from Newbery Medal winner and Printz Honor winner Clare Vanderpool, a letter from Wilson Rawls to aspiring writers, original jacket artwork, and more. Billy has long

dreamt of owning not one, but two dogs. So when he's finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he's ecstatic. It's true that times are tough, but together they'll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan's brawn, Little Ann's brains, and Billy's sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair. I can't even go on without getting a little misty." -The Huffington Post "We tear up just thinking about it." -Time on the film adaptation

The Giver Teacher Created Materials

The Great Fire of 1871 was one of most colossal disasters in American history. Overnight, the flourishing city of Chicago was transformed into a smoldering wasteland. The damage was so profound that few people believed the city could ever rise again. By weaving

personal accounts of actual survivors together with the carefully researched history of Chicago and the disaster, Jim Murphy constructs a riveting narrative that recreates the event with drama and immediacy. And finally, he reveals how, even in a time of deepest despair, the human spirit triumphed, as the people of Chicago found the courage and strength to build their city once again.

Strengthen your students' literacy skills by implementing this high-interest resource in your classroom!

Tracker Harper Collins
Living with his little brother, Fudge, makes Peter Hatcher feel like a fourth grade nothing. Whether Fudge

is throwing a temper tantrum in a shoe store, smearing smashed potatoes on walls at Hamburger Heaven, or scribbling all over Peter's homework, he's never far from trouble. He's a two-year-old terror who gets away with everything—and Peter's had enough. When Fudge walks off with Dribble, Peter's pet turtle, it's the last straw. Peter has put up with Fudge too long. How can he get his parents to pay attention to him for a change?

Brian's Winter Simon and Schuster

NATIONAL BESTSELLER "Elie Honig has written much more than a compelling takedown of an unfit attorney general; he also offers a blueprint for how impartial and apolitical justice should be administered in America."—Preet Bharara "An essential analysis for anyone committed to understanding the abuses of the Trump administration so we can ensure they never happen again."—Joyce White Vance "Essential reading for all who cherish the rule of law in America."—George Conway "Written with all the color

and pacing of a legal thriller."—Variety CNN Senior Legal Analyst Elie Honig exposes William Barr as the most corrupt attorney general in modern U.S. history, with stunning new scandals bubbling to the surface even after Barr's departure from office. In *Hatchet Man*, former federal prosecutor Elie Honig uncovers Barr's unprecedented abuse of power as Attorney General and the lasting structural damage done to the Justice Department. Honig uses his own experience as a prosecutor at DOJ to show how, as America's top law enforcement official, Barr repeatedly violated the Department's written rules, and those vital, unwritten norms and principles that comprise the "prosecutor's code." Barr was corrupt from the beginning. His first act as AG was to distort the findings of Special Counsel Robert Mueller, earning a public rebuke for his dishonesty from Mueller himself and, later, from a federal judge. Then, Barr tried to manipulate the law to squash a whistleblower's complaint about Trump's

dealings with Ukraine—the report that eventually led to Trump’s first impeachment. Barr later intervened in an unprecedented manner to undermine his own DOJ prosecutors on the cases of Michael Flynn and Roger Stone, both political allies of the President. And then Barr fired the U.S. Attorney for the Southern District of New York under false pretenses. Finally, Barr amplified baseless theories about massive mail-in ballot fraud, pouring gasoline on the dumpster fire battle over the 2020 election results and contributing to the January 6 insurrection that led to Trump’s second impeachment. In *Hatchet Man*, Honig proves that Barr trampled the two core virtues that have long defined the department and its mission: credibility and independence - ultimately in service of his own deeply-rooted, extremist legal and personal beliefs. Honig shows how Barr corrupted the Justice Department and explains what we must do to prevent this from ever happening again.

Hatchet Laurel Leaf

Guess what -- Gary Paulsen was being kind to Brian. In *Guts*, Gary tells the real stories behind the Brian books, the stories of the adventures that inspired him to write Brian Robeson's story: working as an emergency volunteer; the death that inspired the pilot's death in *Hatchet*; plane crashes he has seen and near-misses of his own. He describes how he made his own bows and arrows, and takes readers on his first hunting trips, showing the wonder and solace of nature along with his hilarious mishaps and mistakes. He shares special memories, such as the night he attracted every mosquito in the county, or how he met the moose with a sense of humor, and the moose who made it personal. There's

a handy chapter on "Eating Eyeballs and Guts or Starving: The Fine Art of Wilderness Nutrition." Recipes included. Readers may wonder how Gary Paulsen survived to write all of his books -- well, it took guts.

A commentary, critical and explanatory, on the Old and New Testaments, by R. Jamieson, A.R. Fausset and D. Brown. (Portable comm.). Teacher

Only thirteen, John must track a deer in the Minnesota woods for his family's winter meat, and in doing so finds himself drawn to the doe who leads him and hating his role as hunter.

Journey to the Center of the Earth Lit Link Gr. 7-8

Gallopage International
Based on an Athabascan Indian legend passed along for many generations from mothers to daughters of the upper Yukon River Valley in Alaska, this is the suspenseful, shocking, ultimately inspirational tale of two old women abandoned by their tribe during a brutal winter famine. Though these women have been known to complain more than contribute, they now must either survive on their own or die trying. In simple but vivid detail, Velma Wallis depicts a landscape and way

of life that are at once merciless and starkly beautiful. In her old women, she has created two heroines of steely determination whose story of betrayal, friendship, community and forgiveness "speaks straight to the heart with clarity, sweetness and wisdom" (Ursula K. Le Guin). *The Great Fire* HarperCollins The corresponding Teacher's Guide is a page-by-page supplementary resource that gives you additional activities to enhance the student's learning opportunities by using cross-

written, a book that will, as intended, please the readers who hoped that Paulsen, like Brian, would 'do it again.'" -Kirkus Reviews Read all the Hatchet Adventures! Brian's Winter The River Brian's Return Brian's Hunt

Where the Red Fern Grows

Scholastic Inc.

Winner of the Pulitzer Prize and the National Book Award, this #1 New York Times bestseller chronicles a young slave's adventures as she makes a desperate bid for freedom in the antebellum South. The basis for the acclaimed original Amazon Prime Video series

directed by Barry Jenkins. Cora is a slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood—where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman's will to escape the horrors of bondage—and a powerful meditation on the history we all share. Look for Colson Whitehead's bestselling new

novel, Harlem Shuffle!

Hatchet - Literature Kit Gr.

5-6 Simon and Schuster

With unemployment at its highest in decades, employees are in need of an ally.

Avoiding the Hatchet Man fills this role by offering simple but proven techniques to help employees save their jobs. For those who already are unemployed, road maps designed to identify and assist in obtaining what is rightfully theirs and to guide them in making smart health benefits decisions are provided. Written by the guy known as the "Hatchet Man" for orchestrating

job eliminations across the board in all sectors for more than two decades, author Patrick Connor reveals inside information that will empower employees to regain control of their destiny in the work environment. By giving you the full scoop, you will learn how modifying everyday interactions with your manager can strengthen your job security and, in the event you're unemployed, how you can protect yourself from company exploitation. Avoiding the Hatchet Man evens the field with real-life examples of employees who played the game correctly to stay employed. It

also helps you understand what Chicago.
