"To know things, for us to know things, is bad for them. We get to wanting and when we get to wanting it's bad for them. They thinks we want what they got That's

why they don't want us reading." -- Nightjohn "I didn't know what letters was, not what they meant, but I thought it might be something I wanted to know. To learn."--Sarny Sarny, a female slave at the Waller plantation, first sees Nightjohn when he is brought there with a rope around his neck, his body covered in scars. He had escaped north to freedom, but he came back--came back to teach reading. Knowing that the penalty for reading is dismemberment Nightjohn still returned to slavery to teach others how to read. And twelve-year-old Sarny is willing to take the risk to learn. Set in the 1850s, Gary Paulsen's groundbreaking new novel is unlike anything else the award-winning author has written. It is a meticulously researched, historically accurate, and artistically crafted portrayal of a grim time in our nation's past, brought to light through the personal history of two unforgettable characters.

Out of My Mind Carson-Dellosa Publishing

A critically acclaimed tearjerker from a master storyteller: On one side of the border is brutality and heartache; on the other side--a new life. 14yo Manny is an orphan in Juarez, Mexico. He competes with his bigger, meaner rivals for the coins American tourists throw off the bridge between Texas and his town. Across that heavily guarded bridge await a different world and a better existence. On the night when Manny dares the crossing--through the muddy shallows of the Rio Grande, past

the searchlights and the border patrol--the young man encounters an old stranger who could prove to be an ally or an enemy. Manny can't tell for certain. But if he is to achieve his dream, then he must be willing to risk everything--even his life. Hatchet Simon and Schuster

Based on an Athabascan Indian legend passed along for many generations from mothers to daughters of the upper Yukon River Valley in Alaska, this is the suspenseful, shocking, ultimately inspirational tale of two old women abandoned by their tribe during a brutal winter famine. Though these women have been known to complain more than contribute, they now must either survive on their own or die trying. In simple but vivid detail, Velma Wallis depicts a landscape and way of life that are at once merciless and starkly beautiful. In her old women, she has created two heroines of steely determination whose story of betrayal, friendship, community and forgiveness "speaks straight to the heart with clarity, sweetness and wisdom" (Ursula K. Le Guin).

Celebrate the thirtieth anniversary of the Newbery Honor – winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Brian's Return Scholastic Inc.

Relates the story of a sixteen-year-old boy who finds employment as a migrant laborer and carnival worker after running away from home.

Hatchet, [by] Gary Paulsen, with Connections Simon and Schuster

Instead of being rescued from a plane crash, as in the author's book "Hatchet," this story portrays what would have happened to Brian had he been forced to survive a winter in the wilderness with only his survival pack and hatchet.

For fans of Hatchet and Island of the Blue Dolphins comes Theodore Taylor's classic bestseller and Lewis Carroll Shelf Award winner, *The Cay*. Phillip is excited when the Germans invade the small island of Curaçao. War has always been a game to him, and he's eager to glimpse it firsthand – until the freighter he and his mother are traveling to the United States on is torpedoed. When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion is an old West Indian, Timothy. Phillip remembers his mother's warning about black people: "They are different, and they live differently." But by the time the castaways arrive on a small island, Phillip's head injury has made him blind and dependent on Timothy. "Mr. Taylor has provided an exciting story... The idea that all humanity would benefit from this special form of color blindness permeates the whole book... The result is a story with a high ethical purpose but no sermon." —New York Times Book Review "A taut tightly compressed story of endurance and revelation... At once barbed and tender, tense and fragile—as Timothy would say, 'outrageous good.'" —Kirkus Reviews * "Fully realized setting... artful, unobtrusive use of dialect... the representation of a hauntingly deep love, the poignancy of which is rarely achieved in

children's literature." —School Library Journal, Starred "Starkly dramatic, believable and compelling." —Saturday Review "A tense and moving experience in reading." —Publishers Weekly "Eloquently underscores the intrinsic brotherhood of man." —Booklist "This is one of the best survival stories since Robinson Crusoe." —The Washington Star · A New York Times Best Book of the Year · A School Library Journal Best Book of the Year · A Horn Book Honor Book · An American Library Association Notable Book · A Publishers Weekly Children's Book to Remember · A Child Study Association's Pick of Children's Books of the Year · Jane Addams Book Award · Lewis Carroll Shelf Award · Commonwealth Club of California: Literature Award · Southern California Council on Literature for Children and Young People Award · Woodward School Annual Book Award · Friends of the Library Award, University of California at Irvine

The Literature for Learning Standards-Based Study Guide was developed to help bring back the joy of reading novels into the classroom. This study guide uses an entire novel rather than an abridged version to teach students the fundamentals of reading, writing, and grammar as a primary or secondary source for learning many of the content standards in language arts. This study guide provides practice activities to help students improve reading comprehension skills, increase vocabulary, develop essay organizational and writing skills, and improve spelling, grammar, and punctuation skills within the context of the novel. The format of the study guide is modeled after the types of questions commonly found on standardized tests. This format is stylized in a comparable layout and contains similar terminology used in state and national standardized tests so that students become familiar with the types of questions on which they will be tested, based on their grade-level standards.

Are you thinking of having your class read Gary Paulsen's novel, *HATCHET*? Do you need worksheets to assess students' comprehension for each chapter? If yes, the mega 225-page novel study may be of help to you! As a teacher, I was reluctant to read *Hatchet* to my class, but changed my mind after reading the novel. Some students may love to read about characters having daring adventures in a wilderness setting. *HATCHET* is a real page-turner and will keep students wanting to read more when their other work is done! It is a Canadian story about a thirteen year-old boy who flies north to visit his father for the summer. He has a big secret and it affects him deeply. During the flight north, something happens inside the bush plane and the protagonist is challenged to make a life

defying decision. *HATCHET* is truly a "Coming-of-age" and Bildungsroman novel. What happens to the main character will stir and stay with readers long after they finish the last page. This novel study carefully deconstructs each chapter and pulls from the text information that will cause students to think about their own lives in comparison. There are various types of questions that utilize Howard Gardner's Intelligences, prompt online internet research, stimulate classroom discussions and encourage higher-level learning. Students learn to analyze, synthesize and sift data by filling in the blanks, circling true or false questions, selecting from a multiple choice, or providing his/her personal opinion. It is an excellent novel study for your upcoming term!
