For fans of *Hatchet* and *Island of the Blue Dolphins* comes Theodore Taylor's classic bestseller and Lewis Carroll Shelf Award winner,

The Cay. Phillip is excited when the Germans invade the small island of Curaçao. War has always been a game to him, and he's eager to glimpse it firsthand—until the freighter he and his mother are traveling to the United States on is torpedoed. When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion is

an old West Indian, Timothy Phillip remembers his mother's warning about black people: "They are different, and they live differently." But by the time the castaways arrive on a small island, Phillip's head injury has made him blind and dependent on Timothy. "Mr. Taylor has provided an exciting story...The idea that all humanity would benefit from this special form of color blindness permeates the whole book...The result is a story with a high ethical purpose but no sermon."—New York Times Book Review "A taut tightly compressed story of endurance and revelation...At once barbed and tender, tense and fragile—as Timothy would say, 'outrageous good.'"—Kirku Reviews *

"Fully realized settling...artful, unobtrusive use of dialect...the representation of a hauntingly deep love, the poignancy of which is rarely achieved in children's literature."—School Library Journal, Starred "Starkly dramatic, believable and compelling."—Saturday Review "A tense and moving experience in reading."—Publishers

"To know things,

for us to know things, is bad for them. We get to wanting and when we get to wanting it's bad for them. They think we want what they got That's why they don't want us reading." -- Nightjohn "I didn't know what letters was, not what they meant, but I thought it might be something I wanted to know. To learn."--Sarny Sarny, a female slave at the Waller plantation, first sees Nightjohn when he is brought there with a rope around his neck, his body covered in scars. He had escaped north to freedom,

but he came back--came back to teach reading. Knowing that the penalty for reading is dismemberment Nightjohn still returned to slavery to teach others how to read. And twelve-year-old Sarny is willing to take the risk to learn. Set in the 1850s, Gary Paulsen's groundbreaking new novel is unlike anything else the award-winning author has written. Bud, Not Buddy

The Rosen Publishing Group, Inc
This stunning New York Times Bestseller from the survival story master, set along a rugged coastline centuries ago, does for the ocean what Hatchet does for the woods, as it relates the story of a young person's battle to stay alive against the odds, where the high seas meet a coastal wilderness. When a deadly plague reaches the small fish camp where he

lives, an orphan named Leif is forced to take to the water in a cedar canoe. He flees northward, following a wild, fjord-riven shore, navigating from one danger to the next, unsure of his destination. Yet the deeper into his journey he paddles, the closer he comes to his truest self as he connects to “the heartbeat of the ocean . . . the pulse of the sea.” With hints of Nordic mythology and an irresistible narrative pull, Northwind is

On the last day of a sea kayaking trip in southeast Alaska, fourteen-year-old Andy Galloway paddles away from his group to visit the nearby site where his archaeologist father died trying to solve the mystery of the first Americans. A sudden, violent storm blows Andy's

kayak off course and washes him ashore on Admiralty Island, an immense wilderness known as the Fortress of the Bears. Struggling to survive, Andy encounters a dog running with wolves and then a man toting a stone-tipped spear. The wild man vanishes into the forest, but the dog reappears and leads Andy to a cave filled with Stone Age tools and weapons. Running for his life, Andy retreats deep into the cave,

where danger, suspense, and discovery await. *30th Anniversary Edition* Teacher Created Materials Use this guide to explore this Newbery Honor Book about a boy who must learn to survive in the wilderness with only the help of his hatchet. kind to Brian. In

real stories behind
the Brian books,
the stories of the

that inspired the
