“ An intriguing odyssey ” though the history of the self and the rise of narcissism (The New York Times). Self-absorption, perfectionism, personal branding—it wasn ’ t always like this, but it ’ s always been a part of us. Why is the urge to look at ourselves so powerful? Is there any way to break its spell—especially since it doesn ’ t necessarily make us better or happier people? Full of unexpected connections among history, psychology, economics, neuroscience, and more, *Selfie* is a “ terrific ” book that makes sense of who we have become (NPR ’ s On Point). Award-winning journalist Will Storr takes us from ancient Greece, through the Christian Middle Ages, to the self-esteem evangelists of 1980s California, the rise of the “ selfie generation, ” and the era of hyper-individualism in which we live now, telling the epic tale of the person we all know so intimately—because it ’ s us. “ It ’ s easy to look at Instagram and selfie-sticks and shake our heads at millennial narcissism. But Will Storr takes a longer view. He ignores the easy targets and instead tells the amazing 2,500-year story of how we ’ ve come to think about our selves. A top-notch journalist, historian, essayist, and sleuth, Storr has written an essential book for understanding, and coping with, the 21st century. ” —Nathan Hill, New York Times bestselling author of *The Nix* “ This fascinating psychological and social history . . . reveals how biology and culture conspire to keep us striving for perfection, and the devastating toll that can take. ” —The Washington Post “ Ably synthesizes centuries of attitudes and beliefs about selfhood, from Aristotle, John Calvin, and Freud to Sartre, Ayn Rand, and Steve Jobs. ” —USA Today “ Eminently suitable for readers of both Yuval Noah Harari and Daniel Kahneman, *Selfie* also has shades of Jon Ronson in its subversive humor and investigative spirit. ” —Bookseller “ Storr is an electrifying analyst of Internet culture. ” —Financial Times “ Continually delivers rich insights . . . captivating. ” —Kirkus Reviews **Haunted Heartland** Macmillan

Part sinister fairy tale, part gothic horror, this debut novel pulls back the curtain on the celebrity chef’s kitchen, revealing a disturbing world of ambition and brutality. Killian Lone comes from a long line of gifted cooks stretching back to the 17th century, and he yearns to become a famous chef himself. When he starts an apprenticeship under Max Mann, the most famous chef in London, he looks set to continue the family tradition. But the reality of kitchen life is brutal. Even his fellow apprentice, Kathryn, who shows Killian uncharacteristic kindness, can’t stop him being sucked into the vicious and debauched world of 1980s fine dining; and gradually he is forced to surrender his dream. Then he discovers a dark family secret – the legacy of an ancestor who was burnt as a witch for creating food so delicious it was said to turn all who tasted it mad. Killian knows he can use this secret to achieve his ambitions and maybe, finally, to win Kathryn’s affections. But is he willing to pay the price?

Mary Ann Winkowski is a renowned paranormal investigator and consultant to the hit television show GHOST WHISPERER. In her book, WHEN GHOSTS SPEAK, she shares what it was like to grow up seeing ghosts. Mary Ann realised she had a gift when she was a little girl, when earth-bound spirits began communicating with her. Since then, she has spent her lifetime helping the departed make peace with whatever kept them from crossing over to the next realm - a loved one, unresolved emotions, a home they couldn’t leave. Mary Ann reveals fascinating details about her many paranormal encounters, as well as advice on how to recognise when you’re not alone, and what to do if you find yourself in the presence of a ghost.

From bestselling author of the remarkable memoir, *The Distance Between Us* comes an inspiring account of one woman’s quest to find her place in America as a first-generation Latina university student and aspiring writer determined to build a new life for her family one fearless word at a time. “Here is a life story so unbelievable, it could only be true” (Sandra Cisneros, bestselling author of *The House on Mango Street*). As an immigrant in an unfamiliar country, with an indifferent mother and abusive father, Reyna had few resources at her disposal. Taking refuge in words, Reyna’s love of reading and writing propels her to rise above until she achieves the impossible and is accepted to the University of California, Santa Cruz. Although her acceptance is a triumph, the actual experience of American college life is intimidating and unfamiliar for someone like Reyna, who is now estranged from her family and support system. Again, she finds solace in words, holding fast to her vision of becoming a writer, only to discover she knows nothing about what it takes to make a career out of a dream. Through it all, Reyna is determined to make the impossible possible, going from undocumented immigrant of little means to “a fierce, smart, shimmering light of a writer” (Cheryl Strayed, author of *Wild*); a National Book Critics Circle Award Finalist whose “power is growing with every book” (Luis Alberto Urrea, Pulitzer Prize finalist); and a proud mother of two beautiful children who will never have to know the pain of poverty and neglect. Told in Reyna’s exquisite, heartfelt prose, *A Dream Called Home* demonstrates how, by daring to pursue her dreams, Reyna was able to build the one thing she had always longed for: a home that would endure.

Saving Grace Farrar, Straus and Giroux

Bastian had to have been the most handsome man that Katherine had ever met. It really was unfortunate that he was also the most stubborn, controlling, downright infuriating jackass she’d ever known as well. Oh, and there was the fact that he was a werewolf – a werewolf who has bitten her. Sixteen-year-old Katherine Mayes had never believed in mythological creatures like werewolves or mermaids – certainly not those sparkly vampires that her friend Abby was

obsessed with. Even when she’s bitten by a massive animal after a reckless night of teenage adventure and her body begins to change in mystifying ways, she can’t force herself to believe in what she’s convinced is impossible. Little does she realize she’s been infected with a disease a little more permanent than the rabies she feels fortunate to have not contracted. Lycanthropy. Her fierce denial is soundly shattered, however, when she is simultaneously saved and kidnapped by Bastian and his pack. Forced to leave small town Iowa behind and adjust to their way of life in a hidden society, Katherine must also deal with fighting the pull she feels towards the man – or wolf, rather – who has bitten her and disrupted her life so completely.
