While some see him as

a "therapist's therapist"
or professor, he is first
and foremost a healer,
encouraging those
around him to improve
their lives to pursue
their individual growth
and development. In the
tradition of a true
Jungian, Hollis teaches,
shares and writes about
what he has
experienced himself.

In *Hauntings*, James
Hollis considers how
we are all governed by
the presence of
invisible forms-
spirits, ghosts,
ancestral and parental
influences, inner
voices, dreams,
impulses, untold
stories, complexes,
synchronicities, and
mysteries-which move

through us, and through history.
