Postcolonial Drama PHI Learning Pvt. Ltd.

These plays represent three phases in the career of the

dramatist Girish Karnad, whose very first play rejected the naturalism then prevalent on the Indian stage. All three are classics of the Indian stage. Tughlaq is a historical play in the manner of the nineteenth-century Parsee theatre. It deals with the tumultuous reign of the medieval Sultan, Muhammad bin Tughlaq, a visionary, a poet and one of the most gifted individuals to ascend the throne of Delhi (who also came to be considered one of the most spectacular failures in history). Hayavadana was one of the first modern Indian plays to employ traditional theatre techniques. The various conventions music, mime, masks, the framing narrative, the mixing of human and non-human worlds - are here used for a simultaneous presentation of alternative points of view, for

alternative analyses of a human problem posed by a story from the Kathasaritsagar. By a supernatural accident, two men have their heads exchanged. The wife of one of them has to decide who is her husband in the new situation and live with the consequences of her decision. In Naga-Mandala, Karnad turns to oral tales, usually narrated by women while feeding children in the kitchen. Two such tales are fused here. The first comments on the paradoxical nature of oral tales in general: they have an existence of their own, independent of the teller, and yet live only when they are passed on from one to another. Ensclosed within this is the story of a girl who makes up tales in order to come to grips with her life. Postcolonial Plays Sarup & Sons

Wedding Album, the latest play written by renowned playwright Girish Karnad, is a hilarious and moving spectacle on the India that we live in today. By presenting the seemingly paradoxical situation of a 'traditional' marriage in a 'modern' Indian, middle-class family, Karnad reveals how particular notions of wealth, well-being, sexual propriety, tradition, and modernity form the basis of middle-class society in contemporary India.

The present book aims at making
detailed study of the influence of
myth in the plays. When he was
writing the play, he pursued the
real situations of society with
different perception. But looking
back, amazes at how precisely the
myth reflected his anxieties. He felt
Society and culture is walking in
the footsteps of myth. But certainly
we cannot come out of it. The
tyranny in the form myth is at
times very terrible. He pictured
certainties which cannot be
evaded and where we can have
exemption according to the
present trend of life. He is well
aware of the paradoxes in human

nature and has thorough
comprehension of Life's little
ironies. Karnad interprets the
ancient theme in modern context,
which are very practical in life. He
finds himself in a world in which
the old spiritual values have been
entirely swept away and new
spiritual ones are yet to be
discovered for the better going of
society.

Yayati, Girish Karnad's first play,
was written in 1960 and won the
Mysore State Award in 1962. It is
based on an episode in the
Mahabharata, where Yayati, one of
the ancestors of the Pandavas, is
given the curse of premature old
age by his father-in-law,
Shukracharya, who is incensed by
Yayati's infidelity. Yayati could
redeem this curse only if someone
was willing to exchange his youth
with him. It is his son, Pooru, who
finally offers to do this for his
father. The play examines the
moment of crisis that Pooru's
decision sparks, and the dilemma
it presents for Yayati, Pooru, and
Pooru's young wife.
