Astra Diesel (04-07) Hatchback, Sport Hatch & Estate with turbo-diesel engines, inc. special/limited editions. Does NOT cover TwinTop models or Easytronic transmission. Diesel: 1.3 litre (1248cc), 1.7 litre (1686cc) & 1.9 litre (1910cc). Vauxhall/Opel Astra and Zafira Petrol Service and Repair Manual Haynes Publishing Auto Repair For Dummies, 2nd Edition (9781119543619) was

previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile

maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author

Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to

save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.
