If you're going to keep your Geo Storm
maintained in any serious way, you are going to
need a Geo Storm Service and Repair Manual.
The repair manual is a comprehensive source
of information about your vehicle. It outlines all
of the different parts in all of the different
systems, all broken out into handy diagrams
and schematics. Since they are now pretty
much out of print, it can be hard to find a Geo
Storm Service and Repair Manual.
