Suddenly, Gaby remembers everything. For a year she believed she was a backpacker chilling out in Pandanus Beach. Working at the library. Getting over the accident that killed her twin brother. Then Rafa came to find her and Gaby discovered her true identity as Gabe: one of the Rephaim. Over a hundred years old. Half angel, half human, all demon-smiting badass and hopelessly attracted to the infuriating Rafa. Now she knows who faked her memories, and how - and why it's all hurtling towards a massive showdown between the forces of heaven and hell.

Waterfall Tundra Books

Mara's brother Soren remembers when his name was Cole. He remembers how he used to play pirate ship with his brothers in the backyard, the taste of his mother's soft and chewy chocolate-chip cookies, and that he rode the number eight bus to get to school.

And he also remembers the night he died. On a dark and windy night, Soren tells Mara about the person who killed him before he chose to live with their family. Mara sets out to investigate her little brother's claims of a past life and discovers that the small tidbits of memory appear to match the life of a boy who was murdered fifteen years ago. As she inserts herself deeper into the life Cole left behind, Mara's world begins to unravel. Those who believe her are worried for her safety, and those that don't are worried for her emotional wellbeing. Confused and frightened, Mara begins a journey deep into the heart of what it means to be alive, what it means to be dead, and everything in-between.

What does it mean to be a man? Moreover, how do you as a father instill that reality in your son? By *Raising a Modern-Day Knight*. The medieval custom of knighthood offers a unique approach to shaping a boy into a strong, godly man. Centuries ago, select boys went through a rigorous, years-long process of clearly defined objectives, goals, and ceremonies—with the hope of achieving knighthood. Along the way, they acquired a boldly masculine vision, an uncompromising code of conduct, and a noble cause in which to invest their lives. They were the heroes of their age. In much the same way, *Raising a Modern-Day Knight* will show how you, too, can confidently guide your son to the kind of authentic, biblical manhood that can change our world. Complete with ceremony ideas to celebrate accomplishments and ingrain them in the mind of a knight-in-training, this resource is as insightful as it is practical in raising a boy to be a chivalrous, godly man.

The cons get twistier and the stakes get higher in this second book of *The Curse Workers* trilogy: "a sleek and stylish blend of urban fantasy and crime noir" (Booklist). Curses and cons. Magic and the mob. In Cassel Sharpe's world, they go

together. Cassel always thought he was an ordinary guy, until he realized his memories were being manipulated by his brothers. Now he knows the truth—he's the most powerful curse worker around. A touch of his hand can transform anything—or anyone—into something else. After rescuing his brothers from Zacharov's retribution and finding out that Lila will never be his, Cassel is trying to reestablish some kind of normalcy in his life. That was never going to be easy for someone from a worker family tied to one of the big crime families, and a mother whose cons get more reckless by the day. But Cassel is also coming to terms with what it means to be a transformation worker and figuring out how to have friends. But normal doesn't last very long—soon Cassel is being courted by both sides of the law and is forced to confront his past. A past he remembers only in scattered fragments and one that could destroy his family and his future. Cassel will have to decide whose side he wants to be on because neutrality is not an option. And then he will have to pull off his biggest con ever to survive. Love is a curse and the con is the only answer in a game too dangerous to lose.

Tear You Apart Simon and Schuster

This biography of the ancient Jewish military leader examines how he mounted a years-long revolt against Rome that changed the course of history. In AD 132, a bloody struggle began between two determined leaders over who would rule Judea. One was the powerful Roman Emperor Hadrian, who some regarded as divine. The other was Shim'on—known today as Bar Kokhba—a Jewish military commander in a district of a minor province, who some believed to be the 'King Messiah'. In Bar Kokhba, ancient historian Lindsay Powell examines the clash between these two men, and the two ancient cultures they represented. In the ensuing conflict, the Jewish militia resisted the onslaught of the professional Roman army for three-and-a-half years. They established an independent nation with its own administration, headed by Shim'on as its president. The outcome of that David and Goliath contest was of great consequence, both for the people of Judaea and for Judaism itself. Drawing on archaeology, art, coins, inscriptions, militaria, as well as secular and religious documents, Lindsay Powell sheds light on Bar Kokhba's singular life and legacy. She also describes her personal journey across three continents to establish the facts.

If you like Fiona Wood, Cath Crowley or Jaclyn Moriarty, you'll love Christine Bongers' gripping new coming of age story, Intruder. I don't walk past the house next door. I wish the woman who lives in it was dead. Which makes it hard . . . because she was the one who came running when I screamed. Kat Jones is woken by an intruder looming over her bed. She's saved by Edwina — the neighbour Kat believes betrayed her dying mother. Her dad issues an ultimatum. Either spend nights next door, or accept another intruder in her life — Hercules, the world's ugliest guard dog. It's a no-brainer, even for dog-phobic Kat. When she meets adorkable Al at the dog park, finally Kat has someone to talk to, someone who cares. But the prowler isn't finished with Kat. To stop him, she needs Edwina's help . . . and what Kat learns could mend fences — or break her fragile family apart forever. WINNER, Davitt Award for Best Crime Debut Book 2015 SHORTLISTED, Children's Book Council of Australia Book of the Year - Older Readers 2015 Compass South Tundra Books Eighteen-year-old Julianne De Marchi is different. As in: she has an electrical undercurrent beneath her skin that stings and

surges like a live wire. She can use it—to spark a fire, maybe even end a life—but she doesn't understand what it is. And she can barely control it, especially when she's anxious. Ryan Walsh was on track for a stellar football career when his knee blew out. Now he's a soldier—part of an experimental privatised military unit that has identified Jules De Marchi as a threat. Is it because of the weird undercurrent she's tried so hard to hide? Or because of her mother Angie's history as an activist against bio-engineering and big business? It's no coincidence that Ryan and Jules are in the same place at the same time—he's under orders to follow her, after all. But then an explosive attack on a city building by an unknown enemy throws them together in the most violent and unexpected way. Paula Weston, author of the much-admired Rephaim series, returns with a standalone work: a futuristic thriller that is only slightly futuristic—but utterly and undeniably thrilling. Great writing, heart-burning characters, probing questions about where technology is taking us—and a plot that zips and zings like an electrical current itself. This is a great young-adult writer at the peak of her powers.

From the #1 New York Times bestselling author of the FALLEN series comes WATERFALL, a novel about love, betrayal, and epic consequences—a world-altering tale told by a girl whose tears have the power to raise the lost continent of Atlantis. This second novel in the Teardrop series is intensely romantic, with strong, hot main characters caught up in a thrilling fantastical love triangle. For readers who love Lauren Kate and the worlds of Alyson Noë, P. C. Cast, Maggie Stiefvater, and Veronica Rossi. Eureka's tears have flooded the earth, and now Atlantis is rising, bringing with it its evil king, Atlas. Eureka is the only one who can stop him, but first she must learn how to fight. She travels across the ocean with Cat, her family, and Ander, the gorgeous and mysterious

Seedbearer who promises to help her find Solon, an enigmatic lost Seedbearer who knows how to defeat Atlas. Once on land, Eureka is taunted by gossipwitches, a group of displaced Atlantean sorceresses, and ambushed by locals struggling to survive amid the destruction her tears have wrought. And she feels no closer to facing Atlas or saving the world when Solon lets slip that love is Ander's weakness, and that any affection he feels toward her makes him age faster. Trying to make sense of the dark world her sorrow has created, Eureka receives startling insight from an enchanted pond. Her bewildering reflection reveals a soul-crushing secret: if she's strong enough, Eureka can draw on this knowledge to defeat Atlas—unless her broken heart is just what he needs to fuel his rising kingdom. . . . In Waterfall, Eureka has the chance to save the world. But she'll have to give up everything—even love.
