The New York Times bestselling "Grande Dame of historical mystery" (Washington Post) returns with another thrilling tale of mystery, As the 1921-22 season begins, the Emersons are enjoying a busy period of excavation in Egypt, when they hear a lurid description of a man's mysterious death. His widow is convinced he died of a curse, and implores the Emersons to return the "deadly" little statue that killed him to the tomb from which it was stolen--before it adds her to its list of victims. Clearly, it would be a serious error for the Emersons to start chasing tomb robbers, just when they have finally received permission to return to the Valley of the Kings, from which they were barred several years earlier. But the family soon realizes that the curse may be more real than they ever imagined....and they may be the next victims.

Makenna has a past she'd rather bury deep in her mind. Unfortunately, as the sole guardian for her five siblings, forgetting where they came from isn't possible. All she can hope for is to provide her loved ones the kind of untroubled childhood she'd always dreamed of and keep them far away from where she grew up. Friendships and relationships, especially the romantic variety, don't rank on her priority list. That is until she's introduced to a hot biker whose playful personality and mesmerizing smile would make any woman perk up and take notice, even one with more responsibilities than sense. Thunder has seen it all, done it all, and has no interest in the high maintenance, in-your-face, party girls. Give him a no-frills woman, like the diner's adorable new waitress, who doesn't play games rather than a scantily clad bimbo who manipulates men for sport. Makenna is precisely the kind of fun he needs to celebrate patching with the Hell's Handlers MC. Only he quickly discovers Makenna is a package deal with more baggage than a carefree guy like him can handle. With each passing day, Thunder finds himself increasingly drawn to Makenna despite her mountain of responsibilities and his

distrust of relationships. Even crazier is how some of her siblings are working their way under his skin and into his heart, as is Makenna. Just as Thunder starts thinking about dates and promises, the CDMC roars back into his life. They're responsible for his beloved club brother's death, and he wants nothing more than to make them suffer. When the threats start coming, and Makenna finds herself caught in the crossfire, Thunder will discover exactly the kind of man he is, and how far he's willing to go to keep Makenna and her siblings in his life.

Egypt, 1912—Amelia Peabody and her dashing archeologist husband, Radcliffe Emerson, are once again in danger as they search for a priceless, stolen bust of legendary Queen Nefertiti and Amelia finds herself the target of assassins in this long-awaited, eagerly anticipated final installment of Elizabeth Peters' bestselling, beloved mystery series. Arriving in Cairo for another thrilling excavation season, Amelia is relaxing in a well-earned bubble bath in her elegant hotel suite in Cairo, when a man with knife protruding from his back staggers into the bath chamber and utters a single word—"Murder"—before collapsing on the tiled floor, dead. Among the few possessions he carried was a sheet of paper with Amelia's name and room number, and a curious piece of pasteboard the size of a calling card bearing one word: "Judas." Most peculiarly, the stranger was wearing a gold-rimmed monocle in his left eye. It quickly becomes apparent that someone saved Amelia from a would-be assassin—someone who is keeping a careful eye on the intrepid Englishwoman. Discovering a terse note clearly meant for Emerson—"Where were you?"—pushed under their door, there can be only one answer: the brilliant master of disguise, Sethos. But neither assassins nor the Genius of Crime will deter Amelia as she and Emerson head to the excavation site at Amarna, where they will witness the discovery of one of the most precious Egyptian artifacts: the iconic Nefertiti bust. In 1345 B.C. the sculptor Thutmose crafted the piece in tribute to the great beauty of this queen who was also the chief consort of Pharaoh Akhenaten and stepmother to King Tutankhamun. For Amelia, this excavation season will prove to be unforgettable. Throughout her journey, a parade of men in monocles will die under suspicious circumstances, fascinating new relics will be unearthed, a diabolical mystery will be solved, and a brilliant criminal will offer his final challenge . . . and perhaps be unmasked at last.

[Guardian of the Horizon](#) Grand Central Publishing

NEW YORK TIMES BESTSELLER Continuing the series that began with *A Blaze of Glory*, Jeff Shaara returns to chronicle another decisive chapter in America's long and bloody Civil War. In *A Chain of Thunder*, the action shifts to the fortress city of Vicksburg, Mississippi. There, in the vaunted "Gibraltar of the Confederacy," a siege for the ages will cement the reputation of one Union general—and all but seal the fate of the rebel cause. In May 1863, after months of hard and bitter combat, Union troops under the command of Major General Ulysses S. Grant at long last successfully cross the Mississippi River. They force the remnants of Confederate Lieutenant General John C. Pemberton's army to retreat to Vicksburg, burning the bridges over the Big Black River in its path. But after sustaining heavy casualties in two failed assaults against the rebels, Union soldiers are losing confidence and morale is low. Grant reluctantly decides to lay siege to the city, trapping soldiers and civilians alike inside an iron ring of Federal entrenchments. Six weeks later, the starving and destitute

Southerners finally surrender, yielding command of the Mississippi River to the Union forces on July 4—Independence Day—and marking a crucial turning point in the Civil War. Drawing on comprehensive research and his own intimate knowledge of the Vicksburg Campaign, Jeff Shaara once again weaves brilliant fiction out of the ragged cloth of historical fact. From the command tents where generals plot strategy to the ruined mansions where beleaguered citizens huddle for safety, this is a panoramic portrait of men and women whose lives are forever altered by the siege. On one side stand the emerging legend Grant, his irascible second William T. Sherman, and the youthful "grunt" Private Fritz Bauer; on the other, the Confederate commanders Pemberton and Joseph Johnston, as well as nineteen-year-old Lucy Spence, a civilian doing her best to survive in the besieged city. By giving voice to their experiences at Vicksburg, *A Chain of Thunder* vividly evokes a battle whose outcome still reverberates more than 150 years after the cannons fell silent. Praise for *A Chain of Thunder* "[Jeff] Shaara continues to draw powerful novels from the bloody history of the Civil War. . . . The dialogue intrigues. Shaara aptly reveals the main actors: Grant, stoic, driven, not given to micromanagement; Sherman, anxious, high-strung, engaged even when doubting Grant's strategy. . . . Worth a Civil War buff's attention."—Kirkus Reviews "Searing. . . . Shaara seamlessly interweaves multiple points of view, as the plot is driven by a stellar cast of real-life and fictional characters coping with the pivotal crisis. . . . [A] riveting fictional narrative."—Booklist "Shaara's historical accuracy is faultless, and he tells a good story. . . . The voices of these people come across to the reader as poignantly as they did 150 years ago."—Historical Novels Review "The writing is picturesque and vibrant. . . . [an] engrossing tale."—Bookreporter

**Paradise Lost, Paradise Regained, and Other Poems. the Poetical Works of John Milton** Houghton Mifflin Harcourt

"Passion among the pyramids. Forged antiquities. A country at war. A camel in the garden. A cameo by Lawrence of Arabia. Add in Peters's trademark intelligent plotting, engaging characters, and stylish writing and we can hardly ask for anything more."

—Cincinnati Enquirer One of the most beloved characters in mystery/suspense fiction, archeologist and Egyptologist Amelia Peabody bravely faces gravest peril in Cairo on the eve of World War One in New York Times bestselling *Grandmaster Elizabeth Peters's* magnificent Egyptian adventure, *He Shall Thunder in the Sky*. The San Francisco Examiner calls these heart-racing exploits of Amelia and her courageous family, the Emersons, "pure delight." But perhaps the New York Times Book Review states it best: "Between Amelia Peabody and Indiana Jones, it's Amelia—in wit and daring—by a landslide."
