Head in the Clouds by Karen Witemeyer | Rachelle Rea Cobb  
Karen Witemeyer certainly knows how to create a compelling and enjoyable story.

Full of adventure, romance, tender caresses, passion-filled glances, caring family members, cruel villains, secondary characters and plenty of imagination, Head in the Clouds had everything I look for in a good historical romance.

Head in the Clouds is one of the most obtuse, self-aware books I have ever read. It would be an incredibly satirical novel if it didn't take itself so seriously. Plot Adelaide Proctor (I admit, I loved her name from the start) se This book has been on my to-read shelf since 2011 so when I finally spotted it at the library, I jumped at the chance to knock another book off that shelf.

Head in the Clouds by Karen Witemeyer. My rating: 5 of 5 stars. I’ve been rereading some books on audio while I’m at work. So I thought It might be nice/fun to review those books since I didn’t

when I first read them. So I think one a week I’ll be reviewing a book I’ve reread and for a little while at least I’ll be featuring Karen ...

[Head in the Clouds - Karen Witemeyer](#)

*Head in the Clouds* is a new novel in the Historical Fiction genre, but is actually somewhat of a western romance murder mystery, with a British flair thrown in. As Karen Witemeyer's second book published in 2010 by Bethany House\*, *Head in the Clouds* will definitely give readers a surprise and likely a bit of a scare.
