If you get frequent headaches and migraines like I do, you may find this headache log useful. It was through the use of a headache diary like this one that I finally learned how to mitigate my migraine pain. I'm still trying to figure out all the triggers, so after I ran out of room on my hand-written migraine log I decide to go ahead and create this.

The purpose of migraine diaries is to record information about the attacks of migraine and other headaches. This information is valuable in assisting the doctor with diagnosis, assessing migraine trigger factors and assessing the effectiveness of treatments. We ask all our patients to complete diaries and bring them in for their first appointment.
