A Nazi conspiracy in the heart of modern-day Manhattan—the blockbuster New York Times bestseller that became the classic film thriller. At Columbia University, Thomas “Babe” Levy, a postgrad history student and aspiring marathon runner, is working to clear his late father’s name after the scandal of his suicide, triggered by the McCarthy hearings and accusations of Communist affiliations. In Paraguay, Dr. Christian Szell, former Nazi dentist and protégé of Josef Mengele, has been in exile for decades. Infamous as the “White Angel of Auschwitz,” he’s leaving his South American sanctuary to smuggle a fortune in gems out of New York City. Meanwhile, in London’s Kensington Gardens, an international assassin known only as Scylla has completed a hit. A man with too many secrets and twice as many enemies, Scylla has become a target himself, with only one place left to turn. Then, when Babe’s revered older brother, Doc, pays him a fateful and unexpected visit, it sets in motion a chain of events plunging Babe into a paranoid nightmare of family betrayal, international conspiracy, and the dark crimes of history. Now, the marathon man is running for his life, and closer to answering a single cryptic and terrifying question: “Is it safe?” William Goldman’s Marathon Man was adapted by the author for the award-winning 1976 film starring Dustin Hoffman and Laurence Olivier. Upon its publication, the Washington Post called it “one of the best novels of the year,” and it remains a powerful, horrifying read. In the words of #1 New York Times–bestselling author Harlan Coben: “I found myself racing through it. You could have put a gun to my head, and I wouldn’t have been able to put [Marathon Man] down.” This ebook features a biography of William Goldman.

Geechi Suede and Sonny Cheeba are Camp Lo. These two emcees from the Bronx, NY entered the American hip hop scene with an insider slang that bewildered listeners as they radiated the look of a bygone era of black culture. In 1996, they collaborated with producer Ski and a host of other contributors to create Uptown Saturday Night, featuring the seminal single “ Luchini (a.k.a. This is

It). ” While other 1990s rappers referred to 1970s Blaxploitation culture, Camp Lo were self-described “ time travelers ” who weaved the slang and style of a soulful past into state-of-the-art lyrical flows. Uptown Saturday Night is a tapestry of 1970s black popular culture and 1990s New York City hip hop. This volume will detail how the album's fantastic world of “ Coolie High ” reflected classic films like Cooley High and the Sidney Poitier film from which the album's title is derived, and promoted vintage slang and fashion. The book features new interviews with Camp Lo, producer Ski, Trugoy the Dove from De La Soul, Ish from Digable Planets, and others, and offers musical and cultural analyses that detail the development of the album and its essential contributions to a post-soul aesthetic.

Melissa Ginsburg's *The House Uptown* is an emotional coming-of-age novel about a young girl who goes to live with her eccentric grandmother in New Orleans after the death of her mother Ava, fourteen years old and totally on her own, has still not fully processed her mother's death when she finds herself on a train heading to New Orleans, to stay with Lane, the grandmother she barely remembers. Lane is a well-known artist in the New Orleans art scene. She spends most of her days in a pot-smoke haze, sipping iced coffee, and painting, which has been her singular focus for years. Her grip on reality is shaky at best, but her work provides a comfort. Ava's arrival unsettles Lane. The girl bears an uncanny resemblance to her daughter, whom she was estranged from before her death. Now her presence is dredging up painful and disturbing memories, which forces Lane to retreat even further into her own mind. As Ava and Lane attempt to find their way and form a bond, the oppressive heat and history of New Orleans bears down on them, forcing a reckoning neither of them are ready for.

Dash & Lily meets Ferris Bueller's Day Off in Edward Underhill's new whirlwind rom-com about two queer teens who spend one life-changing day together in New York City. Abby Akerman believes in the Universe. After all, her Midwest high school marching band is about to perform in the Macy's Thanksgiving Day Parade in New York City—if that's not proof that magical things can happen, what is? New York also happens to be the setting of her favorite romance novel, making it the perfect place for Abby to finally tell her best friend Kat that she's in love with her (and, um, gay). She's carefully annotated a copy of the book as a gift for Kat, and she's counting on the Universe to provide an Epic Scene worthy of her own rom-com. Leo Brewer, on the other hand, just wants to get through this trip without falling apart. He doesn't believe the Universe is magical at all, mostly because he's about to be outed to his very Southern extended family on national TV as the trans boy he really is. He's not excited for the parade, and he's even less excited for an entire day of sightseeing with his band. But the Universe has other ideas. When fate throws Abby and Leo together on the wrong subway train, they soon find themselves lost in the middle of Manhattan. Even worse, Leo accidentally causes Abby to lose her Epic Gift for Kat. So to salvage the day, they come up with a new mission: find a souvenir from every location mentioned in the book for Abby to give Kat instead. But as Leo and Abby traverse the city, from the streets of Chinatown to the halls of Grand Central Station and the top of the Empire State Building, their initial expectations for the trip—and of each other—begin to shift. Maybe, if they let it, this could

be the day that changes everything, for both of them.

But Now I See is the dramatic story of a Vietnam veteran turned Protestant minister, who wrestles with questions about guilt and about forgiveness, who gets it and who doesn't? Rev. Will McKenzie ministers to a large congregation among the elegant but decadent society of pre-Katrina New Orleans. When a member of his congregation murders her unfaithful husband, Will's wartime flashbacks accelerate, pressing him to face his own inner conflicts and driving him to resolve guilt for what he did

during the war and guilt for surviving when others died. As he struggles, Will encounters repeated lures from a seductive church member, the unending demands of his congregation, and his own brush with emotional breakdown. The novel offers spiritual and psychological insights into our human nature and the dynamics of guilt and forgiveness. Written with dry humor amid life's unflinching realism, the narrative lures the reader deeper and deeper into the essence of human existence. Will's inner transformation invites us to evaluate our own views of love and acceptance, in the face of guilt and the need for forgiveness. American Consul in a Cretan War A&C Black

Americans responded to the deadly terrorist attacks on September 11, 2001, with an outpouring of patriotism, though all were not united in their expression. A war-based patriotism inspired millions of Americans to wave the flag and support a brutal War on Terror in Afghanistan and Iraq, while many other Americans demanded an empathic patriotism that would bear witness to the death and suffering surrounding the attack. Twenty years later, the war still simmers, and both forms of patriotism continue to shape historical understandings of 9/11's legacy and the political life of the nation. John Bodnar's compelling history shifts the focus on America's War on Terror from the battlefield to the arena of political and cultural conflict, revealing how fierce debates over the war are inseparable from debates about the meaning of patriotism itself. Bodnar probes how honor, brutality, trauma, and suffering have become highly contested in commemorations, congressional correspondence, films, soldier memoirs, and works of art. He concludes that Americans continue to be deeply divided over the War on Terror and how to define the terms of their allegiance--a fissure that has deepened as American politics has

become dangerously polarized over the first two decades of this new century.
