Elementary. Teacher's guide OUP Oxford
New Headway Beginner is aimed at absolute beginners, or those who have learned a little English but lack the confidence to build on it. It provides a solid foundation for New Headway Elementary. Its measured, step-by-step approach builds both skills and confidence. The right mix of language work and plentiful practice material enables

learners to consolidate their knowledge of key points before proceeding further. The clearly defined grammatical syllabus includes past, present and future time and provides a thorough basis on which to build. The presentation of new language is gradual, methodical and clearly structured, giving learners a clear sense of progression. The vocabulary syllabus focuses on high-frequency survival terms and avoids overload. The gradual

introduction of simple skills work with manageable communicative activities give learners a sense of achievement. 'Everyday English' practises social expressions in common situations and shows how learners can apply their knowledge in practical ways.

Heaven is for real, and you are going to like it! Colton Burpo came back from his trip to

heaven with a very important message: Jesus really, really loves children. In an effort to reach even more families with this eternally significant story, this runaway bestseller is now told from Colton-kid to kids! Children will receive the same comfort and assurance that so many adults have received from the trade book. Beautifully illustrated under Colton's direction, he shares his

experiences in first person and comments on things that will be important to kids. A letter to parents is included to guide them as they talk to their children about heaven. Scripture along with a Q&A section with answers from the Bible are also included in the book.
