Healing Touch Kindle Edition - Amazon.co.uk  
Healing Touch was such a sweet, tender, engaging and enjoyable romance. That had two really likable main characters. Who shared plenty of chemistry, and a few hot moments. Not to mention, some banter, fun and a cheating ex. And I'm really glad Brenda Rothert decided to expand and develop this story. And I would happily recommend it to others.

The Review: Deb E. Howell comes out swinging! Her debut novel, Healers Touch is book one in the Touch series and I have to say, I was completely immersed in this thrilling adventure and captivated by these exciting characters. The intriguing and violent world the author creates is unparalleled in its rustic simplicity.
