“ So long, Carrie Bradshaw—there ’ s a new role model for go-getting thirty-somethings. Gabrielle Bernstein is doling out inner peace and self-love for the postmodern spiritual set. ” —Elle Foreword by Marianne Williamson

Before she became a celebrated teacher and lecturer, Gabrielle Bernstein was going down a dangerous path. For years, Bernstein struggled with eating disorders, drug and alcohol abuse, and constant self-doubt and self-loathing. That all changed when she discovered A Course in Miracles, which taught her that much of what she feared in life was not frightening at all and, in many cases, not even real. Now, Bernstein lives an empowered, healthy, and joyful life. In Spirit Junkie, Bernstein guides readers through the life-changing lessons that shaped her spiritual journey: how we become accustomed to fearful ways of thinking, how to recognize and change those thought patterns to make way for bliss, and how to maintain our happiness and share it with the world. By understanding and changing our perceptions, hang-ups will melt away, resentments will release, and a childlike faith in joy will be reignited. Praise for Spirit Junkie “ For those ready to give up their addiction to suffering or who simply need to release the general malaise of a too-busy, too shallow way of life, Spirit Junkie is a soothing balm for the soul. Gabrielle Bernstein is a brilliant shining guide for all who seek to have more love, more light and more miracles in their life. ” —Arielle Ford, author of The Soulmate Secret
