"Heal your life with the help of your angels. Live your dreams and accomplish your every goal!" I believe that the main reason so many people are struggling in life is because we live in a day and age of "logic" and too many of us have strayed away from our spirituality. We're taught that our spiritual beliefs aren't scientific or logical, so we've stopped asking our angels for help and have become blind to their guidance and their immense healing capabilities. So, we keep doing what we're doing, however unfulfilling it is. Starting today all of that can change! Sound too good to be true? Of course it does.

You've been led to believe that making money, losing weight, finding true love, and having a satisfying career are difficult. This whole "it's gotta be hard or it can't possibly work" approach sabotages our best efforts. I'm here to prove otherwise. The reason it is so easy is because you won't be doing it alone this time. Instead, you'll be healing your past and all of your obstacles with the help of your angels. These beings of immense love, light and guidance have always been there for you, but you might not have known how to tap into their energy. Now you will! Within these pages you'll find my own personal experiences with angels and those of some of my clients who have used this guidance. I include easy exercises and explanations for life's most common themes and obstacles then put it all together in a simple "Healing With Your Angels" program designed specifically for you and your personal goals. How to Work with Angels

Ryland Peters & Small

Wings of Forgiveness is a book written for anyone who is ready to release their past and find freedom from fear. Kyle has found through his personal psychic practice and work with the angels that when people are experiencing difficulties, there is one topic that helps click everything else into place — forgiveness.

Forgiveness is not an easy subject, but it is a necessary focus in spirituality and personal growth. In Wings of Forgiveness, the reader is taken on a journey — not outside of themselves, but within. They are encouraged to see and accept that they are held and cherished by the divine, that there are loving angels by their side, and master souls in heaven that have walked the path before them. In order for forgiveness to take place, the healing must begin inside —

then it can start to reflect outwards and into the reader's life. Kyle draws on many spiritual texts, including A Course in Miracles and The Gnostic Gospels, making these sacred concepts more accessible for his 21st Century readers.

Together with the angels, he will show you how to call in the power of heaven to help you forgive, release all that no longer serves you and experience joy and peace. Healing with the Angels Post Hill Press
