GS1160T | Product
Review.com.au
This treadmill is
equipped with a pre-
lubricated, low
maintenance deck
system. The belt/
deck friction may
play a major role in
the function and life
of your treadmill,
thus requiring

periodic lubrication.
We recommend a
periodic inspection of
the deck with
Healthstream
Treadmill lubricant.

The seven Healthstream treadmills range in

minimum and maximum speeds of 0.5 to 12 mph. As an alternative, you can set the display to list the speeds in kilometers. Treadmillreviews.net recommend a maximum speed of at least 10 mph to support the pace of most runners. Models 8800, 810 and 618 have the highest maximum speeds at 12 mph, which will more than accommodate exercisers who run at a ...

Healthstream Gold Series Treadmill Manual
HealthStream treadmills offer

speeds of up to 12 mph, and many models have incline features so you can tailor your run to you. For a more challenging run, you could raise the incline to up to 20 percent and really get your heart rate going. The HealthStream treadmills vary in widths and lengths to ensure that everyone has a safe and comfortable run every time.
