Turning This Thing Around is an inspiring memoir of overcoming personal struggles. This brutally honest, deeply personal account of redemption takes readers on a moving spiritual journey. Confronted with a myriad of obstacles – a debilitating arthritic disease, narcolepsy, anxiety and depression – the author was outwardly happy, but inwardly miserable. Pushed to the lowest point of his life, Maginn shares how he gradually turned things around and used his experiences to grow as a person. Supplemented by heartfelt poetry by the author and with quotes from Gandhi to Dr. Wayne Dyer to Eckhart Tolle, *Turning This Thing Around* has universal themes that speak to nearly everyone, as we all must face challenges as part of being human. It is a self-help memoir of sorts: the author discusses not only what he overcame, but also how he did so – and how others can, too. Unlike many popular memoirs on the market, this is a story that more people can relate to. Maginn was not raised in an eccentric family (Jeannette Walls in *The Glass Castle*, memoirs by Augusten Burroughs), nor did he travel to Italy, India and Indonesia, as Elizabeth Gilbert did in *Eat, Pray, Love*. Rather, *Turning This Thing Around* is a story of a normal young

man's resiliency when battling extraordinary circumstances.

Words from Ms. Torres: “ I take my FAS and turn it in to a teaching tool to help others learn what I go through every day of my life. ” “ If one person listens to what I have to say, then I have done my job. This is what I was born to do. I have won many awards for my work. The awards I've won have been great, but my biggest award is knowing that my message is being delivered and knowing that I might be helping so many people and unborn babies. . If I can prevent one more child from this awful syndrome I will be happy. My ultimate goal is to get the word out there that FAS is 100% preventable. I want everyone to know about the effects of alcohol on the fetus. My advice, my plea, is that you PLEASE, PLEASE do not drink while you are pregnant, even if you plan on giving your baby up for adoption. Let your baby fulfil his or her dreams and live a normal life. For all the fathers to be, you play an important role in this too. You must be

encouraging and supportive. Staying away from alcohol yourself would be helpful. ” What others are saying: Thank you for sending your book to me. I read it all, and I wanted to cry. What a wonderful sacrifice you and your family took on. It is wonderful what you have done and how Chanel has grown and turned out to be a wonderful young lady. You are certainly a very special person blessed by God from the beginning. I love you very much. Aunt Gloria “ Ms. Torres is a true light in a world that needs more education on Fetal Alcohol Syndrome and its effects on unborn children. She has opened doors that will never be shut. She has just begun to educate the nation on Fetal Alcohol Syndrome. ” Deborah Thornton, SEDNET Project Management “ Ms. Torres is the epitome of self-advocacy and embodies strength, resilience, and determination. She is courageous and tireless in her quest to educate others regarding FAS; and is compassionate and determined in her mission to empower and advocate for other young adults with disabilities. ” Barbara Shannon, School Psychologist Last night, I received a copy of Signing with a heavy

hand and heart, Love Mommy: A journey through fetal alcohol syndrome by Mrs Sondra A Torres and Miss Chanel E Torres from Ms. Torres. I opened it and couldn't put it down until I was finished. This story of a young woman living with the effects of fetal alcohol syndrome (a birth defect that is 100% preventable-all pregnant women need to do is not drink when pregnant) is moving, sometimes funny and always inspirational. I quickly grew to care about Chanel and her adoptive family. Ms. Torres creates a vivid picture of what it is like to live with and care for children with special needs. In relatively few words, Torres brings her family to life-its struggles and its joys. The feelings of love and joy are powerfully conveyed while not minimizing the challenges presented in raising a child with FAS. As a teacher and parent I laughed and cried and wished I could meet this brave girl and her loving mother. Torres is compassionate towards all, including birth parents, but my heart breaks for the children who struggle with this disability. It is a daily battle for which there are some effective interventions but no cures. I will say that Ms. Torres left me more hopeful for

these children than my experience as a teacher had-her powerful home environment is definitely a plus for Chanel."CHANEL TORRES IS AVAILABLE FOR SPEAKING ENGAGEMENTS TO BOOK THIS SPEAKER FOR A PRESENTATION, PLEASE GO TO advocatefortheunborn.wordpress.com Hi My Name Is Cj CreateSpace The hum of the machines wasn't what Martice wanted to hear right now but it was a sign that he was getting something done around here.
