The Olympic runner,

run like a bravey sleep like a baby

“Renaissance runner” (New
York Times) Alexi
Pappas—Olympic athlete,
actress, filmmaker, and
writer—was four years old,
her mother died by suicide,
drastically altering the
course of Pappas’s life and
setting her on a search for
female role models. When
her father signed his
bereaved daughter up for
sports teams as a way to
keep her busy, female

athletes became the first
women Pappas looked up
to, and her Olympic dream
was born. At the same time,
Pappas had big creative
dreams, too: She wanted to
make movies, write, and act.
Despite setbacks and
hardships, Pappas refused
to pick just one lane. She put
in a tremendous amount of
hard work and wouldn’t let
anything stand in her way
until she achieved all of her
dreams, however unrelated
they may seem to outsiders.
In a single year, 2016, she
made her Olympic debut as
a distance runner and wrote,
directed, and starred in her
first feature film. But great
highs are often accompanied
by deep lows; with joy
comes sorrow. In *Bravey*,
Pappas fearlessly and
honestly shares her battle
with post-Olympic
depression and describes
how she emerged on the
other side as a thriving and
self-actualized woman.

Unflinching, exuberant, and always entertaining, Bravey showcases Pappas's signature, charming voice as she reflects upon the touchstone moments in her life and the lessons that have powered her career as both an athlete and an artist—foremost among them, how to be brave. Pappas's experiences reveal how we can all overcome hardship, befriend pain, celebrate victory, relish the loyalty found in teammates, and claim joy. In short: how every one of us can become a bravey.

These are just some of the characters to be found in Tell My Sorrows to the Stones, a remarkable collection of short fiction by one of today's literary masters of darkness. The instant New York Times, Wall Street Journal, and USA Today Bestseller! Ryan Holiday 's bestselling trilogy—The Obstacle Is the Way, Ego is the Enemy, and Stillness is the

Key—captivated professional athletes, CEOs, politicians, and entrepreneurs and helped bring Stoicism to millions of readers. Now, in the first book of an exciting new series on the cardinal virtues of ancient philosophy, Holiday explores the most foundational virtue of all: Courage. Almost every religion, spiritual practice, philosophy and person grapples with fear. The most repeated phrase in the Bible is “ Be not afraid. ” The ancient Greeks spoke of phobos, panic and terror. It is natural to feel fear, the Stoics believed, but it cannot rule you. Courage, then, is the ability to rise above fear, to do what 's right, to do what 's needed, to do what is true.

And so it rests at the heart of the works of Marcus Aurelius, Aristotle, and CS Lewis, alongside temperance, justice, and wisdom. In Courage Is Calling, Ryan Holiday breaks down the elements of fear, an expression of cowardice, the elements of courage, an

expression of bravery, and lastly, the elements of heroism, an expression of valor.

Through engaging stories about historic and contemporary leaders, including Charles De Gaulle, Florence Nightingale, and Dr. Martin Luther King Jr., Holiday shows you how to conquer fear and practice courage in your daily life. You ' ll also delve deep into the moral dilemmas and courageous acts of lesser-known, but equally as important, figures from ancient and modern history, such as Helvidius Priscus, a Roman Senator who stood his ground against emperor Vespasian, even in the face of death; Frank Serpico, a former New York City Police Department Detective who exposed police corruption; and Frederick Douglass and a slave named Nelly, whose fierce resistance against her captors inspired his own crusade to end slavery. In a world in which fear runs rampant—when people would rather stand on the sidelines than speak out against injustice, go along with convention than bet on themselves, and turn a blind eye to the ugly realities of modern life—we need courage more than ever. We need the courage of whistleblowers and

risk takers. We need the courage of activists and adventurers. We need the courage of writers who speak the truth—and the courage of leaders to listen. We need you to step into the arena and fight.

Pink explains in The Power of Regret. They ' re a universal and healthy part of being human. And understanding how regret works can help us make smarter decisions, perform better at work and school, and bring greater

on research in social psychology, neuroscience, and biology, Pink debunks the myth of the “ no regrets ” philosophy of life. These deep regrets offer compelling insights into how we live and how we can find a better path forward.
