Robbing a stagecoach on Christmas Eve and kidnapping a woman is the last thing Luke Sullivan expects to do. He wanted to reclaim the money stolen from him, but wound up with a feisty copper-haired orphan thrown over his shoulder who was on his way to marry Luke's bitter enemy. Emily McCarthy is out of options. Still she trusts God can turn any situation to good - especially when it seems Luke Sullivan may just be the man of her dreams.

The Impossible reveals prayer's immediate and powerful impact through the true account of a family whose son died and was miraculously resurrected. Through the years and the struggles, when life seemed more about hurt and loss than hope and mercy, God was positioning the Smiths for something extraordinary—the death and resurrection of their son. When Joyce Smith's fourteen-year-old son John fell through an icy Missouri lake one winter morning, she and her family had seemingly lost everything. At the hospital, John lay lifeless for more than sixty minutes. But Joyce was not ready to give up on her son. She mustered all her faith and strength into one force and cried out to God in a loud voice to save him. Miraculously, her son's heart immediately started beating again. In the coming days, John would defy every expert, every case history, and every scientific prediction. Sixteen days after falling through the ice and being clinically dead for an hour, he walked out of the hospital under his own power, completely healed. The Impossible is about a profound truth: prayer really does work. God uses it to remind us that He is always with us, and when we combine it with unshakable faith, nothing is impossible.

"It's hard to believe that there was a time when the jump shot didn't exist in basketball. When the sport was invented in 1891, players would take set shots with both feet firmly planted on the ground ... It took almost forty years before players began shooting jump shots of any kind and sixty-five years before it became a common sight. When the first jump shooting pioneers left the ground, they rose not only above their defenders, but also above the sport's conventions. The jump shot created a soaring offense, infectious excitement, loyal fans, and legends ... [This book] celebrates this crucial shot while tracing the history of how it revolutionized the game, shedding light on all corners of the basketball world"--

For as long as she can remember, Wren Gray's goal has been to please her parents. But as high school graduation nears, so does an uncomfortable realization: Pleasing her parents once overlapped with pleasing herself, but now . . . not so much. Wren needs to honor her own desires, but how can she if she doesn't even know what they are? Charlie Parker, on the other hand, is painfully aware of his heart's desire. A gentle boy with a troubled past, Charlie has loved Wren since the day he first saw her. But a girl like Wren would never fall for a guy like Charlie—at least not the sort of guy Charlie believes himself to be. And yet certain things are written in the stars. And in the summer after high school, Wren and Charlie's souls will collide. But souls are complicated, as are the bodies that house them . . . Sexy, romantic, and oh-so-true to life, this is an unforgettable look at first love from one of young adult fiction's greatest writers. Praise for *The Infinite Moment of Us* **STARRED REVIEW** "The scenes of sexual intimacy are described with innocently erotic frankness, offering an ideal (if not idealized) model for readers on the cusp; this is Forever... for a new generation, offering character depth Cath and Michael never achieved. Summer love has never been so good." —Kirkus Reviews, starred review "In contrast to unhealthy depictions of sex and relationships that teenagers (and adults) are often exposed to in media and entertainment, *Myracle* offers up a passionate romance built on a bedrock of love, respect, and trust. And it's difficult to see that as a bad thing." —Publishers Weekly "Two mature recent high school graduates fall in love and bring out the best in each other in Lauren Myracle's thoughtful exploration of an intimate relationship...the relationship between Wren and Charlie always remains realistic and involving." —Shelf Awareness "This charming romance has multidimensional characters, straightforward sexuality, and a pace that lets readers fall in love with the main characters. *Myracle* expertly captures the intense connection of first love, from the need to spend every moment together to trying to figure out how to communicate with one another." —School Library Journal "The single-focus intensity of Wren and Charlie's feelings is spot-on for the age group... chapters move between both their perspectives as they grow into the relationship, offering readers of both sexes a rather compelling example of the how-to's of intimacy." —The Bulletin of The Center for Children's Books

Since their mother's death, Tip and Teddy Doyle have been raised by their loving, possessive, and ambitious father. As the former mayor of Boston, Bernard Doyle wants to see his sons in politics, a dream the boys have never shared. But when an argument in a blinding New England snowstorm inadvertently causes an accident that involves a stranger and her child, all Bernard Doyle cares about is his ability to keep his children—all his children—safe. Set over a period of twenty-four hours, *Run* takes us from the Museum of Comparative Zoology at Harvard to a home for retired Catholic priests in downtown Boston. It shows us how worlds of privilege and poverty can coexist only blocks apart from each other, and how family can include people you've never even met. As in her bestselling novel *Bel Canto*, Ann Patchett illustrates the humanity that

connects disparate lives, weaving several stories into one surprising and endlessly moving narrative. Suspenseful and stunningly executed, *Run* is ultimately a novel about secrets, duty, responsibility, and the lengths we will go to protect our children.

The Night Mark Simon and Schuster

We are all hungry for meaningful connection, but most of us don't have the time to cook complicated meals or plan big gatherings. What we need are simple, delicious recipes and easy, doable ideas for getting together with friends and family. Thankfully, that's just what the five women of *The Gingham Apron* deliver in this full-color lifestyle book that is as practical as it is pretty. Filled with beautiful photography and inspirational writing, *The Gathering Table* follows this Iowa farm family through a year of gatherings that strengthen relationships, establish and deepen family traditions, and showcase God's gift of great food. With complete menus, easy-to-follow recipes, devotional readings, prayers, and plenty of inspiring and customizable ideas for everything from intimate family gatherings to larger community events, this book will become your go-to resource for entertaining and enjoying life--together!

The Bitter Kingdom Simon and Schuster

After the end of World War II, Clara Kirkpatrick returns from the Women's Army Corp to deliver a dying soldier's last wishes: convey his love to his young widow, Mattie, with apologies for the missed life they had planned to share. Struggling with her own post-war trauma, Clara thinks she's not prepared to handle the grief of this broken family. Yet upon meeting Mattie, and receiving a baby quilt that will never cuddle the soldier's baby, Clara vows to honor the sacrifices that family made. Now a labor and delivery nurse in her rural hometown, Clara wraps each new babe in the gifted quilt and later stitches the child's name into the cloth. As each new child is welcomed by the quilt, Clara begins to wonder whatever happened to Mattie—and if her own life would ever experience the love of a newborn. Little does she know that she will have the opportunity to re-gift the special quilt—years later and carrying even greater significance than when it was first bestowed.

Maine Faith Sullivan

A safe place to call home... After escaping her abusive foster parents thirteen years ago, Hailey Donovan thought her nightmare was over. Gatlinburg Tennessee had been a safe place to live, until she's nearly hit by gunfire while hiking the Smoky Mountains. Her instincts are to avoid law enforcement, especially handsome Park Ranger Rock Wilson, but when more gunfire echoes around them, they're forced to stay together to escape. More attempts against Hailey convince her to leave the city and start over someplace new. Rock talks her into staying to fight the unknown assailant. Rock senses Hailey has been traumatized in the past, and is determined to uncover the mystery surrounding her. As Hailey and Rock seek the truth behind the escalating attacks, Rock realizes he's also in danger of losing his heart. Can Rock provide Hailey the safe haven she desperately needs?

Maine Abrams

He loves me. He loves me not. Ivy's heart shatters upon hearing Eric's crushing ultimatum. Despite how much she cares for him, she won't give in to his demands. She has no choice but to leave, even if it's the hardest thing she's ever had to do. She loves me. She loves me not. When Ivy walks out, Eric can't help feeling betrayed. Unwilling to put her at risk, he values her safety above all else. By refusing to compromise, he's blindsided when she moves in with a man who's already stolen so much from him. I love you. You love me not. Lauren sees Eric and Ivy's split as an opportunity to end their relationship once and for all. When Ivy places herself at the mercy of Eric's rival, Lauren plots to destroy the fragile tie binding them together, even if she endangers Ivy's life in the process.

Rise and Fire Faith Sullivan

#1 NEW YORK TIMES BESTSELLER • "The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly." —Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE "MOST INFLUENTIAL" (CNN), "DEFINING" (LITHUB), AND "BEST" (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first "immortal" human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb's effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta's family did not learn of her "immortality" until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta's daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn't her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

aristocratic family with secrets worth killing for. London, 1936. Lena Aldridge wonders if life has passed her by. The dazzling theatre career she hoped for hasn't worked out. Instead, she's stuck singing in a sticky-floored basement club in Soho, and her married lover has just left her. But Lena has always had a complicated life, one shrouded in mystery as a mixed-race girl passing for white in a city unforgiving of her true racial heritage. She's feeling utterly hopeless until a stranger offers her the chance of a lifetime: a starring role on Broadway and a first-class ticket on the Queen Mary bound for New York. After a murder at the club, the timing couldn't be better, and Lena jumps at the chance to escape England. But death follows her onboard when an obscenely wealthy family draws her into their fold just as one among them is killed in a chillingly familiar way. As Lena navigates the Abernathy's increasingly bizarre family dynamic, she realizes that her greatest performance won't be for an audience, but for her life. With seductive glamor, simmering family drama, and dizzying twists, Louise Hare makes her beguiling US debut.
