In the early morning hours of June 6, tens of thousands of boys from the shores of Maine, the rivers of Mississippi, and the lakes of Minnesota were taking a boat ride that would go down in history. With the ocean spray in their faces and hearts practically beating out of their chests, American G.I.s peers through the mist and saw the beaches of France. The Allied invasion of Hitler's Europe was on! A skinny kid from Philly checked his rifle for the umpteenth time and swallowed hard. A strip of beach codenamed Utah lay just ahead.... The 1944 D-Day landings preserved freedom all over the world and affected countless individual lives including G.I. Joe and his wife, Lillie. After the war, G.I. Joe and Lillie settled into a life that included two children. Old wounds, though, never quite let G.I. Joe leave France. Nightmares and crippling injuries left him with only one true friend, but she was all he'd ever need. Lillie embarked on a decades-long love affair, from the moment she saw that skinny boy from Philly in an army hospital. Five days of courtship and 55 years of marriage strengthened by faith saw to that. Lillie prayed daily for her husband and children in the difficult years ahead. Together, they made it all the way home. In Lillie's America, it was sacrifice that preserved cherished freedoms, and loyalty kept families united and strong. Lillie's steadfast faith and heartfelt devotion is a lesson for our time. This story of patriotism, bravery abroad and at home, and most of all, deep commitment, sets in a gold frame the very essence of America. The story of G.I. This challenging new study examines gender and sexuality in relation to the 'roving colonialism' of sport mega-events. Built around four case studies in postcolonial and settler colonial contexts—the Olympics in Vancouver, London and Sochi and soccer fans in the Egyptian revolution—the book examines sporting 'homonationalism' and anti-colonial resistance. The first part discusses different moments of 'homonationalism' in sport. The second part explores how indigenous and anti-colonial protests against mega-sport events lead to different views about gender and sexuality politics in sport. It offers a critical counter-narrative to the view that gay and lesbian inclusion in global sporting events is simply a matter of universal human rights. The book calls for LGBT social movements in sport to move away from complicity with neoliberalism, nationalism and colonial-racial logics, particularly Islamophobia, toward a decolonial politics of solidarity. Theoretically sophisticated and empirically grounded, this book draws together important threads in the contemporary study of sport to illuminate the relationship between sport and wider society. It will be fascinating reading for any student or researcher interested in the sociology of sport, Olympic studies, gender and sexuality studies, postcolonial studies, indigenous studies, settler colonial studies or the politics of race and inclusion.

Sermons from Mind and Heart attempts to show the week-by-week theological work that a pastor does. The combining of the intellectual with the emotional is rooted in the categories of logos and pathos from Aristotle's Rhetoric. Some of the sermons have substantive theological reflections with multiple sources and are thus heavily footnoted; other sermons have no footnotes. This doesn't mean that any sermon lacks logos or pathos but that there is an interplay, a back-and-forth, of a pastor struggling to communicate the Gospel in a "this is that" way that honors both the "then" of Scripture and the "now" of contemporary life. Rhetorical scholarship and methodology are important in understanding the content and the structure of the sermons. What matters most is the sense that these sermons are an ongoing theological conversation between the pastor and his congregation. Sermons, after all, are meant to be heard, and they exist in the moment as authentic rhetorical acts. All other versions of the sermon, including this written form, are only echoes of the primal sermonic experience.
