Bantam  
My love for Damien fills me; the intensity  
of our bond brings me to my knees. For  
him, there is no burden I wouldn't bear,  
no punishment to which I wouldn't submit.  
Together we have carved a life out of  
adversity, chiseling away pain to reveal

strength and beauty. For several blissful  
years, I have laughed with our children in  
the sunlight and surrendered myself to his  
embrace in the dark. And then in one  
terrible moment, everything changes. Our  
youngest daughter is stolen from us and  
used as leverage in a sick, twisted game  
of revenge and greed. Damien and I will do  
anything to bring our little girl home, even  
if it means losing each other. This time for  
good.

stark, The Story That Cannot Be Told is one that should most certainly be read." –Alan Gatz, New York Times bestselling author of Refugee "A mesmerizing debut." –Publishers Weekly (starred review) A powerful middle grade debut with three starred reviews that weaves together folklore and history to tell the story of a girl finding her voice and the strength to use it during the final months of the Communist regime in Romania in 1989. Ileana has always collected stories. Some are about the past, before the leader of her country tore down her home to make room for his golden palace; back when families had enough food, and the hot water worked on more than just Saturday nights. Others are

folktales like the one she was named for, which her father used to tell her at bedtime. But some stories can get you in trouble, like the dangerous one criticizing Romania's Communist government that Uncle Andrei published—right before he went missing. Fearing for her safety, Ileana's parents send her to live with the grandparents she's never met, far from the prying eyes and ears of the secret police and their spies, who could be any of the neighbors. But danger is never far away. Now, to save her family and the village she's come to love, Ileana will have to tell the most important story of her life.

Austin Huntley and Cameron Nash are like night and day. One is a family man, works in a nice office, drives an expensive car, and is content to be content. The other one is an antisocial car mechanic with a short fuse. Some things don't change. Others definitely do. After surviving a five-month long kidnapping together, they struggle to return to normalcy, all while realizing that they're more drawn to each other than they ever could've imagined. "I know I'm not normal, but I'm not fucking stupid."

"Define normal," Austin countered quietly, meeting Cam in the doorway. "And for not being normal, you're the only person in the world who makes sense right now. What does that say about me?"
