Paul for Everyone: The Pastoral Letters SPCK

Widely regarded as the modern C. S. Lewis, N. T. Wright, one of the world's most trusted and popular Bible scholars and the bestselling author of *Simply Christian* and *Surprised by Hope*, presents a manifesto urging Christians to live and pray the Bible's Psalms in *The Case for the Psalms*. Wright seeks to reclaim the power of the Psalms, which were once at the core of prayer life. He argues that, by praying and living the Psalms, we enter into a worldview, a way of communing with God and knowing him more intimately, and receive a map by which we understand the contours and direction of our lives. For this reason, all Christians need to read, pray, sing, and live the Psalms. By providing the historical, literary, and spiritual contexts for reading these hymns from ancient Israel's songbook, *The Case for the Psalms* provides the tools for incorporating these divine poems into our sacred practices and into our spirituality itself.

Just as Timothy and Titus needed help to lead their young churches well in the midst of powerful cultural forces, we need guidance for correct leading and living in our own context. These studies on Paul's letters point us in the right direction. This guide by Tom Wright can be used on its own or alongside his *New Testament for Everyone* commentary on *1 & 2 Timothy and Titus*. It is designed to help you understand Scripture in fresh ways under the guidance of one of the world's leading New Testament scholars. Thoughtful questions, prayer suggestions, and useful background and cultural information all guide you or a group more deeply into God's Word.
