With the emergence of new social and political identities, and the frequent attacks on Left theory for its essentialist underpinnings, Hegemony and Socialist Strategy remains as relevant as ever, positing a much-needed antidote against 'Third Way' attempts to overcome the

antagonism between Left and Right.

### Hegemony and the Future of Democracy: Ernesto Laclau's ...

Laclau and Mouffe largely began their intellectual contributions in the 1970s, in journals such as 'Economy and Society', working in a broadly Althusserian, and then Gramscian, paradigm. Their trajectory seems to have been always to move away from economism, determinism and reductionism, and Hegemony and Socialist

Strategy (from hereon HSS) is still the main statement of their position. It is the precipitate of this process of critiquing the aforementioned limitations of the Marxist tradition ...

They believe that a socialist-oriented hegemonic bloc can shift liberal democracy toward radical and plural democracy for a more just and egalitarian society. A chain of equivalents accomplishes the evolving solidity of these hegemonic articulations: in other words, anti-capitalism, anti-sexism, anti-racism become to be understood as equivalent and

necessary parts of the same struggle.

*Hegemony and Socialist Strategy* is a 1985 work of political theory

in the post-Marxist tradition by Ernesto Laclau and Chantal Mouffe. Developing several sharp divergences from the tenets of canonical Marxist thought, the authors begin by tracing historically varied discursive constitutions of class, political identity, and social self-understanding, and then tie these to the contemporary importance of hegemony as a destabilized analytic which avoids the traps of various procedures Mouffe and La
