I'm going into year 11 this year, doing chem 1+2, English 1+2, math methods and specialist 1+2 studio arts 1+2 alongside doing biology 3+4. I really enjoy biology, and it's been a really amazing subject, but last year when I was doing 1+2 I found it really difficult to balance my year ten subjects alongside biology.

Heinemann Physics 12 4th Edition PDF? Reader+ is kind of clunky for me, which is why I preferred the PDF copy (compiled and distributed on zza.li) of Heinemann Physics 11 4th Edition (I still have this PDF if anyone wants it). Does there exist a PDF compiled version of the year 12 version of the textbook? 5 comments.
