The Field Dog Stud Book Harlequin

Returning to the small town where he crash-landed in 1963, Ishmael Jones is in search of answers. But his investigation is de-railed by a brutal murder. " I think something very bad and very dangerous has come to your little town, Inspector . . ." As long-buried memories from his hidden past begin to resurface, Ishmael Jones and his partner Penny feel compelled to return to the small country town where Ishmael crash-landed in 1963; the place where his memories began. Norton Hedley is no ordinary town. Apparitions, sudden disappearances, sightings of unusual beasts: for centuries, the place has been plagued by a series of inexplicable events. Ishmael ' s first task is to track down local author Vincent Smith, the one man he believes may have some answers. Ishmael and Penny aren ' t the only ones seeking the mysterious Mr Smith. When their search unearths a newly-dead body in the local mortuary — a body that ' s definitely not supposed to be there — Ishmael becomes the prime suspect in the ensuing murder investigation. His only hope of discovering the truth about his origins lies in exposing a ruthless killer.

Seven ingeniously reinvented fairy tales that play out with astonishing consequences in the modern world, from one of today's finest short story writers—MacArthur "Genius Grant" Fellow Kelly Link, bestselling author of the Pulitzer Prize finalist *Get in Trouble* Finding seeds of inspiration in the Brothers Grimm, seventeenth-century French lore, and Scottish ballads, Kelly Link spins classic fairy tales into utterly original stories of seekers—characters on the hunt for love, connection, revenge, or their own sense of purpose. In "The White Cat's Divorce," an aging billionaire sends his three sons on a series of absurd goose chases to decide which will become his heir. In "The Girl Who Did Not Know Fear," a professor with a delicate health condition becomes stranded for days in an airport hotel after a conference, desperate to get home to her wife and young daughter, and in acute danger of being late for an appointment that cannot be missed. In "Skinder's Veil," a young man agrees to take over a remote house-sitting gig for a friend. But what should be a chance to focus on his long-avoided dissertation instead becomes a wildly unexpected journey, as the house seems to be a portal for otherworldly travelers—or perhaps a door into his own mysterious psyche. Twisting and winding in astonishing ways, expertly blending realism and the speculative, witty, empathetic, and never predictable—these stories remind us once again of why Kelly Link is incomparable in the art of short fiction.

His Cinderella's One-Night Heir Springer

"Marc Huntington needs to protect his ancestral estate when he discovers it's being sold out from under him. Luckily, keeping an eye on the main competition is no hardship: Torie Sands is as beautiful as she is secretive... Torie grew up as the butler's daughter on the Huntington estate and she's back to clear her family name-- not to fall for enigmatic Marc all over again! How will she gain the trust of this hard, suspicious man, whose years as a navy SEAL have left him wounded and wary?"--P. [4] of cover.

Have you ever wondered where terms like 'end of your tether', 'gets my goat' or 'letting ones hair down' come from? Or why we call some people 'geezers', 'sugar daddies' or 'lounge lizards'? Or where the words 'eavesdropping', 'nickname' and 'D-Day' come from? They are just a few of the many words and phrases that language expert Max Cryer examines in this fact-filled and fun new book. Max explains where these curious expressions come from, what they mean and how they are used. Along the way he tells a host of colourful anecdotes and dispels quite a few myths - Did Churchill originate the phrase 'black dog'? And if 'ivory tower' can be found in the Bible, why has its meaning changed so drastically? *Curious English Words and Phrases* is a treasure trove for lovers of language. Informative, amusing and value for money, this book is 'the real McCoy'. From 'couch potato' to 'Bob's your uncle', you'll find the explanation here!

The first book in an epic new series about a princess hiding a dark secret and the con man she must trust to clear her name for her father's murder. In the Cyrilian Empire, Affinites are reviled. Their varied gifts to control the world around them are unnatural—dangerous. And Anastacya Mikhailov, the crown princess, has a terrifying secret. Her deadly Affinity to blood is her curse and the reason she has lived her life hidden behind palace walls. When Ana's father, the emperor, is murdered, her world is shattered. Framed as his

killer, Ana must flee the palace to save her life. And to clear her name, she must find her father's murderer on her own. But the Cyrilia beyond the palace walls is far different from the one she thought she knew. Corruption rules the land, and a greater conspiracy is at work—one that threatens the very balance of her world. And there is only one person corrupt enough to help Ana get to its core: Ramson Quicktongue. A cunning crime lord of the Cyrilian underworld, Ramson has sinister plans—though he might have met his match in Ana. Because in this story, the princess might be the most dangerous player of all. "Cinematic storytelling at its best."—Adrienne Young, *New York Times* bestselling author of *Sky in the Deep* and *The Girl the Sea Gave Back* "Zhao shines in the fast-paced and vivid combat scenes, which lend a cinematic quality that pulls readers in."—*The New York Times* Book Review "Zhao is a master writer who weaves a powerful tale of loyalty, honor, and courage through a strong female protagonist. . . . Readers will love the fast-paced energy and plot twists in this adventure-packed story."—SLJ

For teenage Aella, growing up is hard. Even harder when you find out that you're the reincarnation of an ancient sea serpent that's destined to destroy the world, in a graphic novel trilogy from acclaimed creators Mairghread Scott and Pablo Tunica. *THE END OF THE WORLD IS COMING*. For Aella, life on Kinamen Isle is one of boredom. Spending her days fishing and minding her aunts, she dreams of life beyond the horizon. Everything changes, however, when she awakens an ancient evil within herself as it's revealed that she's the reincarnation of Xir, the serpent that almost destroyed the world. Worse yet, a fanatical religious organization has arrived on Kinamen Isle in search of Xir. As Aella is forced to fight for her life, she'll discover that her entire world is not what it seems. Heraunts know more than they let on and what exactly does the infamous Pirate Queen want with Aella? From the team of Mairghread Scott (*Star Wars: Resistance*, *Guardians of the Galaxy*) and Pablo Tunica (*TMNT Universe*) comes an extraordinary tale of growing up and changing your fate.

[Curious English Words and Phrases](#) Little, Brown Books for Young Readers

"If you must read a book on Columbus," declared the *Los Angeles Times* in its review of *The Heirs of Columbus*, "this is the one." Gerald Vizenor's novel reclaims the story of Christopher Columbus on behalf of Native Americans by declaring the explorer himself to be a descendent of early Mayans and follows the adventures of his modern-day, mixed-blood heirs as they create a fantastic tribal nation. The genetic heirs of Christopher Columbus meet annually at the Stone Tavern at the headwaters of the Mississippi to remember their "stories in the blood" and plan their tribal nation. They are inspired by the late-night talk radio discourses of Stone Columbus, a trickster healer who became rich as the captain of the sovereign bingo barge *Santa Maria Casino*, anchored in the international waters of the Lake of the Woods. The heirs' plan to reclaim their heritage enrages the government and inspires the tribal nations in a comic tale of mythic proportions. Vizenor is a mixed-blood Chippewa who writes fiction in the trickster mode of Native American tradition, using humor to challenge received ideas

and subvert the status quo. In *The Heirs of Columbus* he "reveals not only how Indians have staved off the tidal wave of assimilation," noted the San Francisco Chronicle, "but also how, through humor and persistence, they sometimes reverse the direction of cultural appropriation and, in the process, transform the alien values imposed on them." "Vizenor understands the wilder, irrational, half-mad parts of the Discoverer's soul as few people ever have," noted Kirkpatrick Sale in the Nation; "Columbus is appropriated here in an entirely new way, made to be an Indian in service to his Indian descendents." And the Voice Literary Supplement said "Even more rousing than Vizenor's deconstruction of Columbus, though, is his alternative vision of an American identity."

Notes and Queries and Historic Magazine Random House

J. K. Rowling's "Harry Potter" series (1997-2007) has turned into a global phenomenon and her Potterverse is still expanding. The contributions in this volume provide a range of inter- and transdisciplinary approaches to various dimensions of this multifaceted universe. The introductory article focuses on different forms of world building in the novels, the translations, the film series and the fandom. Part I examines various potential sources for Rowling's series in folklore, the Arthurian legend and Gothic literature. Further articles focus on parallels between the "Harry Potter" series and Celtic Druidism, the impact Victorian notions of gender roles have had on the representation of the Gaunt family, the reception of (medieval and Early Modern) history in the series and the influence of Christian concepts on the world view expressed in the novels. Part II focuses on a range of prominent political and social themes in the series, including conspiracy, persecution and terror, racism as well as the role of economic, social and cultural capital. Other articles explore the concept of a Magical Criminal Law and its consequences as well as the significance of secrets and forbidden places. The articles in Part III go beyond the novels by taking the stage play "Harry Potter and the Cursed Child", the movie "Fantastic Beasts and Where to Find Them", Pottermore and fan fiction into account. Main topics in this part include trauma theory/PTSD, queerbaiting, a 'post'-colonial analysis of the representation of Native Americans in Rowling's "History of Magic in North America" and the depiction of violence, incest and rape in fan fictions. The concluding article highlights the diversification of the Potterverse and analyses strategies informing its ongoing expansion.

Sea Serpent's Heir, Book 1 Author House

Presents an essay and a full-length novel that explore the relationship two extraordinary hunting dogs had with their owners.

The Heirs of Columbus Heir of the DogFaerie teeters on the brink of war, and the mortal realm swells with fae refugees desperate to escape the bloodshed. As a half-blooded fae, Marshal Thierry Thackeray has a stake in the outcome of both realms and isn't afraid to knock a few heads together if it keeps the peace. When her father goes missing, the only hope of negotiating a truce between the light and dark fae vanishes with him. Eager to avoid another Thousand Years War, the Faerie High Court reaches out to the one person they believe can replace him—the daughter who shares his curse. *Buried Memories*

Herbert Summers Lloyd MBE, (April 1, 1887 - January 26, 1963), known commonly as H. S. Lloyd, was best known for being a breeder of show English Cocker Spaniels. He remains the most successful breeder/owner at Crufts, having won Best in Show on six occasions in the 1930s and 1940s. This monograph on the breed has been written at the request of many friends who have urged me to endeavour to place before the novice and newcomer to the breed a simply-written book dealing with the subject from a practical standpoint. I make no claims to any literary genius, but the information contained herein has been gathered through a lifetime's experience of the dog I love. It is my sincere hope that this volume may prove of some assistance, and if it gives as much pleasure to the reader as it did to me in its compilation I am amply rewarded.

Heir's Journey of Promise Penguin

It is undisputed that dragons are extinct, except for strange animals like Komodo dragons and other creatures with odd features. Supposedly, they never existed. Suppose, just suppose, that they did exist, once upon a time. This is the story of what might have been the last interaction between people and dragons. It is also the story of loving couples, kings, queens, and disputes between brothers over a throne and a beautiful duke's daughter. It speaks of the enduring power of love and forgiveness and their power to heal. I wanted to provide an alternative to some of the stereotypes of dragons, and of people, too. If you want to let your imagination explore these possibilities, please read more!

California. Court of Appeal (1st Appellate District). Records and Briefs Tectum Wissenschaftsverlag

Very often, the Father gives to His children special presents! They are given, along with thousands of other blessings, on a daily basis, and if we are truly honest with ourselves and look at these presents, we will be all the more grateful! This is an account based on the facts presented in the Bible, and largely on the prophetic Scriptures. I realize that many in the church—those who claim to be Christians—will not allow themselves to believe on these

Scriptures. This is heartbreaking, for I believe this will be to their great harm! This book will try to convince the reading Christian of how truly dear he or she is to the Father, and how He longs for us to be close to Him in His Son. (And no, it isn't inspired, but God did through His Word turn the lights on!) This is more than a bedtime story for children of all ages. My hope is that it will be a great encouragement—for though we may grow a bit weary in our journey, we still enjoy the good fight. We are very dear to the One who has already won it, and He looks forward to greeting us on the other side . . . And men everywhere should seek Him with a new zeal, for He will soon rise to shake violently the earth! Even so, come Lord Jesus!

The Wicked King Greenwood Publishing Group

This book explores the experience of childhood and adolescence in later medieval English rural society from 1250 to 1450. Hit by major catastrophes – the Great Famine and then a few decades later the Black Death – this book examines how rural society coped with children left orphaned, and land inherited by children and adolescents considered too young to run their holdings. Using manorial court rolls, accounts and other documents, Miriam Müller looks at the guardians who looked after the children, and the chattels and lands the children brought with them. This book considers not just rural concepts of childhood, and the training and schooling young peasants received, but also the nature of supportive kinship networks, family structures and the roles of lordship, to offer insights into the experience of childhood and adolescence in medieval villages more broadly.

The Atlantic Monthly BoD – Books on Demand

A New Tale Is Added to this Christy Award-Winning Fantasy Saga! Submissive to her father's will, Lady Leta of Aiven travels far to meet a prospective husband she neither knows nor loves--Lord Alistair, future king of the North Country. But within the walls of Gaheris Castle, all is not right. Vicious night terrors plague Lord Alistair to the brink of insanity. Whispers rise from the family crypt. The reclusive castle Chronicler, Leta's tutor and friend, possesses a secret so dangerous it could cost his life and topple the North Country into civil war. And far away in a hidden kingdom, a fire burns atop the Temple of the Sacred Flame. Acolytes and priestesses serve their goddess to the limits of their lives and deaths. No one is safe while the Dragonwitch searches for the sword that slew her twice...and for the one person who can wield it.
