Helix: Eric Brown: 9781844164721:  
Amazon.com: Books

Helix is my first Eric Brown novel although I have had Kings of Eternity on my wish list for some time. I really rather enjoyed its naïve charm and simple narrative; if I had attempted to write a science fiction novel when I was sixteen after having been immersed, as I was, in the works of the old masters of the genre then this is the type of story I would have produced, albeit without Brown's evident penmanship.

### (9781781080498): Eric Brown: Books

Unfortunately, Helix has been another disappointment. Similarly as there is a whole category of films loosely defined as "B" movies, the same happens with Science Fiction. And after having read two books by Eric Brown, I can conclude that he unfortunately seems to belong to the group of "B" science fiction authors.

### *Helix (Helix, book 1) by Eric Brown - Fantastic Fiction*

Eric Brown was born in Haworth, Yorkshire, in May 1960, and began writing in 1975. In the 1980s he travelled extensively throughout Greece and Asia (some of his novels are set in India). His first publication was in 1982, when his play for children Noel's Ark appeared.

### **Amazon.com: Helix Wars eBook: Eric Brown: Kindle Store**

Eric Brown is a British author of fiction. He was born on May 24, 1960, in West Yorkshire, England. His work has been quite popular and sold well enough to be translated into over a dozen languages and counting. He is the author of several series, from the Virex to the Helix and Starship series and more! He first began writing in 1975.

#### Novels | Eric Brown

Following on from the earlier book Helix, where a human starship crashes onto a huge and spectacular helix shaped construct containing thousands of worlds, Helix Wars continues the story a couple of hundred years later. It's a good yarn, no doubt about it, but this was definitely my least enjoyed Eric Brown story to date.

Eric Brown is the award-winning author of

a huge number of SF novels, children's books, radio plays, articles and reviews, including Helix, Helix Wars, The Bengal Station Trilogy, The New York...

#### Helix by Eric Brown, Paperback | Barnes & Noble®

Eric Brown was born in Haworth, West Yorkshire, in 1960, and has lived in Australia, India and Greece. He began writing in 1975, influenced by Agatha Christie and the science fiction writer Robert Silverberg.

#### **Eric Brown - Book Series In Order**

I enjoyed Brown's epic perspective, but the book felt a little lacking in the 3rd dimension. The sheer size of the Helix (which is itself a marvellous concept) is conveyed well, or at least as well as such size can be conveyed, both by prose, and by the reaction of the characters. But somehow I never

---

really felt drawn down to ground level.
