Matthew Reilly's
HELL ISLAND novella

was, until now, only special forces units available for the month of the Books Alive campaign in 2005. Now, for the first time, it is available for general sale. It is an island that doesn't appear on any maps. A secret place, where classified experiments have been carried out. Experiments that have gone terribly wrong. Four crack

are dropped in. One of them is a team of Marines, led by Captain Shane Schofield, call-sign: SCARECROW. Nothing can prepare Schofield's team for what they find there. You could say they've just entered hell. But that would be wrong. This is much, much worse.

Seven Types of Ambiguity
Darren G. Burton

It is America's most secret base, hidden deep in the Utah desert, an Air Force installation known only as Area 7. And today, it has a visitor - the President of the United States. He has come to inspect Area 7, to examine its secrets for himself. But he's going to get more than he bargained for on this trip. Because hostile forces are waiting inside. Among the President's helicopter crew, however, is a young Marine. He is quiet, enigmatic, and he hides his eyes behind a pair of silver sunglasses. His

name is Schofield. Call-sign: Scarecrow. Rumor has it, he's a good man in a storm. Judging by what the President has just walked into, he'd better be... Matthew Reilly dazzled the world with his electrifying thrillers *Ice Station* and *Temple*. And now, Shane "Scarecrow" Schofield returns with his most harrowing and explosive adventure yet. *Temple* Simon and Schuster THE SECRET BASE It is a former Soviet base known only as Dragon Island. It houses a weapon of terrible destructive

force... that has just been re-activated. A RENEGADE ARMY The island has been seized by a brutal terrorist force calling itself the Army of Thieves, and the fate of the world hangs in the balance. ONE SMALL TEAM There is an equipment-testing team up in the Arctic. It does not have the weaponry or strength to attack a fortified island held by a vicious army. But it is led by a Marine captain named Schofield, call-sign: SCARECROW. And Scarecrow will lead the team in anyway, because someone has to. Hell Island Simon and Schuster The definitive history of the

Defense Advanced Research Projects Agency, the Pentagon agency that has quietly shaped war and technology for nearly sixty years. Founded in 1958 in response to the launch of Sputnik, the agency 's original mission was to create " the unimagined weapons of the future. " Over the decades, DARPA has been responsible for countless inventions and technologies that extend well beyond military technology. Sharon Weinberger gives us a riveting account of DARPA ' s successes and failures, its

remarkable innovations, and its wild-eyed schemes. We see how the threat of nuclear Armageddon sparked investment in computer networking, leading to the Internet, as well as to a proposal to power a missile-destroying particle beam by draining the Great Lakes. We learn how DARPA was responsible during the Vietnam War for both Agent Orange and the development of the world's first armed drones, and how after 9/11 the agency sparked a national controversy over surveillance

And we see how DARPA's success with self-driving cars was followed by disappointing contributions to the Afghanistan and Iraq wars. Weinberger has interviewed more than one hundred former Pentagon officials and scientists involved in DARPA's projects—many of whom have never spoken publicly about their work with the agency—and pored over countless declassified records from archives around the country, documents obtained under the Freedom of

Information Act, and exclusive materials provided by sources. The Imagineers of War is a compelling and groundbreaking history in which science, technology, and politics collide. The Imagineers of War Macmillan Publishers Aus. THE DISCOVERY OF A LIFETIME At a remote ice station in Antarctica, a team of US scientists has found something buried deep within a 100-million-year-old layer of ice. Something made of metal. THE LAW OF SURVIVAL In a land without boundaries, there are no rules. Every country would kill for

this prize. A LEADER OF MENA team of crack United States marines is sent to the station to secure the discovery. Their leader – Lieutenant Shane Schofield, call-sign: SCARECROW. They are a tight unit, tough and fearless. They would follow their leader into hell. They just did...

Area 7 Simon and Schuster In our "wireless" world it is easy to take the importance of the undersea cable systems for granted, but the stakes of their successful operation are huge, as they are responsible for carrying almost all transoceanic Internet traffic. In The

Undersea Network Nicole Starosielski follows these cables from the ocean depths to their landing zones on the sandy beaches of the South Pacific, bringing them to the surface of media scholarship and making visible the materiality of the wired network. In doing so, she charts the cable network's cultural, historical, geographic and environmental dimensions. Starosielski argues that the environments the cables occupy are historical and political realms, where the network and the connections

it enables are made possible by the deliberate negotiation and manipulation of technology, culture, politics and geography.

Accompanying the book is an interactive digital mapping project, where readers can trace cable routes, view photographs and archival materials, and read stories about the island cable hubs.

Roger Ascham and the King's Lost Girl Simon and Schuster Jack West, Jr., leads a team of loyal followers during an Armageddon-risking adventure that takes them from the deserts of Israel and storm-

swept coastal Japan to the steppes of Mongolia and a mysterious island.

Scarecrow and the Army of Thieves Penguin

The thrilling international bestseller from Australia's favourite novelist, author of the Scarecrow series and Jack West Jr series with new novel *The One Impossible Labyrinth* out now. "Reilly hurls readers into an adrenaline-drenched thrill ride ... impossible to put down." *Orlando Sentinel* "Reilly ... can inspire awe. Speed demons, take note." *Publishers Weekly* *The New*

York State Library. A silent sanctuary of knowledge; a 100-year-old labyrinth of towering bookcases, narrow aisles and spiralling staircases. For Doctor Stephen Swain and his eight-year-old daughter, Holly, it is the site of a nightmare. For one night, the State Library is to be the venue for a contest. A contest in which Stephen Swain is to compete - whether he likes it or not. The rules are simple: seven contestants will enter, only one will leave. With his daughter in his arms, Swain is plunged into a terrifying

fight for survival. He can choose to run, to hide or to fight - but if he wants to live, he has to win. Because in a contest like this, unless you leave as the victor, you do not leave at all. Fans of Clive Cussler, Tom Clancy and Michael Crichton will love Matthew Reilly.

Hell Island Simon and Schuster

In the early morning hours of 6 November 1943, SS Reichsfuhrer Heinrich Himmler receives the coded message he has been waiting for: 'The Eagle has landed.' It was

to become known as the most daring enemy mission of the entire war: Operation Eagle, Himmler's audacious plan to kidnap Winston Churchill on British soil. But, despite spectacular secrecy, there was to be no surrender without a fight . . . For in that remote corner of Norfolk, an elite unit is gathered together. Ready to do battle for a nation against the most ruthless task force ever assembled. '100 per cent proof adventure.' New

York Times

Troll Mountain Hachette UK
Debut adventure novel about an elite team of social architects who aim to build a new world beneath the seabed in the middle of the Indian Ocean.

The Tournament Pan
Bestselling author Matthew Reilly takes you on a thrilling treasure hunt in Seven Ancient Wonders. It is the biggest treasure hunt in history with contesting nations involved in a headlong race to locate the Seven Wonders of the Ancient World. 4500 years ago, a magnificent golden

capstone sat at the peak of the Great Pyramid of Giza. It was a source of immense power, reputedly capable of bestowing upon its holder absolute global power. But then it was divided into seven pieces and hidden, each piece separately, within the seven greatest structures of the age. Now, the coming of a rare solar event means it's time to locate the seven pieces and rebuild the capstone. Everyone wants it – from the most powerful countries on Earth to gangs of terrorists . . . and one daring coalition of

eight small nations. Led by the mysterious Captain Jack West Jr, this determined group enters a global battlefield filled with booby-trapped mines, crocodile-infested swamps, evil forces and an adventure beyond imagining. 'More action, hair-raising stunts and lethal hardware than you'd find in four Bond movies. Reilly is the hottest action writer around' – Evening Telegraph

The Four Legendary Kingdoms Pan

This revised edition of the short novel originally published in Australia is

specially adapted for readers of all ages with reading difficulties There is no hell like a man-made one . . . It is an island that doesn't appear on any maps. A secret location where classified experiments have been conducted. Experiments that have gone terribly wrong . . . When all contact with this mystery island is inexplicably lost, four crack special-forces units are brought in, their mission being to land on Hell Island and discover what has happened. Nothing can prepare them for what they find there. You could

say they've just entered hell. Only that would be too gentle.

Hover Car Racer
Hachette UK

"A lovely, lethal, disturbing novel" of the dashed hopes of post-apartheid South Africa and the small betrayals that doom a friendship (The Guardian). An extraordinary parable of the corruption of the flesh and spirit, The Good Doctor has inspired enthusiastic interest around the world and has

assured Damon Galgut's place as a major international talent. When Laurence Waters arrives at his new post at a deserted rural hospital, staff physician Frank Eloff is instantly suspicious. Laurence is everything Frank is not—young, optimistic, and full of big ideas. The whole town is beset with new arrivals and the return of old faces. Frank reestablishes a liaison with a woman, one that will have unexpected consequences. A self-

made dictator from apartheid days is rumored to be active in cross-border smuggling, and a group of soldiers has moved in to track him, led by a man from Frank's own dark past. Laurence sees only possibilities—but in a world where the past is demanding restitution from the present, his ill-starred idealism cannot last. "Galgut's prose, its gentle rhythms and straightforward sentences edging toward revelation, is utterly seductive and

suspenseful . . . Galgut is a master of psychological tension. . . . Tragic and brilliant." —The Globe and Mail (Toronto)

The Great Zoo of China Pan Macmillan

A special prequel to *The Two Lost Mountains* from Australia's favourite novelist and the author of both the *Jack West Jr* and *Scarecrow* series. When a satellite hunter intercepts a top-secret transmission from the Moon, his old friend Jack West Jr is his only hope... *The Two Lost Mountains* is out now.

<i>The Six Sacred Stones</i> Simon and Schuster THE ULTIMATE HERO IS BACK THE WORLD IS ON FIRE At an abandoned Soviet base in the Arctic, a battle to save all life on Earth is about to begin... A TOP SECRET BASE When Dragon Island, a top-secret base that houses a weapon of terrible destructive force is seized by a brutal terrorist force calling itself the Army of Thieves, the fate of the world suddenly hangs in the balance. But	there are no crack units close enough to get to Dragon in time to stop the Army setting off the weapon. ONLY ONE MAN CAN SAVE THE DAY Except, that is, for a small equipment-testing team up in the Arctic led by a Marine captain named Schofield, call-sign SCARECROW. * * * * * READERS LOVE SCARECROW AND THE ARMY OF THIEVES 'Each page is a thrill. If you are looking for escapism, this is definitely the book for	you' 'Shocks galore and a great ending. Just read it' 'I shouldn't like it...but I do! Scarecrow rocks' 'A blistering pace with so many twists and turns' 'Rip roaring adventure' <i>Hell Island</i> Vintage A blockbuster thriller from bestselling author Matthew Reilly. Four centuries ago, a precious idol was hidden in the jungles of Peru. To the Incan people, it is still the ultimate symbol of their spirit. To William race, an American linguist enlisted
--	---	--

by the U.S. Army to decipher the clues to its location, it's the ultimate symbol of the apocalypse... Carved from a rare stone not found on Earth, the idol possesses elements more destructive than any nuclear bomb--a virtual planet killer. In the wrong hands it could mean the end of mankind. And whoever possesses the idol, possesses the unfathomable--and cataclysmic--power of the gods... Now, in the foothills of the Andes,

Race's team has arrived--but they're not alone. And soon they'll discover that to penetrate the temple of the idol is to break the first rule of survival. Because some treasures are meant to stay buried..and forces are ready to kill to keep it that way...

Ninety East Ridge Pan Macmillan

As terrorists conspire to unleash a series of deadly attacks across America and a foreign wet work team targets a famous Hollywood

filmmaker, counterterrorism operative Scot Harvath races against time to save the United States from complete collapse.

The Eagle Has Landed
Open Road + Grove/Atlantic

The rule of faith was a summary of apostolic preaching and teaching made by writers of the early Christian centuries. As such it carries great importance for what the early church considered basic to its being and identity. It was not a fixed

text, like a creed, but varied in wording and content according to circumstances. Yet, despite this flexibility and diversity, there is a clear Christ-centered, Trinitarian core at the heart of the rule shared by the early apostolic churches. In this short guide, Everett Ferguson introduces readers to the primary sources of our knowledge of the rule, the variety of ways in which ancient Christian authors spoke of the rule, and different

scholarly attempts to interpret this ancient evidence. Ferguson argues that statements of the rule of faith were used to instruct new or potential converts, to combat false teachings, and to provide a framework for interpreting the Scriptures. He maintains that the rule retains considerable importance for churches of the twenty-first century. *Scarecrow* Pan Australia A reissue with new cover and a new format to co-incide with Matt's new blockbuster *The Five Greatest Warriors*

The Scarecrow Bonnier Zaffre Ltd.

There are 15 targets, the finest warriors in the world – commandos, spies, terrorists. And they must all be dead by 12 noon, today. The price on their heads: almost \$20 million each. Among the names on the target list, one stands out. An enigmatic Marine named Shane Schofield, call-sign: Scarecrow. And so Schofield is plunged into a headlong race around the world, pursued by a fearsome collection of international bounty hunters

– including the Black Knight,
a notoriously ruthless hunter
who seems intent on
eliminating only Schofield.
The race is on and the pace
is frantic as Schofield fights
for survival.
