Genre: Cowboy Romance - Older Woman Younger Man Love

Sarah 's life is falling apart, and the only remedy might be a rough night of cheating on her husband. If it saves her marriage, it can ' t be that bad... right? After years of mediocre married sex, Sarah can't hold her itch for a real man off any longer. A country music honkytonk with wall-to-wall young Texan cowboys is just what an older woman like her needs, and Sarah ' s craving for pleasure is only getting stronger. Will Tyler—her very own tall and muscular cowboy for the night—reconnect her with her

wilder past? Does he just want to hook up with a sexy cougar or does he know exactly what she needs, in bed and out? This 6,600 word cowboy fiction story contains detailed descriptions of older woman young man sex, including oral with a rough and ready Texas cowboy. It is intended for those who love cougar and younger man romance stories with cowboys. Author's note: This is a full-length, stand alone short story. No cliffhanger.

### **Hell on Heels MIRA**

A classic in the Bukowski poetry canon, *Love Is a Dog from Hell* is a raw, lyrical, exploration of the exigencies, heartbreaks, and limits of love. A book that captures the Dirty Old Man of American letters at his fiercest and most vulnerable, on a subject that hits home with all of us. Charles Bukowski was a man of intense emotions, someone an editor once called a "passionate madman." Alternating between tough and gentle, sensitive and gritty, Bukowski lays bare the myriad facets of love—its selfishness and its narcissism, its randomness, its mystery and its misery, and, ultimately, its true joyfulness, endurance, and redemptive power. "there is a loneliness in this world so great that

you can see it in the slow movement of the hands of a clock."

### [McGlue](#) Esther E. Schmidt

The debut novella from one of contemporary fiction's most exciting young voices, now in a new edition. Salem, Massachusetts, 1851: McGlue is in the hold, still too drunk to be sure of name or situation or orientation—he may have killed a man. That man may have been his best friend.

Intolerable memory accompanies sobriety. A-sail on the high seas of literary tradition, Ottessa Moshfegh gives us a nasty heartless blackguard on a knife-sharp voyage through the fogs of recollection. They said I've done something wrong? . . . And they've just left me down here to starve. They'll see this inanition and be so damned they'll fall to my feet and pass up hot cross buns slathered in fresh butter and beg I forgive them. All of them . . . : the entire world one by one. Like a good priest I'll pat their heads and nod. I'll dunk my skull into a barrel of gin.

It's true. I'm not what most people would call "pretty" and, well, high school was rough. Fast forward ten years and life is good... Until a bunch of jerks think it's hilarious to put the "butterface" (AKA me) on a wedding Kiss Cam with the hottest guy ever—and that

---

old humiliation hits hard. I recognize him immediately. The sexiest cop in Waterbury and totally out of my league. But then he kisses me. And we totally forget the room, the crowd, everything. Then he tells everyone we've been dating for months. Soon everything starts to feel too real, from adorable fights over "necessary" tools to fix my broken porch to surviving a free-for-all dinner with his six siblings to picking up where our last kiss left off. But there's something he's not telling me about why he's really hanging around, and I'm pretty sure it has to do with my mob-connected brothers. Because this is not a make-over story, and Cinderella is only a fairy tale... Each book in the Hartigans series is

"A suspenseful, thrilling read that will keep you on pins and needles until the last page." —Liesel and Angie's Book Blog

Beautiful. Perfect. Dead. In the peaceful seaside town of Cape Bonita, wicked secrets and lies are hidden just beneath the surface. But all it takes is one tragedy for them to be exposed. The most

popular girls in school are turning up dead, and Penelope Malone is terrified she's next. All the victims so far have been linked to Penelope—and to a boy from her physics class. The one she's never really noticed before, with the rumored dark past and a brooding stare that cuts right through her. There's something he isn't telling her. But there's something she's not telling him, either. Everyone has secrets, and theirs might get them killed.

Sleeping with the enemy is never a good idea, especially when she's your boss. No one tells Shane Williams what to do. His world. His rules—which is why he ran away from home at eighteen to pursue his dream of making a name for himself outside of small-town Georgia. Ten years later, he is one of

the hottest creative directors on the east coast and the majority shareholder in a digital media firm in Charlotte. Handing over the business portion of his company to his trusted friend and business partner and keeping his true identity as the founder a secret has its perks. But Shane is about to find out one of its flaws. At the expense of her relationships, Rosemary Berkowitz has always done what it takes to succeed. Being a female leader in an all-boys tech field has made her tougher than nails. She may be a sweet country girl, but, underneath her innocent exterior, Rose is a boss with an iron fist. She never backs down from a challenge, and, when she wants something, she goes after it full force. No matter how sexy his smile is, the attention of a tattooed bad boy is the last thing Rose wants. After a club outing with her best friend turns into a steamy night with a mysterious stranger, Rose wants nothing more than to move past her one-night stand—however amazing it was—and continue to mend

her broken career. Little does Rose know that fate has other things in store. I Love This Bar Leslie Hunter No one in their right freaking mind ever said midlife was magical. Apparently it is. In the first book in a brilliant new fantasy series, books that aren't finished by their authors reside in the Library of the Unwritten in Hell, and it is up to the Librarian to track down any restless characters who emerge from those unfinished stories. Many years ago, Claire was named Head

Librarian of the Unwritten Wing-- a neutral space in Hell where all the stories unfinished by their authors reside. Her job consists mainly of repairing and organizing books, but also of keeping an eye on restless stories that risk materializing as characters and escaping the library. When a Hero escapes from his book and goes in search of his author, Claire must track and capture him with the help of former muse and current assistant Brevity and nervous demon courier Leto. But what should have been a simple retrieval goes horrifyingly wrong when the terrifyingly angelic Ramiel attacks them, convinced that they hold the Devil's Bible. The text of the Devil's Bible is a powerful weapon in the power struggle between Heaven and Hell, so it falls to the librarians to find a book with the power to reshape the boundaries between Heaven, Hell.... and Earth.

Milan Brooks, a fashion buyer with a chip on her shoulder, has been through her share of cheating, disrespectful men. In most people's books she'd be rated a true dime, but she still hasn't been lucky enough to find a loyal man. When a chance encounter with a childhood friend turns into a promising relationship, Milan thinks things might be different this time. Unfortunately, her younger sister steps in with plans of her own.

Shekia feels nothing but envy when she looks at her sister. She is just as beautiful as Milan, but lacks confidence. Milan wants to get closer to her sister, but with jealousy and rage brewing in her heart, Shekia pushes her away. She's tired of playing in Milan's shadow, and has every intention of taking her place. Sapphire has struggled with insecurities most of her life, but thinks she has finally figured it out. She's working as a dancer at a local strip club to pay her way through college, and though she isn't looking for a man, Mr. Right has fallen into her lap. She's on cloud nine, until she realizes his true colors. Feeling trapped, she makes one bad decision after another, altering the course of her life. In *Hell on Heels*, you will watch the lives of these three women collide, leading to devastating consequences. The twists and turns will catch you off guard and blow your mind. Reminiscent of Brittani's debut novel, *Daddy's Little Girl*, expect the unexpected, because nothing is what it seems. **Cowboy Heat (Older**

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the

---

ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

*Hell on Heels* Rosemarie J. Alvarez

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Rediscover the world of the Retrievers and the Cosa Nostradamus, in book 1 of the popular series by Laura Anne Gilman. It starts as a simple job—but simple jobs, when you're dealing with the magical world, often end up anything but. As a Retriever, Wren Valere specializes in finding things gone missing—and then bringing them back, no questions asked. Normally her job is stimulating, challenging and only a little bit dangerous. But every once in a while... Case in point: A cornerstone containing a spell is stolen and there's a magical complication. (Isn't there always?) Wren's unique abilities aren't enough to lay this particular case to rest, so she turns to some friends: a demon (minor), a mage who has lost his mind, and a few others, including Sergei, her business partner (and maybe a bit more?). Sometimes what a woman has to do to get the job done is enough to give even Wren nightmares... Originally published in 2004
