The Only Way to Cross Reissue John Wiley & Sons
Would you go to the gates of Hell for your job? American Federal Agent Jay 'Bird' Dobyns did. For nearly two years, Dobyns infiltrated the world's most notorious biker gang—the Hells Angels. An undercover agent for the US government, Bird left his family behind and immersed himself in the Angels' seductive web of organised crime, violence and brotherhood. But all along, whether on the open road or in seedy backrooms, he knew that death was only one wrong move away. This is a wild ride through one of the world's most violent and unpredictable organisations. No Angel screams along with the noise, power and force of the Hells Angels in full formation.

Fear and Loathing in America 1500 Books LLC

The compelling story of the rise and rule of one of the world's most feared outlaw motorcycle gangs - in the bestselling tradition of *Dead Man Running* and *The Brotherhoods*.

Summary of Hell's Angels by Hunter S. Thompson:
Conversation Starters Robinson

The definitive collection of first-hand accounts of the world's outlaw motorcycle gangs, with contributions by Sonny Barger, Hunter S. Thompson, Ed Winterhalder, William Queen and many more. Outlaw bikers consider themselves 'the last free people in society', unconstrained by the regulations that hem in ordinary citizens. And they guard their privacy jealously. Drawing on seventeen years of studying and participating in biker culture, the author has compiled this one-of-a-kind collection of original biker writing. Here are insider accounts of landmark incidents in biker folklore, including reprints of classic writing from biker-originated magazines, handouts, websites and books. Gangs featured include the Bandidos, the Hells Angels, Henchmen MC, the Outlaws, the Mongols, the Annihilators, the Diablos, the Gypsy Jokers, the Rebels, the Straight Satans and the Vagos. And with contributors such as Freewheelin' Frank (one-time secretary of the Hells Angels), Edward Winterhalder (among the most powerful members of the Bandidos) and Sonny Barger (founder of the Hells Angels). Also included are those rare accounts by outsiders who have succeeded in 'looking in' on the gangs: Hunter S.

Thompson's *Hells Angels: A Strange and Terrible Modern Saga*; writing by William Queen, the undercover agent who infiltrated America's violent outlaw motorcycle gang the Mongols; and Daniel R. Wolf's account of riding with the Rebels.

Hell's Angel New York : Ballantine Books

Not since Hunter Thompson's seminal *Hells Angels: A Strange & Terrible Saga of the Outlaw Motorcycle Gangs* in 1967 has there been such a thorough account of the Angels. This book documents the gang's bumpy ride from its origins as a Stateside club for WWII fighter pilots to its freewheeling terror tactics of the early sixties, to its absurd flirtation with the hippie scene, to its current status as one of the most powerful underground organisations in North America, rivalling even the Mafia.

Hunter William Morrow Paperbacks

The true story of World War 2's legendary Hell's Angels—the 8th Air Force's 303rd Bomb Group. Although the United States declared war against Germany in December 1941, a successful assault on Nazi-occupied Europe could not happen until Germany's industrial and military might were crippled. The first target was the Luftwaffe—the most powerful and battle-hardened air force in the world. The United States Army Air Forces joined with Great Britain's already-engaged Royal Air Force to launch a strategic air campaign that ultimately brought the Luftwaffe to its knees. One of the standout units of this campaign was the legendary 303rd Bomb Group—Hell's Angels. This is the 303rd's story, as told by the men who made it what it was. Taking their name from their B-17 of the same name, they became one of the most distinguished and important air combat units in history. The dramatic and terrible air battles they fought against Germany ultimately changed the course of the war. INCLUDES PHOTOS

Hell's Angels Text Publishing

The first volume in Hunter S. Thompson's bestselling *Gonzo Papers* offers brilliant commentary and outrageous humor, in his signature style. Originally published in 1979, the first volume of the bestselling "Gonzo Papers" is now back in print. The *Great Shark Hunt* is Dr. Hunter S. Thompson's largest and, arguably, most important work, covering Nixon to napalm, Las Vegas to Watergate, Carter to cocaine. These essays offer brilliant commentary and outrageous humor, in signature Thompson style. Ranging in date from the *National Observer* days to the era of *Rolling Stone*, *The Great Shark Hunt* offers myriad, highly charged entries, including the first Hunter S. Thompson piece to be dubbed "gonzo"—"The Kentucky Derby Is Decadent and Depraved," which appeared in *Scanlan's Monthly* in 1970. From this essay a new journalistic movement sprang which would change the shape of American letters. Thompson's razor-sharp insight and crystal clarity capture the crazy, hypocritical, degenerate, and redeeming aspects of the explosive and colorful '60s and '70s.

Hell's Angels Simon and Schuster

Enhanced by new biographical material, a visual biography collects the gonzo journalist's photography and archives, featuring many photographs

taken by Thompson himself, accompanied by writings and memorabilia.

Hell's Angels Ballantine Books

Hell's Angels: Taking Care of Business is the ground-breaking book that launched Yves Lavigne's investigative series into the Hell's Angels. This book traces the growth of the Hell's Angels organization from the early, rowdy "club" to the insidious, far-reaching superstructure that now exists. Today's Angels still value the grinning death's head, but they keep it for funerals, runs, initiations, and laying heavies. Angels, like the undercover policemen who tail them, prefer street clothes to blend with their surroundings. In a world of drugs, prostitution and pornography, the shadow the Angels' wings falls on all of us. Hell's Angels: Taking care of Business is a fascinating and startling read.

Hells Angels Macmillan

The Hell's Angels erupted into 1960s America, paralyzing whole towns with fear. Determined to discover the truth behind the terrifying reputation of these marauding biker gangs, Hunter S. Thompson spent a year on the road with the Angels, documenting his hair-raising experiences with Charger Charley, Big Frank, Little Jesus and The Gimp. Hell's Angels was the result: a masterpiece of underground reportage whose free-wheeling, impressionistic style created the legend of Gonzo journalism, and made Thompson's name as the wild man of American writing.

The Fat Mexican Harper Collins

The basis for the hit TV series *Gangland Undercover!* The gripping account from an ex-con who went undercover to help the ATF infiltrate three of America's most violent biker gangs. Despite lacking any experience with motorcycle gangs, Charles Falco infiltrated three of America's deadliest biker gangs: the Vagos, Mongols, and Outlaws. In separate investigations that spanned years and coasts, Falco risked his life, suffering a fractured neck and a severely torn shoulder, working deep under cover to bring violent sociopaths to justice. His dedication was profound; Falco spent almost three years infiltrating the Vagos gang and rose to second in command of the Victorville, California chapter. He even served time in San Bernardino's Murder Unit and endured solitary confinement to protect his cover and the investigations. Falco recorded confessions of gangland-style killings and nearly became a target himself before he sought refuge in the Witness Protection Program. But discontent to remain on the sidelines and motivated by a strong sense of duty, Falco eventually left the Program and volunteer his talents again to infiltrate the Mongols and Outlaws, rising in rank to Vice President of the Petersburg, Virginia Outlaws chapter. His efforts culminated in sixty two arrests of members for various crimes, including assault and murder. Executing one of this country's most successful RICO prosecutions and effectively crippling the criminal enterprise, Falco's engrossing narrative of the dangers of the biker underworld harkens back to Hunter S. Thompson's classic *Hell's Angels*, vividly recounting a life undercover.

Hunter S. Thompson Gonzo Harper Collins

Here, for the first time, is the private and most intimate correspondence of one of America's most influential and incisive journalists--Hunter S. Thompson. In letters to a Who's Who of luminaries from Norman Mailer to Charles Kuralt, Tom Wolfe to Lyndon Johnson, William Styron to Joan Baez--not to mention his mother, the NRA, and a chain of newspaper editors--Thompson vividly catches the tenor of the times in 1960s America and channels it all through his own razor-sharp perspective.

Passionate in their admiration, merciless in their scorn, and never anything less than fascinating, the dispatches of *The Proud Highway* offer an unprecedented and penetrating gaze into the evolution of the most outrageous raconteur/provocateur ever to assault a typewriter.

Songs of the Doomed Hachette UK

From the king of "Gonzo" journalism and bestselling author who brought you *Fear and Loathing in Las Vegas* comes another astonishing volume of letters by Hunter S. Thompson. Brazen, incisive,

and outrageous as ever, this second volume of Thompson's private correspondence is the highly anticipated follow-up to *The Proud Highway*. When that first book of letters appeared in 1997, *Time* pronounced it "deliriously entertaining"; *Rolling Stone* called it "brilliant beyond description"; and *The New York Times* celebrated its "wicked humor and bracing political conviction." Spanning the years between 1968 and 1976, these never-before-published letters show Thompson building his legend: running for sheriff in Aspen, Colorado; creating the seminal road book *Fear and Loathing in Las Vegas*; twisting political reporting to new heights for *Rolling Stone*; and making sense of it all in the landmark *Fear and Loathing on the Campaign Trail '72*. To read Thompson's dispatches from these years—addressed to the author's friends, enemies, editors, and creditors, and such notables as Jimmy Carter, Tom Wolfe, and Kurt Vonnegut—is to read a raw, revolutionary eyewitness account of one of the most exciting and pivotal eras in American history.

The Hell's Angels Letters Motorbooks

Narrated by the visionary founding member, Hell's Angel provides a fascinating all-access pass to the secret world of the notorious Hell's Angels Motorcycle Club. Sonny Barger recounts the birth of the original Oakland Hell's Angels and the four turbulent decades that followed. Hell's Angel also chronicles the way the HAMC revolutionized the look of the Harley-Davidson motorcycle and built what has become a worldwide bike-riding fraternity, a beacon for freedom-seekers the world over. Dozens of photos, including many from private collections and from noted photographers, provide visual documentation to this extraordinary tale. Never simply a story about motorcycles, colorful characters, and high-speed thrills, *Hell's Angel* is the ultimate outlaw's tale of loyalty and betrayal, subcultures and brotherhood, and the real price of freedom.

Hell's Angels Ballantine Books

A rollicking, no-holds-barred memoir, "The Jokes Over" is the definitive inside story of Hunter S. Thompson and the Gonzo years.

Hell's Angels Vintage Canada

Only E. Jean Carroll, called by *The New York Times* the female answer to Hunter Thompson could write a gonzo biography of the master. Carroll writes of the drug-fueled and sex-crazed time she spent living with Hunter S. Thompson. Includes dozens of interviews conducted by Carroll with his ex-wife, former lovers, long-suffering editors, drug dealers, politicians, childhood friends and hangers-on. What emerges is an intimate look at an American icon.

Millennial Nuns Grove Press

The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. ?Season 2 of *Good Omens* coming soon! "Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It's a wow. It would make one hell of a movie. Or a heavenly one. Take your pick." —*Washington Post* According to *The Nice and Accurate Prophecies of Agnes Nutter, Witch* (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since *The Beginning* and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

Hell's Angels Simon and Schuster

In this breathtaking cultural history filled with exclusive, never-

before-revealed details, celebrated rock journalist Joel Selvin tells the definitive story of the Rolling Stones' infamous Altamont concert, the disastrous historic event that marked the end of the idealistic 1960s. In the annals of rock history, the Altamont Speedway Free Festival on December 6, 1969, has long been seen as the distorted twin of Woodstock—the day that shattered the Sixties' promise of peace and love when a concertgoer was killed by a member of the Hells Angels, the notorious biker club acting as security. While most people know of the events from the film *Gimme Shelter*, the whole story has remained buried in varied accounts, rumor, and myth—until now. *Altamont* explores rock's darkest day, a fiasco that began well before the climactic death of Meredith Hunter and continued beyond that infamous December night. Joel Selvin probes every aspect of the show—from the Stones' hastily planned tour preceding the concert to the bad acid that swept through the audience to other deaths that also occurred that evening—to capture the full scope of the tragedy and its aftermath. He also provides an in-depth look at the Grateful Dead's role in the events leading to Altamont, examining the band's behind-the-scenes presence in both arranging the show and hiring the Hells Angels as security. The product of twenty years of exhaustive research and dozens of interviews with many key players, including medical staff, Hells Angels members, the stage crew, and the musicians who were there, and featuring sixteen pages of color photos, *Altamont* is the ultimate account of the final event in rock's formative and most turbulent decade.

The Mammoth Book of Bikers Houghton Mifflin Harcourt

From the first federal agent to infiltrate the inner circle of the outlaw Hells Angels Motorcycle Club comes the inside story of the 21-month operation that almost cost him his family, his sanity, and his life. Getting shot in the chest as a rookie agent, bartering for machine guns, throttling down the highway at 100 mph, and responding to a full-scale, bloody riot between the Hells Angels and their rivals, the Mongols—these are just a few of the high-adrenaline experiences Dobyns recounts in this action-packed, hard-to-imagine-but-true story. Dobyns leaves no stone of his harrowing journey unturned. At runs and clubhouses, between rides and riots, Dobyns befriends bad-ass bikers, meth-fueled “old ladies,” gun fetishists, psycho-killer ex-cons, and even some of the “Filthy Few”—the elite of the Hells Angels who've committed extreme violence on behalf of their club. Eventually, at parties staged behind heavily armed security, he meets legendary club members such as Chuck Zito, Johnny Angel, and the godfather of all bikers, Ralph “Sonny” Barger. To blend in with them, he gets full-arm ink; to win their respect, he vows to prove himself a stone-cold killer. Hardest of all is leading a double life, which has him torn between his devotion to his wife and children, and his pledge to become the first federal agent ever to be “fully patched” into the Angels' near-impregnable ranks. His act is so convincing that he comes within a hairsbreadth of losing himself. Eventually, he realizes that just as he's been infiltrating the Hells Angels, they've been infiltrating him. And just as they're not all bad, he's not all good. Reminiscent of *Donnie Brasco*'s uncovering of the true Mafia, this is an eye-opening portrait of the world of bikers—the most in-depth since Hunter Thompson's seminal work—one that fully describes the seductive lure criminal camaraderie has for men who would otherwise be powerless outsiders. Here is all the nihilism, hate, and intimidation, but also the freedom—and, yes, brotherhood—of the only truly American form of organized crime.

Hell's Angels Penguin

This is the explosive true story of the only man ever to infiltrate the Hells Angels organization as an FBI informant, uncovering the truth about the notorious biker gang's netherworld of evil, lust, and violence. A chilling crime story that strips away the Hell's Angels's image to reveal a powerful and deadly organized crime syndicate. The author's acceptance into the highest ranks of the gang led to an unprecedented FBI sting operation and 42 arrests.

Please Kill Me HarperCollins

Now in paperback, this first oral history of the most nihilistic of all pop

movements brings the sound of the punk generation chillingly to life with 50 new pages of depraved testimony. “Please Kill Me” reads like a fast-paced novel, but the tragedies it contains are all too human and all too real. photos.
