The Union of Arcana has
expanded through the
portals linking parallel
universes for over a century
and a half. In that time, its
soldiers and sorcerers have
laid claim to one
uninhabited planet after
another;all of them Earth,
and in the process, the
Union has become the most
powerful, most wealthy
civilization in all of human
history.

The first novel David
Weber brought out in the
Honor Harrington series,
this book was initially
published in 1993 and was
to mark the start of a long-
running franchise featuring
the titular protagonist.

Introducing the key
players in his new
universe, Weber brought in
all the essential parts for
his audience.

But all of that is about to change. It seems there is intelligent life elsewhere in the multiverse. Other human intelligent life, with terrifying new weapons and powers of the mind . . . and wizards who go by the strange title of "scientist." At the publisher's request, this title is sold without DRM (Digital Rights Management).

Hell's Gate October 2006 five months later Hell Hath No Fury March 2007 nine years later The Road to Hell March 1, 2016 So MAYBE book 4 won't be another decade behind book 3 -- or maybe it will. The gaps wouldn't be bad if these were actually novels in their own right.

Multiverse Series by David Weber - Goodreads

The war between magically gifted Arcana and psionically talented Sharona continues to rage. The dragon-borne Arcanan assault across five universes has been halted at Fort Salby by a desperate

defense, but at
atrocious cost.
