I've had my Model 88 for a long time and, while I do quite like it in general terms, as another writer mentioned, it has way too much "bass" for my taste (I put that in quotes because I guess it's bumped electronically somehow, being a rather small 4" driver and all). More pressing to me though is that it has practically zero high-end.

I was responsible, by aggressive recommendation, for about 25 of the Kloss Model 88 and 88CD's being purchased by family and friends when they were new. The experience now more than 15 years years on is that all of the radios still work but the keypads on the radio itself fail and the remote handset becomes the only way to operate it.

FM DX On the Henry Kloss Model 88 (OT) Part One

Hello. I'm looking for someone who can repair my Henry Kloss Model 88 stereo radio, which I purchased from Cambridge Soundworks, whose policy is not to repair anything except the current models. (How about that for great customer support!) My radio will not power up from either the front panel switch or by using the remote.

MODEL 88 RADIO By HENRY KLOSS of Cambridge SoundWorks ...

Hi all. This past Spring I put my Cambridge Soundworks Model 88 table radio, designed by the late Henry Kloss, through its paces on the FM broadcast band. For the duration of the test, the radio sat in one place in a ground floor room. The only antenna used was a cheap \$2 plastic dipole tacked haphazardly to the wall; it too remained in one
