Glenn Beck's heart-pounding sequel to his #1 bestselling novel *The Overton Window* The last battle for freedom is under way. An unlikely band of ordinary Americans is ready to make its last stand in defense of self-rule, freedom, and liberty. Among them is Molly Ross, a young rebel who exposed a shadow war for the nation's fate that is waged by aging trillionaire Aaron Doyle and an elite cabal of self-styled tyrants. Marked as traitors and hunted down, Ross and her allies are cornered and standing alone. But the fight is far from over. As Doyle prepares to fulfill his dark global vision for humanity's future, Molly and her small but devoted team bravely infiltrate one of the most secure locations on Earth—a place holding longstanding secrets that, if revealed, will forever change the way Americans view their extraordinary place in history. Glenn Beck takes the sizzling suspense and roller-coaster twists of *The Overton Window* to new heights in this electrifying thriller.

[Henry Heckelbeck Chills Out Pen and Sword](#)

An unprecedented contribution to the field of Civil War history, *Voices from Company D* collects writings from the diaries of eight members of the Greensboro Guards, Fifth Alabama Infantry Regiment. Woven into a single chronological narrative, these writings provide a unique perspective not only on many of the war's battles and campaigns but also on aspects of life and culture in the nineteenth-century South, including friendship and kinship, duty and honor, and commitment and sacrifice. As part of the Army of Northern Virginia, the Guards marched under Stonewall Jackson and Jubal Early and fought throughout the war in such battles as Seven Pines, Chancellorsville, Gettysburg, Spotsylvania, and finally Petersburg, where all but one of the Guards were captured. Readers will find singular descriptions of the towns and countryside the men saw, of battlefields and camps, of civilians caught in the path of the war. The diarists also commented on such topics as politics, religion, the home front, the presence of slaves alongside the troops, prices and inflation, troop morale, and leisure activities from reading to gambling. While the diaries impart a wealth of information about critical military engagements, they also convey the full range of the wartime experience: from terror to boredom, pride to regret, victory to defeat.

"If you love to read ... you know that some books affect you so profoundly they forever change the way you think about the world. Some books, on the other hand, disappoint you so much you want to throw them against the wall ... In [this book], librarian Annie Spence has crafted love letters and breakup notes to the iconic and eclectic books she has encountered over the years. From breaking up with *The Giving Tree* (a dysfunctional relationship book if ever there was one), to her love letter to *The Time Traveler's Wife* (a novel less about time travel and more about the life of a marriage, with all of its ups and downs), Spence will make you think of old favorites in a new way"--Dust jacket flap.

Details some of the little-known stories from American history that explain the American identity and where the country is headed in the future.

[The Spectator life by states manual](#) Simon and Schuster

This ambitious work chronicles 250 years of the Cromartie Family genealogical history. Included in the index of nearly 50,000 names are the current generations, and all of those preceding, which trace ancestry to our family patriarch, William Cromartie who was born in 1731 in Orkney, Scotland and his second wife, Ruhamah Doane who was born in 1745. Arriving in America in 1758, William Cromartie settled and developed a plantation on South River, a tributary of the Cape Fear near Wilmington, North Carolina. On April 2, 1766, William married Ruhamah Doane, a fifth generation descendant of a Mayflower passenger to Plymouth, Stephen Hopkins. If Cromartie is your last name, or that of one of your blood relatives, it is almost certain that you can trace your ancestry to one of the thirteen children of William Cromartie, his first wife, and Ruhamah Doane, who became the founding ancestors of our Cromartie Family in America: William Jr, James, Thankful, Elizabeth, Hannah Ruhamah, Alexander, John, Margaret Nancy, Mary, Catherine, Jean, Peter Patrick, and Ann E. Cromartie. These four volumes hold an account of the descent of each of these first-generation Cromarties in America, including personal antidotes, photographs, copies of family Bibles, wills and other historical documents. Their pages hold a personal record of our ancestors and where you belong in the Cromartie Family Tree.

Well, there's overprotective—and then there's Little Red Henry's family! A hilarious tale about what happens when a coddled kid asserts his independence. Little redheaded Henry's family treats him like a baby. They dress him. They feed him. They brush his "widdle toofers." But he's not a baby anymore. He's a little boy who wants to do things for himself. So with his family watching anxiously from the wings, Henry sets out on a glorious day of independence. But will things swing too far in the other direction? In this charming reworking of the classic tale of the Little Red Hen, author Linda Urban and

illustrator Madeline Valentine gently and humorously depict a family trying to find a middle ground between hovering over their youngest member and giving him room to grow.

Heidi Heckelbeck's younger brother Henry finds his own magical Book of Spells in this first Henry Heckelbeck adventure! Henry Heckelbeck is just like any other normal kid. He plays soccer. He isn't a huge fan of homework. He even has an older sister, Heidi. What's not so normal about Henry is his family. His sister and mom are magic. Not Henry, though...he's just a normal kid. Or is he? Henry Heckelbeck is starting a new year of school. He has a new teacher, makes new friends, and discovers that he has some magical powers of his own thanks to a Book of Spells he finds in his bedroom. But magic can be tricky and when Henry accidentally brings his toy dragon to life, his days of being a normal kid are over. With easy-to-read language and illustrations on almost every page, the Henry Heckelbeck chapter books are perfect for beginning readers.

[Devil You Know](#) Simon and Schuster

#1 New York Times bestselling author and popular radio and television host Glenn Beck revisits Thomas Paine's *Common Sense*. In any era, great Americans inspire us to reach our full potential. They know with conviction what they believe within themselves. They understand that all actions have consequences. And they find commonsense solutions to the nation's problems. One such American, Thomas Paine, was an ordinary man who changed the course of history by penning *Common Sense*, the concise 1776 masterpiece in which, through extraordinarily straightforward and indisputable arguments, he encouraged his fellow citizens to take control of America's future—and, ultimately, her freedom. Nearly two and a half centuries later, those very freedoms once again hang in the balance. And now, Glenn Beck revisits Paine's powerful treatise with one purpose: to galvanize Americans to see past government's easy solutions, two-party monopoly, and illogical methods and take back our great country.

Gunnar He has no idea who he is. What he does know is that he was stabbed, shot, and crushed under a wall when his unit was attacked when he was in the Army. Now, he's just trying to find his way. He's fucking angry and tired of dealing with his poor excuse of a life and am doing his best to drown his sorrows in the bottom of a bottle. The pieces of his forgotten life are reappearing and they terrify him more than the uncertain future ahead... Bowen He's a lot of things, but what he's not, is a babysitter. He has his own shit to deal with, let alone take care of a guy who barely knows who he is. Gunnar is his brother's best friend, and Bowen's former lover. So when his brother asks for a favor, he can't say no. What he wasn't expecting was the feelings that started happening when Gunnar needed his help. The vulnerability in his voice tugged at Bowen's heart. Although Gunnar has no memory of who he is, Bowen's getting glimpses of the man he used to be. He's hoping Gunnar will let Bowen help him find himself again. Otherwise, Bowen's afraid he'll be lost forever.

[A History of American Manufactures from 1608 to 1860: Exhibiting the Origin and Growth of the Principal Mechanic Arts and Manufactures, from the Earliest Colonial Period to the Adoption of the Constitution and Comprising Annals of the Industry of the United States in Machinery, Manufactures and Useful Arts...](#) Simon and Schuster

Back is the story of Charley Summers, who is back from the war and a POW camp having lost the woman he loved, Rose, to illness before he left and his leg to fighting. In other words, Charley has very little to come back to, only memories, and on top of that he has been deeply traumatized by his experience of war. Rose's father introduces him to another young woman, Nancy, and Charley becomes convinced that she is in fact Rose and pursues her. Back is at once a Shakespearean comedy of mistaken identities, a voyage into the world of madness, and a celebration of the improbable healing powers of love.

[The Legitimacy of Bastards](#) Random House Digital, Inc.

I never should have jumped that fence, and I definitely shouldn't have kissed her. Living on the streets, I made some hard decisions to stay alive. I signed a contract with the devil, and because of that, I choose to live alone. But after listening to my neighbors fight every night for years, it's finally gotten to me. Now I've gone and done it - I've broken my only rule: never get involved. I want to save the beautiful woman next door with the sad eyes from his abuse. I want to take her away from all of this, but what do I have to offer when my hands are stained with the sins I've committed? How can I offer a broken woman peace and safety when those two things don't exist in my world? SEE WHAT OTHERS ARE SAYING ABOUT DEVIL YOU KNOW: "It was dark and gritty and I just couldn't help but be addicted to each page, desperate to find out everything as quick as possible." - Louise, Seraphim Reviews "When it comes to real subjects that we all deal with every day I don't want it to be sugar coated - I want to be able to feel what the character is feeling and Henry does that without flaw...." - Michelle Slagan "A gripping, intense story that will take you on an emotional ride of self discovery and finding true happiness in the strangest of places." - Bel Burgess

Winner of Library Media Connection Editors' Choice Award. "I was howling with laughter!" --Jeff CrosbyDo you dread sitting down with a book? We do, too. That's why we wrote this--a book for kids who don't like to read. If someone's bugging you to open a book, grab this one. Once you start flipping through the pages, you'll probably start laughing. Things always seem to go by faster when you're laughing. In this book, you'll find out how the Bacon brothers get through their 20-minute reading requirement without really reading. Tips range from practical (bathroom reading), to gross (bloody noses), to outrageous (man-eating monsters). You'll also learn what to do when someone makes you read on vacation and how to deal with the kids in your class who actually like to read. This book is full of easy words. And if you come across a word you don't know, you can just skip it. Really, you won't miss any of the good parts. We know, sitting down with any book, including this one, isn't the same as playing outside, or singing, or building a pillow fort, or even washing the car. But if you have to read, you may as well pick a book written by people who feel the same way you do. Try it. Pretty soon you may be surprised you've actually finished a book!

Sebastian WestBowPress

An in-depth look at the lives of illegitimate children and their parents in England in the later Middle Ages. For the nobility and gentry in later medieval England, land was a source of wealth and status. Their marriages were arranged with this in mind, and it is not surprising that so many of them had mistresses and illegitimate children. John de Warenne, earl of Surrey, married at the age of twenty to a ten-year-old granddaughter of Edward I, had at least eight bastards and a complicated love life. In theory, bastards were at a considerable disadvantage. Regarded as ' filius nullius ' or the son of no one, they were unable to inherit real property and barred from the priesthood. In practice, illegitimacy could be less of a stigma in late medieval England than it became between the sixteenth and late twentieth centuries. There were ways of making provision for illegitimate offspring and some bastards did extremely well—in the church, through marriage, as soldiers, and a few even succeeding to the family estates. *The Legitimacy of Bastards* is the first book to consider the individuals who had illegitimate children, the ways in which they provided for them and attitudes towards both the parents and the bastard children. It also highlights important differences between the views of illegitimacy taken by the Church and by the English law. " Informative and well researched . . . A great resource for those who want to learn more about the late medieval period and illegitimate children. " —Adventures of a Tudor Nerd
