Margaret of Anjou was a formidable 15th century queen who played a pivotal role in the War of the Roses, the decades-long power struggle between the houses of Lancaster and York for the English crown. Born in Lorraine in 1430, Margaret married King Henry VI of England at the age of 15. The match was politically arranged by the English, who hoped Margaret would provide strong leadership that the mentally fragile Henry VI lacked. As queen, Margaret was fiercely protective of her husband's interests. With Henry frequently incapacitated by mental illness, Margaret held significant sway over the kingdom. Her assertive leadership earned her many enemies among the rival York faction. Margaret's steely resolve and keen political mind were great assets in stabilizing Lancastrian control in England early on. But she also became notorious for her unwavering enmity against the Yorks. As political tides turned against the Lancastrians, Margaret refused to compromise. She continued fighting ruthlessly for her only son's right to the throne, even as Yorkshire opposition to Henry VI grew. Despite reversals, Margaret tenaciously led Lancastrian forces in victory after victory. Even when finally defeated and forced to flee England, she engineered her husband's brief restoration to the crown from exile in France. Strong-willed to a fault, Margaret was ultimately unable to accept the political realities turning England against her family's reign. But her relentless quest to secure power makes Margaret one of the most memorable figures of the War of the Roses.

Henry VI & Margaret of Anjou Pen & Sword History

A thrilling new account of the tragic story and troubled times of Henry VI, who inherited the crowns of both England and France and lost both. Firstborn son of a warrior father who defeated the French at Agincourt, Henry VI of the House of Lancaster inherited the crown not only of England but also of France, at a time when Plantagenet dominance over the Valois dynasty was at its glorious height. And yet, by the time he died in the Tower of London in 1471, France was lost, his throne had been seized by his rival, Edward IV of the House of York, and his kingdom had descended into the violent chaos of the Wars of the Roses. Henry VI is perhaps the most troubled of English monarchs, a pious, gentle, well-intentioned man who was plagued by bouts of mental illness. In *The Shadow King*, Lauren Johnson tells his remarkable and sometimes shocking story in a fast-paced and colorful narrative that captures both the poignancy of Henry ' s life and the tumultuous and bloody nature of the times in which he lived.

Letters of Queen Margaret of Anjou and Bishop Beckett and Others DigiCat

A tale of the Wars of the Roses follows Elizabeth Woodville, who ascends to royalty and fights for the well-being of her family, including two sons whose imprisonment in the Tower of London precedes a devastating unsolved mystery. The second part of King Henry VI Boydell Press

The brilliant retelling of the Wars of the Roses continues with Margaret of Anjou, the second gripping novel in the new series from historical fiction master Conn Iggulden. As traitors advance . . . a queen defends. It is 1454 and for more than a year King Henry VI has remained all but exiled in Windsor Castle, struck down by his illness, his eyes vacant, his mind blank. His fiercely loyal wife and queen, Margaret of Anjou, safeguards her husband ' s interests, hoping that her son Edward will one day come to know his father. With each month that Henry is all but absent as king, Richard, the duke of York, protector of the realm, extends his influence throughout the kingdom. A trinity of nobles--York and Salisbury and Warwick--are a formidable trio and together they seek to break the support of those who would raise their colors and their armies in the name of Henry and his queen. But when the king unexpectedly recovers his senses and returns to London to reclaim his throne, the balance of power is once again thrown into turmoil. The clash of the Houses of Lancaster and York may be the beginning of a war that could tear England apart . . . Following Stormbird, Margaret of Anjou is the second epic installment in master storyteller Conn Iggulden ' s new Wars of the Roses series. Fans of the Game of Thrones and the Tudors series will be gripped from the word " go. "

" An illuminating and entertaining read . . . an analytical assessment of the two figures who led the Lancastrian faction during the Wars of the Roses. " —History . . . The Interesting Bits! He became king before his first birthday, inheriting a vast empire from his military hero father; she was the daughter of a king without power, who made an unexpected marriage at the age of fifteen. Almost completely opposite in character, together they formed an unlikely but complimentary partnership. Henry VI and Margaret of Anjou have become famous as the Lancastrian king and queen who were deposed during the Wars of the Roses but there is so much more to their story. The political narrative of their years together is a tale of twists and turns, encompassing incredible highs, when they came close to fulfilling their desires, and terrible, heart-breaking lows. Personally, their story is an intriguing one that raises may questions. Henry was a complex, misunderstood man, enlightened and unsuited to his times and

the pressures of kingship. In the end, overcome by fortune and the sheer determination of their enemies, their alliance collapsed. England simply wasn ' t ready for a gentle king like Henry, or woman like Margaret who defied contemporary stereotypes of gender and queenship. History has been a harsh judge to this royal couple. In this discerning dual biography, Amy Licence leads the way in a long-overdue re-evaluation of their characters and contributions during a tumultuous and defining period of British history. " A delight to read . . . A fresh new look at this power couple. " —Adventures of a Tudor Nerd

[Queen of Last Hopes](#) London : Peter Davies

A man other than my husband sits on England's throne today. What would happen if this king suddenly went mad? What would his queen do? Would she make the same mistakes I did, or would she learn from mine? Margaret of Anjou, queen of England, cannot give up on her husband-even when he slips into insanity. And as mother to the House of Lancaster's last hope, she cannot give up on her son-even when England turns against them. This gripping tale of a queen forced to stand strong in the face of overwhelming odds is at its heart a tender tale of love. Award-winning author Susan Higginbotham will once again ask readers to question everything they know about right and wrong, compassion and hope, duty to one's country and the desire of one's own heart. Praise for Susan Higginbotham "A beautiful blending of turbulent history and deeply felt fiction, Susan Higginbotham's The Queen of Last Hopes brings alive an amazing woman often overlooked or slandered by historians. Higginbotham has given readers of historical fiction a gift to treasure." -Karen Harper, New York Times bestselling author of The Irish Princess "A compelling, fast paced, and well-written saga that is destined to both entertain and educate anyone interested in the spirited and fascinating Margaret of Anjou for generations to come!" -D. L. Bogdan, author of Secrets of the Tudor Court "The Queen of Last Hopes is an inspiring novel of a woman who, in the face of betrayal and loss, would not surrender. Susan Higginbotham brings Margaret of Anjou to life and tells the story of the Frenchwoman who was one of the strongest queens England has ever known." -Christy English, author of The Queen's Pawn and To Be Queen

Margaret of Anjou ruled England but lost the Wars of the Roses and her reputation. She was reviled as a murderer and adulterer, This biography restores her rightful place as a powerful medieval queen. History of Margaret of Anjou, Queen of Henry VI of England Cosimo, Inc.
Margaret of Anjou is the most notorious of English medieval queens. In a man's world, how did she exercise power? By considering the constraints imposed upon Margaret's involvement in political activity by virtue of being a woman, this book sheds light on the convoluted politics of 15th century England.

[Margaret of Anjou](#) Penguin

Abraham Lincoln raved that this series of historical biographies gave him "just that knowledge of past men and events which I need. I have read them with the greatest interest. To them I am indebted for about all the historical knowledge I have." Considered what we would now call "young adult" literature, this collection, first published between 1848 and 1871, was designed to present a clear, distinct, connected narrative of the lives of the great figures of world history, those people who have been most influential, at least as American author and educator JACOB ABBOTT (1803-1879) saw it from his 19th-century perspective. Wildly popular and republished many times under different collected names, this replica set mimics the 1904 reprint known as the "Makers of

History" series. It will delight students of history as well as show the scholar how history telling has changed over the last few centuries. More than 30 other volumes in the series are also available from Cosimo Classics. This volume, dating from 1861, covers Margaret of Anjou (1430-1482)-the wife of King Henry VI of England and an influential figure in that nation's War of the Roses-from her courtship with the king to the plots and schemes of her reign and her eventual exile, and more.

The Life and Times of Margaret of Anjou, Queen of England and France Simon and Schuster

Margaret of Anjou grew up in a world filled with uncertainty, betrayal, traitors, and murderers. At a very young age, she witnessed her father being taken as a prisoner, her mother fighting to maintain control of her inheritance, and the arranged marriage of her aunt to the King of France. It's a time that no young girl could dream of, but it was the world that Margaret knew. To play her part in the affairs of state, she is betrothed to the much older King of England: Henry VI. She is determined to make sure that her fortunes are very different from the women that governed her life. King Henry loves his wife but has doubts about his ability to produce an heir. However, it is Margaret that takes the blame. She must get a son to secure her husband's throne, but the threat of war puts all her plans on hold. England emerges in a war between two rival families that believe they have a legitimate claim to the throne; the houses of Lancaster and York will fight to the death to have the victory. Margaret soon finds herself plotting treason, murder, lies, and adultery to see that the House of Lancaster stays firmly on England's throne. As Henry goes mad, she must take on the roles of King and Queen, and play the political leader all the while maintaining her virtue as a woman. History will remember her as a she-wolf, but it is the road that she must travel that will put her at the forefront of intrigue. Making her a queen-consort that England will never forget.

Henry VI and Margaret of Anjou Amberley Publishing Limited

The play begins with the marriage of King Henry VI of England to the young Margaret of Anjou. Margaret is the protegee and lover of William de la Pole, 4th Earl of Suffolk, who aims to influence the king through her. The major obstacle to Suffolk and Margaret's plan is the Lord Protector; Humphrey, Duke of Gloucester, who is extremely popular with the common people and deeply trusted by the King. Upon reaching the parliamentary chambers in London, York seats himself in the throne, and a confrontation ensues between his supporters and Henry's. Threatened with violence by Warwick, who has brought part of his army with him, the King reaches an agreement with York which will allow him to remain king until his death, at which time the throne will permanently pass to the House of York and its descendants. Disgusted with this decision, which would disinherit the King's son, Prince Edward, the King's supporters, led by his wife, Margaret, abandon him, and Margaret declares war on the Yorkists, supported by Clifford, who is determined to exact revenge for the death of his father at the hands of York during the battle of St Albans.

Letters of Queen Margaret of Anjou and Bishop Beckington and Others Createspace Independent Publishing Platform

A stunning and provocative new novel by the internationally celebrated author of The Blind Assassin, winner of the Booker Prize. Margaret Atwood ’ s new novel is so utterly compelling, so prescient, so relevant, so terrifyingly-all-too-likely-to-be-true, that readers may find their view of the world forever changed after reading it. This is Margaret Atwood at the absolute peak of her powers. For readers of Oryx and Crake, nothing will ever look the same again. The narrator of Atwood's riveting novel calls himself Snowman. When the story opens, he is sleeping in a tree, wearing an old bedsheet, mourning the loss of his beloved Oryx and his best friend Crake, and slowly starving to death. He searches for supplies in a wasteland where insects proliferate and pigoons and wolvogs ravage the pleeblands, where ordinary people once lived, and the Compounds that sheltered the extraordinary. As he tries to piece together what has taken place, the narrative shifts to decades earlier. How did everything fall apart so quickly?

Why is he left with nothing but his haunting memories? Alone except for the green-eyed Children of Crake, who think of him as a kind of monster, he explores the answers to these questions in the double journey he takes - into his own past, and back to Crake's high-tech bubble-dome, where the Paradise Project unfolded and the world came to grief. With breathtaking command of her shocking material, and with her customary sharp wit and dark humour, Atwood projects us into an outlandish yet wholly believable realm populated by characters who will continue to inhabit our dreams long after the last chapter.

Margaret of Anjou (Illustrated) Simon and Schuster

Margaret of Anjou, wife of England's Henry VI, played a key role in launching the storied War of the Roses - the 30-year civil conflict fuelled by the Lancasters and the Yorks, each vying for the British throne in the 15th century.
