King Henry VI. Palala Press
Henry VI, Part 1 (often written as 1 Henry VI), is a history play by William Shakespeare, and possibly Thomas Nashe, believed to have been written in 1591, and set during the lifetime of King Henry VI of England. Whereas 2 Henry VI deals with the King's inability to quell the bickering of his nobles, and the inevitability of armed conflict, and 3 Henry VI deals with the horrors of that conflict, 1 Henry VI deals with the loss of England's French territories

and the political machinations leading up to the Wars of the Roses, as the English political system is torn apart by personal squabbles and petty jealousy.

After the death of King Henry V, his young son ascends to the throne. As he ' s too young to rule, the English nobles rise to the challenge and take charge. Meanwhile, in France, Joan la Pucelle (Joan of Arc) persuades the newly crowned French king, Charles VII, to reclaim French lands held by the English. Lord Talbot, the national hero, leads the English to battle France. As

the war rages on the continent, the feuding dukes of York and Somerset quarrel over who is responsible for sending reinforcements. The power struggles at court create unrest and set up future conflicts. "Henry VI, Part 1" looks at the early English history and the country's tumultuous relationship with the French. The play is the first of four history plays (the others being "Henry VI, Part 2," "Henry VI, Part 3" and "Richard III") known collectively as the "first tetralogy." William Shakespeare (1564-1616) was an English playwright, poet and actor. Considered the greatest dramatist of all time, he is widely regarded as the most influential English language writer. Shakespeare's plays focus on the range of human emotion and conflict, and have been translated into

more than 100 languages. Many including "Hamlet" "Macbeth" and "Romeo and Juliet" have been adapted for stage and screen.

King Henry the Sixth, Part 1 by William Shakespeare Hyweb Technology Co. Ltd. As Henry's throne is threatened by rebel forces, England is divided. The characters reflect these oppositions, with Hal and Hotspur vying for position, and Falstaff leading Hal away from his father and towards excess. During Shakespeare's lifetime Henry IV, Part I was his most reprinted play, and it remains enormously popular with theatregoers and readers. Falstaff still towers among Shakespeare's comic inventions as he did in the late 1590's. David Bevington's introduction discusses the play in both performance and criticism from Shakespeare's time to our own, illustrating the

variety of interpretations of which the text is capable. He analyses the play's richly textured language in a detailed commentary on individual words and phrases and clearly explains its historical background.

Henry VI, Part 1 (亨利六世 (第一部))
Forgotten Books

The play begins with the funeral of Henry V, who has died unexpectedly in his prime. As his brothers, the Dukes of Bedford and Gloucester, and his uncle, the Duke of Exeter, lament his

passing and express doubt as to whether his son (the as yet uncrowned heir apparent Henry VI) is capable of running the country in such tumultuous times, word arrives of military setbacks in France. A rebellion, led by the Dauphin Charles, is gaining momentum, and several major towns have already been lost. Additionally, Lord Talbot, Constable of France, has been captured. Realising a critical time is at hand, Bedford immediately prepares himself to head to France and take command of the army, Gloucester remains in charge in England, and Exeter sets out to prepare young Henry for his forthcoming coronation. Meanwhile, in Orléans, the English army is laying siege to Charles' forces. Inside the city, the Bastard of Orléans approaches Charles and tells him of a young woman who claims to have seen visions and knows how to defeat the English. Charles summons the woman, Joan la Pucelle (i.e. Joan of Arc). To test her resolve, he challenges her to single combat. Upon her victory, he immediately places her in command of the army. Outside the city, the newly arrived Bedford negotiates the release of Talbot, but immediately, Joan launches an attack. The French forces win, forcing the English back, but Talbot and Bedford engineer a sneak attack on the city, and gain a foothold within the walls, causing the French leaders to flee.

Henry VI Forgotten Books

A fresh look at a play usually regarded as the first component of a three-part historical epic, this edition argues that Henry VI Part 1 is a 'prequel', a freestanding piece that returns for ironic and dramatic effect to a story already familiar to its audience. The play's ingenious

use of stage space is closely analysed, as is its manipulation of a series of setpiece combats to give a coherent syntax of action. Discussion of the dramatic structure created by the opposing figures of Talbot and Jeanne la Pucelle, and exploration of the critical controversies surrounding the figure of Jeanne, lead to a reflection on the nature of the history play as genre in the 1590s.

The Dramatic Works of William Shakspeare Palala Press

Henry VI, Part 1, often referred to as 1 Henry VI, is a history play by William Shakespeare--possibly in collaboration with Christopher Marlowe and Thomas Nashe--believed to have been written in 1591. It is set during the lifetime of King Henry VI of England.

The Plays of William Shakspeare

"Henry VI Part 1 Without the Potholes" provides an updated version of Shakespeare's history Henry

VI Part 1. It makes the play more accessible by modernizing the outdated vocabulary and grammar, and by revising the more difficult passages, while retaining almost all of the poetic content. The series "Shakespeare Without the Potholes" is intended to provide updated versions of all of the 37 generally recognized plays of William Shakespeare. The series makes the plays more accessible to students encountering Shakespeare for the first time. It provides an easier reading experience by modernizing most of the archaic vocabulary and grammar, and by revising many of the more difficult passages that in the original can be understood, if at all, only by careful scanning of a footnote. The alterations attempt to retain the meter and maintain almost all of the poetic substance.

Displaying the bold vision and growing skill of a young playwright, these are Shakespeare ' s first three history plays, covering some sixty tumultuous years of English history. Their pageantry, violence,

and stirring speeches excite audiences with action as well as character, and midway through the final play in this trilogy, a shocking, clever, inimitably evil new voice is heard—that of Richard of Gloucester, destined to become England's most fearsome and hated ruler of all time, Richard III.
