[King John & Henry VIII](#) Arden Shakespeare

If you were one of King Henry VIII's six wives, who would you be? Would you be Anne Boleyn, who literally lost her head? Would you be the subject of rumor and scandal like Catherine Howard? Or would you get away and survive like Anna of Cleves? Meet them and Henry's other queens--each bound for divorce or death--in this epic and thrilling novel that reads like fantasy but really happened. Watch spellbound as each of these women attempts to survive their unpredictable king as he grows more and more obsessed with producing a male heir. And discover how the power-hungry court fanned the flames of Henry's passions . . . and his most horrible impulses. Whether you're a huge fan of all things Tudor or new to this jaw-dropping saga, you won't be able to get the unique voices of Henry and his wives--all brought to life by seven award-winning and bestselling authors--out of your head. This is an intimate look at the royals during one of the most treacherous times in history. Who will you root for and who will you love to hate? ONE OF THE NYPL TOP TEN BEST BOOKS OF THE YEAR "Ambitious and exciting." --Bustle "A clever, feminist reimagining of one of English history's most fascinating moments." --Refinery29 "These stories of love, lust, power and intrigue never fail to fascinate." --Shelf Awareness, Starred Review Who's Who- M. T. Anderson - Henry VIII Candace Fleming - Katharine of Aragon, wife #1 Stephanie Hemphill - Anne Boleyn, wife #2 Lisa Ann Sandell - Jane Seymour, wife #3 Jennifer Donnelly - Anna of Cleves, wife #4 Linda Sue Park - Catherine Howard, wife #5 Deborah Hopkinson - Kateryn Parr, wife #6 [Being a Contemporary Record of Some of the Principal Events of the Reigns of Henry VIII. and Edward VI. Written in Spanish by an Unknown Hand](#) Vintage Henry VIII used his wardrobe, and that of his family and household, as a way of expressing his wealth and magnificence. This book encompasses the first detailed study of male and female dress worn at the court of Henry VIII (1509-47) and covers the dress of the king and his immediate family, the royal household and the broader court circle. Henry VIII's wardrobe is set in context by a study of Henry VII's clothes, court and household. ~ ~ As none of Henry VIII's clothes survive, evidence is drawn primarily from the great wardrobe accounts, wardrobe warrants, and inventories, and is interpreted using evidence from narrative sources, paintings, drawings and a small selection of contemporary garments, mainly from European collections. ~ ~ Key areas for consideration include the king's personal wardrobe, how Henry VIII's queens used their clothes to define their status, the textiles provided for the pattern of royal coronations, marriages and funerals and the role of the great wardrobe, wardrobe of the robes and laundry. In addition there is information on the cut and construction of garments, materials and colours, dr given as gifts, the function of livery and the hierarchy of dress within the royal household, and the network of craftsmen working for the court. The text is accompanied by full transcripts of James Worsley's wardrobe books of 1516 and 1521 which provide a brief glimpse of the king's clothes.

[With Notes by His Fool, Will Somers: A Novel](#) British Library Board A realistic portrait of the sixteenth century English king and of the personalities who dominated his times.

[Chronicle of King Henry VIII. of England](#) Amberley Publishing Limited

This volume is made up of five volumes of books associated with Henry VIII: one (H1) undertaken by an unnamed Frenchman at Richmond Palace in 1535, the second (H2) part of a general inventory at Westminster Palace in 1542. the third (H3) an account from the King's Printer Thomas Berthelet for the years 1541-43, the fourth (H4) a select list of books in the royal library seen by John Bale c.1548, and finally (H5) book titles extracted from the post-mortem inventories of Henry VIII's palaces. Using the evidence of inventory numbers in surviving books, moreover, it has been possible to recreate a lost list of more than 500 books which were brought to Westminster (primarily from Hampton Court and Greenwich) between 1542 and 1548 and

this 'list' has been appended to the Westminster inventory. Although the library at Westminster contained printed books and books deriving from Henry's ancestors, a goodly number were monastic 'loot' and the lists show the sort of material John Leland and others considered worth rescuing. A considerable number of these books have left the royal library during the succeeding centuries and Carley has traced many to their modern locations. The presentation and analysis of the Westminster lists in particular leads to a different picture of the role of Henry VIII as preserver and destroyer of the monastic past than has normally been put forth.

1536 London : British Library

"In this new book, James P. Carley, a leading scholar in the emerging field of book history, describes Henry VIII's libraries and shows their key role in providing a more intimate understanding of this seemingly familiar monarch and his consorts. The books of the wives, moreover, show them to have been as independent and innovative as the king himself. The extensive illustrations allow us to examine both the bindings and the contents of the collection, and also provide us with examples of his immediate voice in the form of the marginalia that he inserted into his books."--BOOK JACKET.

The Year that Changed Henry VIII The History Press

Take a look at the wives of Henry VIII: Catherine of Aragon, pious Catholic princess and mother of Mary Tudor; Anne Boleyn, the pretty Lutheran with whom Henry was madly in love; Jane Seymour, whose submissiveness was in such contrast to Anne's vampish style and who gave Henry his longed-for son; Anne of Cleves, who was declared so plain by the now grossly overweight Henry; Catherine Howard, the flirty child whose adulteries made a fool of the ageing king; and Catherine Parr, a shrewd Protestant bluestocking who eventually outlived him.

[Henry VIII](#) Lion Books

Henry VIII remains the most iconic and controversial of all English Kings. For over four-hundred years he has been lauded, reviled and mocked, but rarely ignored. In his many guises - model Renaissance prince, Defender of the Faith, rapacious plunderer of the Church, obese Bluebeard-- he has featured in numerous works of fact and fiction, in books, magazines, paintings, theatre, film and television. Yet despite this perennial fascination with Henry the man and monarch, there has been little comprehensive exploration of his historiographic legacy. Therefore scholars will welcome this collection, which provides a systematic survey of Henry's reputation from his own age through to the present. Divided into three sections, the volume begins with an examination of Henry's reputation in the period between his death and the outbreak of the English Civil War, a time that was to create many of the tropes that would dominate his historical legacy. The second section deals with the further evolution of his reputation, from the Restoration to Edwardian era, a time when Catholic commentators and women writers began moving into the mainstream of English print culture. The final section covers the twentieth and twenty-first centuries, which witnessed an explosion of representations of Henry, both in print and on screen. Taken together these studies, by a distinguished group of international scholars, offer a lively and engaging overview of how Henry's reputation has been used, abused and manipulated in both academia and popular culture since the sixteenth century. They provide intriguing insights into how he has been reinvented at different times to reflect the cultural, political and religious demands of the moment; sometimes as hero, sometimes as villain, but always as an unmistakable and iconic figure in the historical landscape.

The Libraries of King Henry VIII Vintage

This newly revised edition features two of Shakespeare's most important history plays, accompanied by a discussion and criticism of his life, world, and theater by renowned scholars; stage histories of notable actors, directors, and producers; and fascinating commentaries. Reprint.

[The Queens of Henry VIII](#) Signet

A "brilliantly written and meticulously researched" biography of royal family life during England's second Tudor monarch (San Francisco Chronicle). Either annulled, executed, died in childbirth, or widowed, these were the well-known fates of the six queens during the tempestuous, bloody, and splendid reign of Henry VIII of England from 1509 to 1547. But in this "exquisite treatment, sure to become a classic" (Booklist), they take on more fully realized flesh and blood than ever before. Katherine of Aragon emerges as a staunch though misguided woman of principle; Anne Boleyn, an ambitious adventuress with a penchant for vengeance; Jane Seymour, a strong-minded matriarch in the making; Anne of Cleves, a good-natured woman who jumped at the chance of independence; Katherine Howard, an empty-headed wanton; and Katherine Parr, a warm-blooded bluestocking who survived King Henry to marry a fourth time. "Combin[ing] the accessibility of a popular history with the highest standards of a scholarly thesis", Alison Weir draws on the entire labyrinth of Tudor history, employing

every known archive—early biographies, letters, memoirs, account books, and diplomatic reports—to bring vividly to life the fates of the six queens, the machinations of the monarch they married and the myriad and ceaselessly plotting courtiers in their intimate circle (The Detroit News). In this extraordinary work of sound and brilliant scholarship, "at last we have the truth about Henry VIII's wives" (Evening Standard).

[The Tyrant King Who Had Six Wives](#) Robinson

Examines the king's remarkable influence on the laws, customs, culture, and politics of his kingdom and profiles the diverse courtiers, artists, and scholars who surrounded Henry VIII.

Henry VIII Ember

The life of King Henry VIII is described in this book, which is part of the British History Makers series on famous figures who shaped historical events. [The Six Wives of Henry VIII](#) St. Martin's Griffin

A major new biography of the most infamous king of England.

[The King's Pearl](#) Routledge

"Brilliantly written and meticulously researched...Alison Weir is adept at bringing to life these historical figures." SAN FRANCISCO CHRONICLE Henry VIII is perhaps England's most infamous monarch, especially when it comes to matters of the heart. He was married to six distinctly different women, and in this richly detailed and meticulously researched history, these remarkable, often misunderstood queens come to life once again. Their full histories and personalities emerge at last, giving voices to the six extraordinary women who left their distinctive marks on the English throne and thereby changed the course of British history.

A Brief History of Henry VIII Sapere Books

An insightful and elegant examination of Henry VIII's last will and testament that evokes the glittering world of the Tudor king in all its glory, pomp, and paranoia. On 28 January 1547, the sickly and obese King Henry VIII died at Whitehall. Just hours before his passing, his last will and testament had been read, stamped, and sealed. The will confirmed the line of succession as Edward, Mary, and Elizabeth; and, following them, the Grey and Suffolk families. It also listed bequests to the king's most trusted councillors and servants. Henry's will is one of the most intriguing and contested documents in British history. Historians have disagreed over its intended meaning, its authenticity and validity, and the circumstances of its creation. As well as examining the background to the drafting of the will and describing Henry's last days, Suzannah Lipscomb offers her own illuminating interpretation of one of the most significant constitutional documents of the Tudor period. Illustrated with portraits of the key figures at Henry's court, *The King is Dead* is as boldly evocative as it is beautiful—a work of Tudor history to cherish. *The Books of King Henry VIII and His Wives* Modern Library 'An outstanding work of historical artistry, a brilliantly woven and pacy story of the men who surrounded, influenced and sometimes plagued Henry VIII.' Alison Weir Henry VIII is well known for his tumultuous relationships with women, and he is often defined by his many marriages. But what do we see if we take a different look? When we see Henry through the men in his life, a new perspective on this famous king emerges. Henry's relationships with the men who surrounded him reveal much about his beliefs, behaviour and character. They show him to be capable of fierce, but seldom abiding loyalty; of raising men only to destroy them later. He loved to be attended and entertained by boisterous young men who shared his passion for sport, but at other times he was more diverted by men of intellect, culture and wit. Often trusting and easily led by his male attendants and advisers during the early years of his reign, he matured into a profoundly suspicious and paranoid king whose favour could be suddenly withdrawn, as many of his later servants found to their cost. His cruelty and ruthlessness would become ever more apparent as his reign progressed, but the tenderness that he displayed towards those he trusted proves that he was never the one-dimensional monster that he is often portrayed as. In this fascinating and often surprising new biography, Tracy Borman reveals Henry's personality in all its multi-faceted, contradictory glory.

[King Henry VIII](#) History Press (SC)

Henry VIII changed the course of English life more completely than any monarch since the Conquest. In the portraits of Holbein, Henry Tudor stands proud as one of the most powerful figures in renaissance Europe. But is the portrait just a bluff? In his new book Derek Wilson explores the myths behind the image of the Tudor Lion. He was the monarch that delivered the Reformation to England yet Luther called him 'A fool, a liar and a damnable rotten worm'. As a young man he gained a reputation as an intellectual and fair prince yet he ruled the nation like a tyrant. He treated his subjects as cruelly as he treated his wives. Based on a wealth of new material and a life time's knowledge of the subject Derek Wilson exposes a new portrait of a much misunderstood King. PRAISE FOR DEREK WILSON'S PREVIOUS WORKS: *The Uncrowned Kings of England*: 'Stimulating and authoritative.' John Guy 'Masterly. [Wilson] has a deep understanding of...characters, reaching out across the centuries.' Sunday Times *Hans Holbein: Portrait of an Unknown Man*: 'Fascinating.' Sarah Bradford, Daily

Telegraph' Highly readable...The most accurate and vivid portrayal to date.' Alison Weir

Henry VIII King and Court Vintage

[King Henry VIII](#) British Library Board

The Autobiography of Henry VIII is the magnificent historical novel that established Margaret George's career. Evocatively written in the first person as Henry VIII's private journals, the novel was the product of fifteen years of meticulous research and five handwritten drafts. Much has been written about the mighty, egotistical Henry VIII: the man who dismantled the Church because it would not grant him the divorce he wanted; who married six women and beheaded two of them; who executed his friend Thomas More; who sacked the monasteries; who longed for a son and neglected his daughters, Mary and Elizabeth; who finally grew fat, disease-ridden, dissolute. Now, in her magnificent work of storytelling and imagination Margaret George bring us Henry VIII's story as he himself might have told it, in memoirs interspersed with irreverent comments from his jester and confidant, Will Somers. Brilliantly combining history, wit, dramatic narrative, and an extraordinary grasp of the pleasures and perils of power, this monumental novel shows us Henry the man more vividly than he has ever been seen before.

Henry VIII (Penguin Monarchs) Random House Digital, Inc.

The energetic, charismatic, cultured young King Henry VIII ushered in a new era of royal history. Henry's court was the 'most magnificent, excellent and triumphant' in English history.

This book takes a look at the life and times of England's great Renaissance prince and king, and the cultural and social development of the English court.
