Dr. Earl Henslin, explores how the father-daughter relationship affects the adult daughter. Father-daughter relationships damaged by abuse, betrayal and abandonment can be healed and reconnected through understanding and forgiveness. "You Are Your Father's Daughter" is a book for adult daughters (and fathers) who want to heal or improve the father-daughter connection. It helps readers understand that a daughter's relationship with her father -- positive or painful -- affects who she is today. A daughter's relationship with her father -- positive or painful -- affects who she is today. Every daughter has a deep, God-given need to be nurtured by her father. It is vital to a woman's development. A strong emotional and spiritual connection between a father and his daughter empowers her to achieve her God-given potential in the life. It provides a secure and safe foundation from which she can venture into the world. When the father-daughter connection is missing or broken by abuse, the daughter is robbed of the personal identity, feminine strength, private boundaries, self-respect, emotional health, and spiritual understanding that a godly father can give. This loss and the painful wound that results affects every area of her life -- relationships with men, role in the workplace, search for love and meaning in life. Dr. Henslin offers hope and healing to every daughter who knows the pain and loss of a broken, missing, or less-than-perfect father-daughter relationship. His compassionate understand and spiritual insight provide a pathway for restoration and a process for rebuilding the father-daughter bridge.

Why can't I find freedom from secret obsessions and addictions? This is great news, especially for those tortured by the fear that something is fundamentally wrong with them when the problem actually lies between their ears. Read this practical, easy-to-understand, and often entertaining book, and you'll know exactly how to nourish your mind, balance your brain, and help others do the same. After all, the capacity for joy is a terrible thing to waste.

Extensively revised, the second edition of The New Class Society includes innovative new sections and concepts throughout the book that identify and explore how complex organizational structures and actions create and perpetuate class, gender, and racial inequalities. The authors describe how 'inequality scripts' shape the hiring and promotion practices of organizations in ways that provide differential opportunities to people based on class, gender, and racial memberships. The authors also illustrate how privileged class members benefit from organizationally-based and perpetuated forms of inequality. The second edition retains its provocative argument for of an emerging 'double-diamond' social structure and its focus on class interests that are rapidly polarizing American society. New figures, tables, and references incorporate the latest information and research findings to document and illustrate key topics, such as the distribution of wealth and income, globalization, downsizing, contingent labor, the role of money in politics, media content and consolidation, the transformation of education, and the erosion of democracy. The second edition combines scholarship with an engaging style and flashes of comic relief-with several cartoons by some of the best satirists today.
