In this book Edwin Mullins examines this very British affection in detail: he looks at the great tradition of English landscape painting and demonstrates how the inspiration of nature is reflected in the way the English use the land, in the creation of the small garden, and, on a larger scale, in the landscaped slopes of parkland surrounding the English country house.

"A groundbreaking work about race and the American landscape, and a deep meditation on nature...wise and beautiful."—Helen Macdonald, author of H is for Hawk A Foreword Reviews Best Book of the Year and Nautilus Silver Award Winner In me, there is the red of miry clay, the brown of spring floods, the gold of ripening tobacco. All of these hues are me; I am, in the deepest sense, colored. Dating back to slavery, Edgefield County, South Carolina—a place “easy to pass by on the way somewhere else”—has been home to generations of Lanhams. In The Home Place, readers meet these extraordinary people, including Drew himself, who over the course of the 1970s falls in love with the natural world around him. As his passion takes flight, however, he begins to ask what it means to be “the rare bird, the oddity.” By turns angry, funny, elegiac, and heartbreaking, The Home Place is a meditation on nature and belonging by an ornithologist and professor of ecology, at once a deeply moving memoir and riveting exploration of the contradictions of black identity in the rural South—and in America today. “When you’re done with The Home Place, it won’t be done with you. Its wonders will linger like everything luminous.”—Star Tribune “A lyrical story about the power of the wild...synthesizes his own family history, geography, nature, and race into a compelling argument for conservation and resilience.”—National Geographic

Love Affair New York Review of Books

God didn't create marriage to frustrate us, test us, or to make us feel unworthy or inadequate. He created marriage to be the most fulfilling and sacred of all human covenants. It was designed to be passionate and rewarding and to meet our deepest needs and desires. And it was meant to last a lifetime. So how do you build an indestructible marriage that is filled with passion, purpose, and excitement? In Lifelong Love Affair, Jimmy Evans shows couples how to embrace God's dream for their marriage, cultivate romance and fun, and fulfill each other's spiritual, emotional, and sexual needs. With more marriages today ending in divorces than ever before, and more young people cohabiting rather than getting married, the message of this book is sorely needed. Any married couple and anyone considering marriage will find Lifelong Love Affair an essential tool they will turn to again and again for inspiration and strength. Foreword by Drs. Les and Leslie Parrott.

In this touching and delightful memoir, Norman Podhoretz charts the ups and downs of his lifelong love affair with his native land, and warns that to turn against America, from the Right no less than from the Left, is to fall into the rankest ingratitude. While telling the story of how he himself grew up to be a fervent patriot, one of this country's leading conservative thinkers urges his fellow conservatives to rediscover and reclaim their faith in America. A superb storyteller, Podhoretz takes us from his childhood as a working-class kid in Brooklyn during the Great Depression -- the son of Jewish immigrants singing Catholic hymns in a public school staffed by Irish spinsters and duking it out on the streets with his black and Italian classmates -- to his later education, his shifting political alliances, and his arrival at a happy personal and intellectual resolution. My Love Affair with America shows us a gentler and funnier Podhoretz than readers have seen before. At the same time, it presents a picture of someone eager to proclaim, against all comers, that America represents one of the high points in the history of human civilizations. In this powerful, elegantly written, and poignant cautionary tale, Podhoretz pleads with his fellow conservatives not to fall, as some have lately done, into their own special brand of anti-Americanism, as he reminds them of the disastrous consequences that followed the assault by the New Left against the United States in decades gone by. Warm in feeling and brilliantly perceptive, My Love Affair with America points the way back to a thoroughly unabashed love of country -- the kind of patriotism that has rarely been encountered in recent years and that is as invigorating as it is inspiring.

From the author of the award-winning Moth Smoke comes a perspective on love, prejudice, and the war on terror that has never been seen in North American literature. At a café table in Lahore, a bearded Pakistani man converses with a suspicious, and possibly armed, American stranger. As dusk deepens to night, he begins the tale that has brought them to this fateful meeting. . . . Changez is living an immigrant’s dream of America. At the top of his class at Princeton, he is snapped up by Underwood Samson, an elite firm that specializes in the “valuation” of companies ripe for acquisition. He thrives on the energy of New York and the intensity of his work, and his infatuation with regal Erica promises entrée into Manhattan society at the same exalted level once occupied by his own family back in Lahore. For a time, it seems as though nothing will stand in the way of Changez’s meteoric rise to personal and professional success. But in the wake of September 11, he finds his position in his adopted city suddenly overturned, and his budding relationship with Erica eclipsed by the reawakened ghosts of her past. And Changez’s own identity is in seismic shift as well, unearthing allegiances more fundamental than money, power, and perhaps even love. Elegant and compelling, Mohsin Hamid’s second novel is a devastating exploration of our divided and yet ultimately indivisible world. “Excuse me, sir, but may I be of assistance? Ah, I see I have alarmed you. Do not be frightened by my beard: I am a lover of America. I noticed that you were looking for something; more than looking, in fact you seemed to be on a mission, and since I am both a native of this city and a speaker of your language, I thought I might offer you my services as a bridge.” —from The Reluctant Fundamentalist
