What happens when two enterprising young women give up their Madison Avenue salaries, leave the glamorous whirl of New York behind, and move up to Maine to become proprietors of a country store? That's what Scotty Mackenzie and Dorothy Mignault did back in the 1940s, and

Scotty's spirited account of their often hilarious setbacks and triumphs has been a well-love classic ever since. When she traded in her silk stockings and pumps for jeans and tennis shoes, Scotty learned a lot--about the people of Goose Rocks Beach, near Kennebunkport, where the store served summer people and year-round residents alike; about the hard work it takes to run a business during the hectic tourist season; about the wisdom to be gained from the solitude of a Maine winter; and most of all, about the strength of a community that sticks together through the best of times and the worst of tragedies. For Goose Rocks Beach, the tragedy swept in with the flames of the infamous Fire of '47, which leveled the small seaside community.

Not only is My Love Affair with the State of Maine as fresh and enjoyable a read today as when it was first published, but over the years its value as a snapshot of a bygone era has increased. This new edition contains pictures and an afterword from Scotty herself, filling us in on her adventures since the book was written. It is a rare glimpse of the Maine that was, and that lives on in the hearts of all those who have had their own love affairs with the State of Maine.

God didn't create marriage to frustrate us, test us, or to make us feel unworthy or inadequate. He created marriage to be the most fulfilling and sacred of all human covenants. It was designed to be passionate and rewarding and to meet our deepest needs and desires. And it was meant to last a lifetime. So how do you build an indestructible marriage that is filled with passion, purpose, and excitement? In Lifelong Love Affair, Jimmy Evans shows couples how to embrace God's dream for their marriage, cultivate romance and fun, and fulfill each other's spiritual, emotional, and sexual needs. With more marriages today ending in divorces than ever before, and

more young people cohabiting rather than getting married, the message of this book is sorely needed. Any married couple and anyone considering marriage will find Lifelong Love Affair an essential tool they will turn to again and again for inspiration and strength. Foreword by Drs. Les and Leslie Parrott.

How could a smart, professional, savvy woman in her 50's become brainwashed by a young cyber criminal on the other side of the planet, who persuades her to send him her life savings? This shocking yet true story will have you on the edge of your seat as you learn the story of Linda Young's online love affair that nearly destroyed her life and the relationships she held dear. When Linda's sister Shelley recruited "the squad" they launched a full-fledged investigation intent on unmasking the con artist Linda referred to as her 'King.' As Shelley delved into the world of online romance scams, it was nearly impossible to find advice or expertise that she could use to break the hold the King had on her sister. After a three-month investigation, hiring two private investigators, hacking into email accounts, visiting the FBI, and speaking with psychological experts, what Shelley and the Squad uncovered can now help your loved ones who may be in denial that their online romance could be putting them at grave risk. Linda has since described her ordeal as "the worst thing that ever happened to me."
