Joshua Long, World Champion Cowboy, is known wide and far as the 'cowgirl whisperer'. His looks are fallen-angel handsome and his talents in the bedroom are legendary. Josh prides himself on being able to give a woman sheet-clawing, back-arching, toe-curling multiple orgasms. But at the peak of his career, Josh loses it all when his knee is shattered by a one-ton bull and his reputation is shredded by a scorned woman. After investing

blood, sweat, and years into the rodeo, he has lost his career and the lucrative sponsorships that went with it. Returning to his hometown of Kerrville, a place he hasn't always felt welcome, Josh is uncertain of the direction his life will take. But sometimes fate is kind and the lifeline that we need to hang onto our hopes and dreams appears just within our grasp. Josh has such a moment when he walks into Isaac McCoy's HARDBODIES bar. There, surrounded by old friends who offer him a second chance, Josh's gaze lands on a beautiful, blue-eyed redhead who draws him like a moth to a flame. Emma Zachary has lived life on a dare. There is nothing she won't try, she grabs onto happiness with both hands, embracing every moment of joy she can find. Unwilling to accept the hand that life has dealt her, Emma refuses to let her blindness hold her back. She intends to make all of her dreams come true, especially the ones that include a certain cowboy who seems to always be there when she needs him. Emma longs to know what it's like to be

loved, so she takes a dare and bids on a date with rodeo Romeo, Josh Long. What she discovers is that one night in Josh's arms will never be enough. Josh is tired of his reputation. He wants to be more than his father's son; he wants to be more than just a buckle-bunnies fantasy man. Joshua wants a woman who sees him for who he really is, failures and all, and loves him anyway. Emma is tired of being alone. She needs someone who will look beyond her faults and want her in spite of the challenge she faces. Their journey together is filled with laughter, tears, danger, and sex hot enough to set the Hill Country of Texas on fire. Join Emma and Josh as they learn the true meaning of love. I dare you.

Getting pregnant? A big deal.  
Getting pregnant by your handsome, hands-on personal physician? An even bigger deal. And don't forget, he has a business partner who loves being in on the action as well. I've put off seeing a doctor for a long time, so when I finally work up the nerve, I decide to go for the best.

Doctors Ryder Stephenson and Ranger Stevens have a very exclusive practice on Park Avenue. They're two incredibly gorgeous, rich as all hell plastic surgeons with a helluva magic touch. Except, my consultation goes off the rails. My physicians are completely irresistible, and the temperature in the exam room heats up until it's near sizzling. We're damn near breaking the law. But you know what I really want? A baby. ... And the doctors are only too happy to oblige. They tell me to come back for another consultation ... and another ... and another ... until soon, I'm a mommy-to-be. Yeah, whoops.

---

This wasn't supposed to happen. But now, I want it all, and the gorgeous, huge, growly physicians won't stop until I'm mommy to a dozen of their children! We're off the reservation with crazy, over-the-top insta-love between two gorgeous doctors and a sassy curvy girl that will make you want to put on a flimsy hospital gown. There are no swords that cross because the story is all about her. Not responsible for thermometers that break. Reader beware. As with all my books, this one is safe, with no cheating, and a HEA guaranteed.

When Dr. Nathan Nate Morris moves to Reed,

Illinois from Atlanta, Georgia to open a medical practice with his best friend, Amy Vaughn, he's looking forward to putting the past--and his homophobic family--behind him. Considering Reed's reputation as a gay-friendly town, starting over should be a cinch. But when Nate is attacked outside his office late one night in an apparent gay bashing, he starts to wonder if maybe the good folks of Reed aren't as accepting as he thought. Sheriff Brandon Nash answers the call to a supposed gay bashing with feelings of skepticism. As an openly gay man holding an elected position, Brandon finds it hard to believe that Nate's attack is really a hate crime. Brandon may not know the reasons behind the attack, but as he looks into Nate's frightened eyes, there's one thing he's absolutely certain of: he'll do whatever it takes to keep Nate safe or die trying. Forging a relationship isn't easy under the best of

---

circumstances, and as Nate's assailant steps up his efforts, Nate and Brandon's budding romance is put to the test. Add to that the sudden appearance of Seth, the brother who disowned Nate years ago, and Nate's nerves are stretched to the breaking point. When a series of arsons begins, and Brandon expresses the belief that the burnings are a ploy to flush him out, Nate decides to leave Reed behind, believing everyone else will be safe once he's gone. Brandon is all set to do whatever he can to make Nate stay, but when the brakes on Nate's car are tampered with, the decision is nearly taken out of both their hands. This book is definitely one that you can't put down until the very end because of the many twists and turns. Purchase this book to find out the mystery surrounding Nate's attack, and if Nate and Brandon's relationship can survive the stress and strain of their real life professions.
