The Bear Dating Agency Ultimate Box Set is here! Contains the following novella stories: DIETRICH - Elise Davenport was not having a good night. Just the day before she put her whole career on the line thanks to a few glasses of champagne. Loose lips can sink ships, and they can obliterate your social status. So here she was, stumbling through Fairhaven Park in pitch blackness, looking for the cabin she rented. She'd just hung up the phone with her agent when she heard the rumbling growl come from beside her. Not a good night at all... Dietrich Best was trying to play it cool. The young lady now sitting next to his Gram looked him up and down, her eyes stopping on his washboard abs. But soon they made their way up, locking with his. She knew. Somehow she knew... BEN - Layla Moss came out to the wilderness to get away from the everyday grind. A nice vacation away from all things involving the Women's section at her department store was just what the doctor ordered. She enjoyed her job, and sometimes she got to help bumbling clueless men as they tried to buy something for the lady in their lives. But when her best friend set her up on a blind date with someone else out here in the cabins, Layla was the one who felt clueless. Ben Best has been called many things in his life. Very few of them were pleasant, but as a park ranger he knew what to expect. When you break up a party getting out of hand or bust someone for littering, they're going to throw some bars at you. But he never expected to be called "Pantyhose Guy." Still, the pretty little lady had sass for days and there was something about that he found incredibly interesting... But a dark cloud of danger was looming closer. Did their fragile young love have any chance? KURT - Kurt Best is addicted. He's addicted to excitement. He's addicted to new experiences. His family thinks he's addicted to gambling, but they just don't understand. He has lukewarm feelings about being a park ranger, but it allows him the joy of meeting new people. When he notices a beautiful brunette at the lake, he knew he had to meet her. His opportunity to do just that came at dinner, and he jumps at the chance to talk with her. However, he has to put their chemistry on hold until he returns from his trip to LA... With so much being hidden, is chemistry enough? Can it possibly survive their secrets? HART - Hartwin Best appreciated the simple things in life. A cold beer. A warm bed. A good ol' family gathering. Luckily for him, this week would afford all three. A very special ceremony was about to take place, one which would fully welcome his brother Dietrich's newborn son Isaak into the Clan. The scent of Elise's friend lingered in his nose, intriguing him. None could see the clouds of smoke rising in the distance. REINICKE - Reinicke Best was at his end of his wits with these park visitors. Every year, they seemed to get worse. Less respect for the wildlife (no, you can't take a selfie with a grizzly bear). Less respect for the environment (no, this virgin old wood forest doesn't have a place for you to charge your phone). Less respect for the staff (no, I absolutely will not take your phone to get charged so you can take a selfie with a grizzly bear!). And then there was this newest visitor. Driving along without the common sense to watch where she's going, almost causing a car crash. He had a feeling she was trouble, the kind of trouble you'd have to keep a close eye on... Veronica Harper was ready to let bygones be bygones. She'd spent enough years fighting tooth and claw to know that nobody won in a drag out brawl. It was better for all parties to come to the peace table. But being the leader of a Bear Shifter Clan meant many things, the most important of which was to be the kind of leader that the rest of the Clan would follow. That meant never losing face. Even if the person you're staring down is a handsome hunk with more charm than he realizes. Slade Walker knew things were tense. This Clan rivalry was close to spilling into a war, and he didn't know how many casualties would be on each side. Too many, surely. But these women just wouldn't leave his Clan alone. From the problem with the hives to the fires and now this, someone had to make it clear to them that this was unacceptable. He hoped this would be a simple sit down and parley, but as soon as he laid eyes on their gorgeous leader, he knew he was in over his head. These Bear Shifters buck hard, so you'd better hang on. The Rodeo Bears Ultimate Box Set is here! Contains the following novella stories: EDWARD - Edward Tyrell has a drinking problem. Well, what he really has is a problem paying for his drinks. He can't help being so thirsty: he never asked to be a Bear Shifter. His debts always seem to catch up with him, and this time it meant being tossed out of the beer tent. Softening his fall was a curvy little thing full of spit and vinegar. The more he smiled, the more she raged. Some problems are more fun than others... OWEN - Owen Hutch was used to the attention, and not just because he was a six foot tall Bear Shifter. Everywhere he went, women fawned over him and men pretended not to stare. He was like a mirror of pure success: everyone looked at him and wondered what they would look like if they were as confident and self assured as he was. Walking into a room meant their conversations ended. Walking into a boutique meant their month was going to have record sales. All because he could ride a bull longer than just about anyone else in this sport. But then there was that sassy little thing with the blue eyes. He didn't impress her, and that made her all the more interesting... COLBY - Colby lived in eight second bursts. On a bull, that's all the time you had. You had to respect a massive beast who could easily stomp your skull into the dust if you crossed it. You had to be at your very best for those eight seconds. Pure adrenaline, pure focus and pure concentration. But the devil must've heard his plans because right as he was about to chase his glory, he knocks the wind out of some little metropolitan thing. He knew he could take a girl's breath away, but this was ridiculous...

Something familiar. Something from his past. Or more like someone from his past. HOLDEN - Holden had a throbbing headache. Not the best way to start out a Wild West show. He tried to keep his pain out of his voice as he rubbed the long snout of his horse. Horses could sense it, and a rider on edge meant a spooked horse. He tried not to think about the disappearing Shifters in the area, and instead focused on tonights show, the last of the season. Then it would be time for a vacation. Somewhere sandy where they served drinks with those little umbrellas. Over 70,000 words of steamy BBW Shifter novellas!

Yet another thing she could thank her mother for, but at this point she had other things on her mind. Like the freezing cold rain, the soggy cardboard that separated her from the alley asphalt. Oh, and the gangsters who are out hunting her, because she's someone else's property. Thanks again, Mom. Luke Saint knows how to move among people. As drummer in The Four Saints, he isn't quite in the spotlight that his brother Matthew is. Sometimes that can be annoying, but sometimes being unseen has its advantages. Coming up on these thugs beating this poor helpless woman was one of those times. He tasted sour copper in his mouth and let out a roar as he charged the men. Then their world got turned upside down.
