Sex, Drugs, and the Rock 'n Roll of dysfunction are on the docket of Bronx Family Court, the busiest family court in NYC. Schwartz the Lawyer fights for justice for families in that court while struggling with personal demons that place his own family at risk. In the cross-hairs of this tragi-comedic novel are the minions of the Children's Best Interest Industrial Complex: the judges, lawyers, caseworkers, social workers, therapists, and litigants who populate Bronx Family Court. Bronx Stagger rises from the ashes of Tom Wolfe's Bonfire of the Vanities to dramatize the inner life of the denizens of The Bronx behind the sealed doors of the courtrooms. With his libido in overdrive, Schwartz is looking for love in all the wrong courtrooms. Immersed in the dysfunctional dance of sex and violence that permeates the Family Court milieu, Schwartz is conflicted by his flagging idealism, nagging conscience and the dulling of his skills against the miasma of mediocrity and C.Y.A. culture that infuses the Family Court/Foster Care System. Accused of sex abuse and domestic violence, Schwartz travels the continuum from apathetic lawyer to outraged litigant as his family is drawn into the Court's vortex

of passion. A diverse ensemble of colleagues, clients, and cohorts inhabit the landscape of this novel, each with their own story to tell. The humor ranges from dark to echoes of vaudeville. The tragedy is, well, pretty tragic. The soundtrack of Schwartz's tale is provided courtesy of his infatuation with a star-crossed scion of the Bronx, the Late, Great Bobby Darin. The temporal frame of the novel is the final months of the Twentieth Century, with the horrors of the next century stored like floats in a parade, waiting to be inflated and unfurled. **The Clash FAQ Omnibus Press**

Rake at the Gates of Hell: Shane MacGowan in Context is a mix of Irish history and culture, biography, and music criticism. It explores Shane MacGowan 's art by juxtaposing details of his life with those elements of Irish culture and history that inform the themes in his work. The book presents MacGowan 's life chronologically, supplementing information on Irish history and culture at those points where it can best illuminate MacGowan 's story. His career with the Nips, the Pogues, and the Popes is covered extensively. The book includes critical assessments of significant live performances and all studio recordings made with each of these three bands. MacGowan 's life story is told warts and all. His hedonistic lifestyle and history of substance abuse is reported in a way that neither sensationalizes nor minimizes the facts. The text is enlivened by extensive quotations, primarily from MacGowan himself, which were either taken from conversations with the author or culled from published interviews. The book explores

several themes prominent in MacGowan 's work. Foremost among these are Irish Republicanism, the Irish Republican Army, Irish emigration, and various factors that contribute to Irish emigration. While the discussion of these topics is not exhaustive, it is detailed enough to enhance appreciation of Shane MacGowan 's art. Moreover, Rake at the Gates of Hell: Shane MacGowan in Context is the only book yet written that chronicles MacGowan 's remarkable comeback with the Pogues, the band that fired him nearly two decades ago.

An inspiring story from a humanitarian role model and WWE superstar, known to fans as Titus O ' Neil One caring person can change the course of a child 's life — Titus O ' Neil knows that first-hand. Growing up, he was repeatedly confronted with negativity. By the time he was a teenager, he figured that he was the bad kid everyone said he was — until an adult looked him in the eye and said, " There is no such thing as a bad kid. " Unfortunately, many children across North America are labeled " bad. " They may have short attention spans, unstable home environments, or learning difficulties. Often, these young people are diagnosed with an emotional or behavioral disorder and placed in special classes. They internalize these labels, and the imposed limitations affect their ability to learn, behave, and fit in. There 's No Such Thing as a Bad Kid chronicles Titus 's turbulent childhood years as he was helped to shed the label and realize his unique greatness, his value and potential. His remarkable story will provide hope and inspiration to children in similar circumstances and will help guide well-meaning adults in how to pay forward their successes to a generation of disadvantaged children.

Big Sam: My Autobiography Penguin
This paperback edition has been fully updated to include Shane's final months and the response to his passing. Punk protagonist, legendary drinker, Irish musical icon. This is the complete and extraordinary journey of the Pogues' notorious frontman from outcast to national treasure. A Furious Devotion vividly recounts the experiences that shaped the greatest songwriter of his generation, including the formative trips to his mother's homestead in Tipperary and the explosion of punk which changed his life. As well as exclusive interviews with Shane himself, author Richard Balls secured contributions from his wife and family, and people who have never spoken publicly about Shane before: close associates, former girlfriends and the English teacher who first spotted his literary gift. Nick Cave, Aidan Gillen, Cillian Murphy, Christy Moore and Sinéad O'Connor are on the rollcall of those paying tribute to the gifted songwriter and poet. This frank and extensive biography includes many

previously unseen personal photographs.

“ Riveting, idiosyncratic horror at its best . . .
Leaves readers breathless with anticipation ”
(Fresh Fiction). New beginnings . . . In the shadow
of the Great Smoky Mountains, an aging house
leaves much to be desired, but Alan Hammerstun
hopes it will be the fresh start he and his wife,
Heather, need after her two miscarriages and later
suicide attempt. But Heather remains distant and
depressed and Alan is soon drawn to the woods
behind the house—and the small lake hidden
there. When he sees an injured child healed by its
waters after being hit by a car, Alan becomes privy
to the town ’ s greatest secret. But for every benefit
the lake bestows, it demands an exacting price.
And when Alan dares to defy the warnings, an
ancient evil enters his house and his mind,
spawning nightmares and paranoia. Soon, nothing
is off limits to its malignant power—even Alan ’ s
wife . . . “ Malfi deftly maintains the tension and
engrossing atmosphere of horror by stepping up
the pace and frequency of bizarre events. . . . A
tale of sustained terror. ” —Publishers Weekly

HAUNTED DREAMS Open Road Media
From a prize-winning poet, a new
collection that chronicles a weekend in the
life of a group of friends coming of age in
East Harlem at the dawn of the hip-hop era
Willie Perdomo, a native of East Harlem,
has won praise as a hip, playful, historically
engaged poet whose restlessly lyrical
language mixes "city life with a sense of the
transcendent" (NPR.org). In his fourth
collection, *The Crazy Bunch*, Perdomo
returns to his beloved neighborhood to
create a vivid, kaleidoscopic portrait of a
"crew" coming of age in East Harlem at the
beginning of the 1990s. In poems written in
couplets, vignettes, sketches, riffs, and
dialogue, Perdomo recreates a weekend
where surviving members of the crew recall
a series of tragic events: "That was the
summer we all tried to fly. All but one of us
succeeded."

Buses Are a Comin' Hachette Books
(FAQ). A favorite of film followers for 50
years, James Bond is the hero loved by
everyone: Men want to be just like him,
women just want to be with him.
Moviegoers around the world have spent
more than \$5 billion to watch his
adventures across the last five decades.
What's not to enjoy about such a glorious
multitude of gadgets, gals, grand locations,
and grandiose schemes hatched by master
villains and megalomaniacs? Now, James
Bond FAQ is a book that takes on the

iconic cinema franchise that's lasted for so
many years. Sometimes serious as
SPECTRE, sometimes quirkier than Q, but
always informative, this FAQ takes the
reader behind-the-scenes, as well as in front
of the silver screen. Everyone's included:
Connery, Lazenby, Moore, Dalton,
Brosnan, and Craig; little-known facts about
TV's first shot at 007, the same Bond story
that was made into two different films;
whatever happened to those wonderful cars
and gizmos that thrilled everyone; plus
much more. It's a book for the casual, as
well as hardcore, James Bond fan. James
Bond FAQ is filled with biographies,
synopses, production stories, and images
and illustrations seldom seen in print,
leaving little else to be said about the
world's favorite secret agent. This book
includes a foreword by Eunice Gayson.
The House That Jack Built No Exit Press
Inspired by Dr. A. K. Benjamin's years
working as a clinical neuropsychologist at a
London hospital, this multilayered
narrative interweaves Benjamin's own
sometimes shocking personal experiences
with those of his mentally disordered
patients. What do doctors actually think
about when you list your problems in the
consulting room? Are they really listening
to you? Is the connection all in your head?
Every day for ten years—even while his
hospital became the set for a reality
television series—clinical neuropsychologist
A. K. Benjamin confronted these questions,
and this book is his attempt to tell the truth
about what happens in these rooms in
hospitals the world over. What begins as a
series of exquisitely observed case studies
examining personalities on the brink of
collapse soon morphs into a unique work of
nonfiction as Benjamin's own psyche begins
to twist the story in surprising ways.
Blazingly original, *Let Me Not Be Mad*
undermines the authority we so willingly
hand over to clinical psychologists as it
bears witness to the self-obsession of
Western society, and ultimately offers a
glimpse of what it might mean to be sane
and truly empathetic. Fractured, sad,
playful, brilliant, and confrontational, this
is a confession by a professional that delves
into the heart of the patient-doctor
relationship and ultimately finds love. This
twisting psychological journey will be read
and reread.

Three Blind Mice Hachette Books
A firsthand exploration of the cost of
boarding the bus of change to move
America forward—written by one of the
Civil Rights Movement's pioneers. At 18,
Charles Person was the youngest of the

original Freedom Riders, key figures in the
U.S. Civil Rights Movement who left
Washington, D.C. by bus in 1961, headed
for New Orleans. This purposeful mix of
black and white, male and female
activists—including future Congressman
John Lewis, Congress of Racial Equality
Director James Farmer, Reverend
Benjamin Elton Cox, journalist and pacifist
James Peck, and CORE field secretary
Genevieve Hughes—set out to discover
whether America would abide by a
Supreme Court decision that ruled
segregation unconstitutional in bus depots,
waiting areas, restaurants, and restrooms
nationwide. Two buses proceeded through
Virginia, North and South Carolina, to
Georgia where they were greeted by Dr.
Martin Luther King Jr., and finally to
Alabama. There, the Freedom Riders found
their answer: No. Southern states would
continue to disregard federal law and use
violence to enforce racial segregation. One
bus was burned to a shell, its riders narrowly
escaping; the second, which Charles rode,
was set upon by a mob that beat several
riders nearly to death. *Buses Are a Comin'*
provides a front-row view of the struggle to
belong in America, as Charles Person
accompanies his colleagues off the bus, into
the station, into the mob, and into history to
help defeat segregation ’ s violent grip on
African American lives. It is also a challenge
from a teenager of a previous era to the
young people of today: become agents of
transformation. Stand firm. Create a more
just and moral country where students have
a voice, youth can make a difference, and
everyone belongs.

Wicked Ways Matthew Hope Mystery
Hello, Readers! Have you heard about Nicky
Jam? Do you know who gave him that name?
-----a homeless man back in Massachusetts,
what....? Which is actually kind of confusing
because this artist is actually Latin and Puerto
Rican, but he is considered American, which is
also a very popular reggaeton American Latin
singer, who had started a career with another
popular singer called Daddy Yankee, who he
then later made a diss song about which
brought up to their professional breakup, and
then Nicky Jam became discouraged, so he
gained weight, lost his career, did drugs and
sung for cheap hotels back in the city, but then
regained back his throne, collaborated with
new hot Latin stars and then Enrique Iglesias
came to the scene, Nicky became a big hit, he
then got married and invited his very
emotional best friend Vin Diesel to wish him
luck? Do all these seem baffling to you? Then
check out this trivia because it'll explain to you
everything about what I'm murmuring, the
reggaeton superstar - Nicky Jam!

"But as A Drink with Shane MacGowan shows, the inspiration for his artistry and beliefs is as varied as his range of mind - embracing Ireland, religion, his family, esoteric philosophy and history."--Jacket. Rake at the Gates of Hell: Shane MacGowan in Context Twelve The official and uncensored story of the stars of Rainbow, as told to Tim Randall by Zippy, George and Bungle. For over twenty years Zippy, George and Bungle were the biggest stars on children's television, inspiring a whole generation of adoring fans. But behind the smiles and the brightly coloured fur, all was not what it seemed in the Rainbow house. Having spent the last seventeen years refusing approaches from publishers to tell their story, the squabbling stars have agreed - thanks to some serious financial inducements and a clause insisting they don't have to spend more than three hours in the same room together - to talk to journalist Tim Randall about the highs and lows and the heartbreaks they have endured. From their humble beginnings to international stardom, via the wilderness years, this is Zippy, George and Bungle's fascinating autobiography. Here, for the very first time, is the inside story of what really happened at the beginning, middle and end of their Rainbow.

The Dingoes reached the climax of their Australian success in 1974 with their self-titled LP and singles Way Out West and Boy on the Run. They were inducted in the ARIA Hall of Fame in 2009. This is the story of the Dingoes' one chance to make it big on the international stage. It is a rollicking road trip of five Aussie musicians travelling across the USA in preparation for their big break - supporting their stable-mates Lynyrd Skynyrd on a national tour. It is a story of making music, life in a band, but above all it is a yarn, in the best Australian tradition, spun around true events and real characters.

Football fans will love this insight into the life and mind of Big Sam. With nearly 20 years as a player - plus almost 25 years as a coach and manager - under his belt, Sam Allardyce is one of the most recognisable figures in British football. 'Big Sam' has been a robust defensive general throughout the seventies and eighties, and an imposing touchline presence as a gaffer since 1994. Over the last four decades, Allardyce has seen it all. The game he so loves is radically different to that in which he made his debut back in 1973, and in telling his wonderfully colourful story for the very first time, Allardyce talks intriguingly about the changing face of players and managers. His autobiography positively crackles with characteristic insight, honesty and hard-hitting opinions.
