Richly emotive and darkly captivating, with elements of Shirley Jackson's "The Lottery" and the imaginative depth of Margaret Atwood, *Elsewhere* by Alexis Schaitkin conjures a community in which girls become wives, wives become mothers and some of them, quite simply, disappear. Vera grows up in a small town, removed and isolated, pressed up against the mountains, cloud-covered and damp year-round. This town, fiercely protective, brutal and unforgiving in its adherence to tradition, faces a singular affliction: some mothers vanish, disappearing into the clouds. It is the exquisite pain and intrinsic beauty of their lives; it sets them apart from people elsewhere and gives them meaning. Vera, a young girl when her own mother went, is on the cusp of adulthood herself. As her peers begin to marry and become mothers, they speculate about who might be the first to go, each wondering about her own fate. Reveling in their gossip, they witness each other in signs: this one devotes herself to her child too much, this one not enough—that must surely draw the affliction's gaze. When motherhood comes for Vera, she is faced with the question: will she be able to stay and mother her beloved child, or will she disappear? Provocative and hypnotic, Alexis Schaitkin's *Elsewhere* is at once a spellbinding revelation and a rumination on the mysterious task of motherhood and all the ways in which a woman can lose herself to it; the self-

monitoring and judgment, the doubts and unknowns, and the legacy she leaves behind.

An ancient book, a seventeen-year-old girl and an exotic boy from a supernatural world hold the key to freedom for a long-oppressed race, but that freedom could come at the cost of the human world. Seventeen-year-old Kalista is suffering from a broken heart, so when her playwright father proposes they move their lives from New York to New Mexico because he is in need of inspiration Kalista is 100% on-board with him. New Mexico proves to be the perfect balm for her wounds and she is just starting to feel some of her old spunk

when Tristan Winfield comes into her life and pulls all of her barriers down. Kalista is captivated by Tristan's unusual silver eyes and feels an inexplicable connection to him, which begins to manifest itself in her dreams with bizarre images of a waterfall and an orb. While searching for an explanation for her troubling dreams, Kalista discovers an ancient book which holds the secrets of a supernatural race of creatures. But when Killings hit town, she realizes her finding has come at a high price. She's in the middle of

a power struggle now, and a secret seems to be wrapped within the pages of that book. A secret she's part of...

A heartwarming tale of courage, resilience and hope from master storyteller and winner of the prestigious Newbery Medal, Linda Sue Park. When her name was Keoko, Japan owned Korea, and Japanese soldiers ordered

people around, telling them what they could do or say, even what sort of flowers they could grow. When her name was Keoko, World War II came to Korea, and her friends and relatives had to work and fight for Japan. When her name was Keoko, she never forgot her name was actually Kim Sun-hee. And no matter what she was called, she was Korean. Not Japanese. Inspired by true-life events, this amazing story reveals what happens when your culture, country and identity are threatened.

From the acclaimed author of *Blue Highways*, *PrairieErth*, and *Roads to Quoz*, a dazzling collection of travel tales from the road. **HERE, THERE, ELSEWHERE** draws together for the first time William Least Heat-Moon's greatest short-form travel writing. Personally selected by the writer, these pieces take us from Japan, England,

Italy, and Mexico to Long Island, Oregon, Arizona, from small towns to big cities, ocean shores and inland mysteries. Including Heat-Moon's reflections on writing these pieces, **HERE, THERE, ELSEWHERE** is much more than the usual collection of amber; it is a coupled summation of craft and memory. A perfect treasury of prose and provocation for readers old and new, Heat-Moon's most recent work reveals his absolute mastery across pages many and few.

What is an authentic purpose of a man's life today? What does manhood have to do with purpose? How does a man discern the call of purpose? This is a book about the psychospiritual path to a meaningful, healthy and fulfilling manhood. It is written for any man who is starting to question his life's purpose. It is written for the man who, as he is climbing the ladder of success, is starting to realize that the ladder is on the wrong wall. *Toward Manhood* is about the inevitable crisis of meaning and life direction that most men in modern culture will ultimately face. This book is based on

psychological and spiritual principles lost in the modern Western world that still endure after thousands of years. Using archetypal puberty initiation rituals that have always led toward a purposeful life *Toward Manhood* translates this indigenous practice into a modern understanding of healthy psychological and spiritual maturity. The old and the new come together in this book to create a modern model of manhood that is worthy of the inner pain and struggle it takes to brave the wilderness of the soul's identity.

Poverty, Politics, and Race

Penguin

This autobiography follows the

life of Anna Shaw (1847-1919) from her birth in Newcastle-on-Tyne, England through her presidency of the National American Woman Suffrage Association. Shaw immigrated with her genteel but financially pressed family to America in 1851. They settled first in New Bedford and then in Lawrence, Massachusetts, finally migrating in 1859 to a pioneer farmstead in northern Michigan, where Anna performed much of the subsistence labor during her father's long absences. The first part of her narrative emphasizes her efforts to gain an education and take up a ministerial career. After two years at Albion College, she attended Boston Theological

School (1876-1878) and accepted a pastorate in East Dennis, Cape Cod, after graduation; later she also took temporary charge of the Congregational Church in Dennis. After her ordination had been blocked by members of the New England Conference of the Methodist Episcopal Church opposed to ordaining women, Shaw was ordained by the 1880 Conference of the Methodist Protestant Church in Tarrytown, N.Y.

Hi My Name Is Cj Little, Brown
Brain injury plunged Lia into a world of distortion and chaos, where her own thoughts and senses could no longer be trusted. Searching for medical help, she found doubt and manipulation

instead. But I'm Not Depressed is a bleak but ultimately hopeful tale, and a slap in the face to the culture of psychobabble.

Sistina awakened after millennia of dormancy, her memories in tatters and born anew. Residing in the ruins of an ancient city, she finds

herself drawn into a war between two elven nations and the slaver kingdom of Kelvanis when she rescues a princess from slavery. With her domain containing hints of forgotten knowledge, Sistina becomes a dungeon, stronghold, and source of hope all at once. And perhaps, just perhaps, she could finally find love in her new life. This is a dark fantasy lesbian romance, with a focus on the dark fantasy. *Anemone Enemy* Univ. of Queensland Press
Welcome aboard the sex-drive

void ship . . . Captain Genro commands the giant spaceship Dragon Zephyr - on board are ten thousand passengers in electrocoma, a smaller number of conscious passengers eagerly utilising the ship's dream chambers - and a Pilot. In the context of space travel, the Pilot is merely a biological component in the machine. Always a woman, her function is to launch the ship into the Jump by means of a cosmic orgasm. She is a pariah, shunned by all. Void Captain Genro should never even have spoken to his Pilot, let alone tried to embark on a relationship with her. When he did so, the result was every space traveller's nightmare. A Blind Jump into the

Void . . .

The great thing about being Canadian is simply this: we don't take ourselves too seriously, which works out pretty well because no one else on the planet takes us seriously, either. If you're reading this book, there's a good chance you're a Canadian. But what does that mean? There are the stereotypical nods, such as politeness and apologizing, but there's so much more! To be honest, you've probably taken part in (or at least

talked about) hockey, poutine, curling, canoes, health care, snowshoes, parkas, camping, beer, road work, Canadian Tire, Slurpees, moose, maple syrup, and Tim Hortons in the last 24 hours. "A Hoser's Guide to Canadian History" is your ticket to even more things "Canadian" that you may have missed during your water-cooler discussions, online chats, or your seventeen-hour wait in the local emergency room. As you read this book, you'll discover new and exciting facts about Canada that

simply weren't taught in school. As a History teacher, I found the need to spread the unvarnished truth of this great nation's past. People like Sir John "Eh" MacDonald, Tommy Douglas, and Pierre Trudeau all had a distinct impact on this great country of ours, and part of their stories are included in these pages. Even less-famous folks who helped to shape Canada got a mention: John Humphrey, Laura Secord, and Egerton Ryerson. (Yes, "Egerton" is a real name.) Canada has an exciting past, full of events that have brought us to where we are now. Like all countries, we have some things we'd like to forget, but most of those unpleasant moments happened because we had morons in Parliament, something that doesn't happen anymore. Canadians have no need to apologize for being nice, honest, and caring people. So, please enjoy this book, and if you don't, well, I'm sorry.

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life

events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she reunites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you"; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and

better person than she imagined she could ever be.
