Imagine Me Ballantine Books

I was feared. Respected. Worshipped. But all of that changed when the impossible happened—I fell in love. Only those feelings weren't reciprocated, because who could love a monster like me? My empire crumbled. People died. I went from being a victorious leader to lurking in the shadows, planning revenge on my half-brother who now reigns in my place. An orphanage is where I find sanctuary, but when she walks into my world and evokes a yearning I thought long dead, my demons are awakened and want what they can't have—

her. Sooner or later, I knew I'd need to feed the darkness inside me. Mayhem, power, and control course through my veins. I will use them to regain my crown, my throne, and then claim her, despite what solemn vows she might've made. I will break them...and her.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • NPR • BookRiot Reality is broken. At first, it looks like a disease. An epidemic that spreads through no known means, driving its victims mad with memories of a life they never lived. But the force that's sweeping the world is no pathogen. It's just the first shock wave, unleashed by a stunning discovery—and what's in jeopardy is not our minds but the very fabric of time itself. In New York City, Detective Barry Sutton is closing in on the truth—and in a remote laboratory, neuroscientist Helena

Smith is unaware that she alone holds the key to this mystery . . . and the tools for fighting back. Together, Barry and Helena will have to confront their enemy—before they, and the world, are trapped in a loop of ever-growing chaos. Praise for Recursion “An action-packed, brilliantly unique ride that had me up late and shirking responsibilities until I had devoured the last page . . . a fantastic read.” —Andy Weir, #1 New York Times bestselling author of The Martian “Another profound science-fiction thriller. Praise for The Unblemished Trilogy: "Unblemished may have set the stage, but Unraveling will forever bind you to this story like a Kiss of Accord. Sara Ella's exquisite writing left me gasping at new revelations and re-reading whole chapters just because. Unraveling is a sequel that outshines its already brilliant predecessor." -Nadine Brandes, award-winning author of Fawkes "Lyrically written and achingly romantic-Unblemished will tug your heartstrings!" -Melissa Landers, author of Alienated, Invaded, and Starflight "Self-worth and destiny collide in this twisty-turny fantasy full of surprise and heart. Book One in an epic, forbidden MM romance duet from USA Today Bestselling Author Ella James... You think you know me. That's the way I want it. Making you feel like we know each other-or we could-and if we did, we'd be go-out-and-grab-a-cold-one buddies-is part of my job. Maybe the most vital part. There are millions of you.

Followers. To each of you, I'm someone personal. Some of you dropped into my lap-inherited, you might say. I brought others into the fold by being really, really good at social media. Still more of you gravitate to me because of my looks. Yeah, I know. I'm easy on the eyes, single at 35, and born richer than sin. My aesthetic matters much more than it should, but all the better for my worthy cause. And it's a worthy cause. I'm well-known-let's be honest: famous-for connecting people. I've made an art of making you feel good, and what's better? My influence makes you want to be good. Good like me. You think you know me, but you don't. Everyone has secrets. Mine could cost me everything. If

I was sixteen when he came to our house. Landon Jones, a boy with nothing, from nowhere. He had cinnamon hair and gray eyes--just like mine. When we went out as a family with my foster brother, people asked if Landon was my twin. He wasn't. That year, we found out how much he wasn't. When my parents caught us, they threw Landon out like trash. Now I'm twenty-seven, a soon-to-be surgeon, like my mom and dad. After all, it's been his dream to work at London Enterprise, and he can't turn it down now, even if it means working as a PA for Rhys London. Fortunately, Rhys seems like an entirely different man.
