Newell Lyon learned the oral tradition from his elders in Maine's Penobscot Nation and was widely considered to be a "raconteur among the Indians." The thirteen stories in this new volume were among those that Lyon recounted to anthropologist Frank Speck, who published them in 1918 as *Penobscot Transformer Tales*. Transcribed for the first time into current Penobscot orthography and with a new English translation, this

instructive and entertaining story cycle focuses on the childhood and coming-of-age of Gluskabe, the tribe's culture hero. Learning from his grandmother Woodchuck, Gluskabe applies lessons that help shape the Wabanaki landscape and bring into balance all the forces affecting human life. These tales offer a window into the language and culture of the Penobscot people in the early twentieth century. In "Still They Remember

Me," stories are presented in the Penobscot language and English side-by-side, coupled with illustrations from members of the tribal community. For the first time, these stories are accessible to a young generation of Penobscot language learners and scholars of Native American literatures at all levels, from grade school to graduate school. *Hero Tales, Vol. 2* John Wiley and Sons  
Nightshift clerk and high-functioning insomniac Jack is back to work, trying his best to keep out of trouble.

---

But when his chain-smoking coworker discovers a mysterious radio signal revealing the guarded secrets of their town, Jack will learn that an annoying new dayshift manager is far from the worst of his problems. In this second installment of the Gas Station saga, Jack finds himself entangled in his most harrowing adventure yet. With the newest crew of coworkers along for the ride and the resident psychopath out for his blood, our hero(?) must navigate the drama of small-town murder conspiracies, vigilante justice, and

demonic summoning rituals...whether he wants to or not. Hero Story Collection (DC Super Friends) Simon and Schuster Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas

Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply

---

Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichés that minimize a woman's true position in Christ!
